LaunchPAD Programme

(the “**Programme**”)

- 1 This supplement dated 25 June 2012 (this “**Supplement**”) constitutes the seventeenth supplement to each of the base prospectuses dated 1 July 2011 in relation to the Issuer’s LaunchPAD Programme for the issuance of (i) Certificates, (ii) Notes, (iii) Reverse Exchangeable Securities, (iv) Turbos and (v) Warrants; and the eighteenth supplement to the base prospectus dated 1 July 2011 in relation to the Issuer’s LaunchPAD Programme for the issuance of Open End Certificates, each approved by the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the “**AFM**”) on 1 July 2011 (the “**Base Prospectuses**” and, each, a “**Base Prospectus**”).
- 2 Each of the Base Prospectuses were approved as a base prospectus pursuant to Directive 2003/71/EC (the “**Prospectus Directive**”) by the AFM. This Supplement constitutes a supplemental prospectus to each of the Base Prospectuses for the purposes of Article 5:23 of the Financial Supervision Act (*Wet op het financieel toezicht*).
- 3 This Supplement is supplemental to, and should be read in conjunction with, each of the Base Prospectuses and any other supplements thereto issued by the Issuer. Terms defined in each of the Base Prospectuses have the same meanings when used in this Supplement.

- 4 In accordance with Article 5:23(6) of the Financial Supervision Act (*Wet op het financieel toezicht*), investors who have agreed to purchase or subscribe for securities issued under the Base Prospectuses before this Supplement is published have the right, exercisable before the end of the period of two working days beginning with the working day after the date on which this Supplement was published, to withdraw their acceptances.
- 5 The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.
- 6 On 24 February 2012, the registration document of The Royal Bank of Scotland plc dated 24 February 2012 (the “**RBS Registration Document**”) was published via the Regulatory News Service of the London Stock Exchange plc. The RBS Registration Document is incorporated by reference in each of the Base Prospectuses and has previously been filed with the AFM.
- 7 By virtue of this Supplement, the paragraphs under the sub-section entitled “Ratings” in the sub-section entitled “PART A: IN RELATION TO RBS N.V.” in the section of each of the Base Prospectuses entitled “General Information”, shall be deleted in their entirety and replaced with the following:

“Any rated Securities are expected to be assigned a rating that aligns with the relevant rating measures outlined below. Should there be any exceptions to this, the Issuer will in each case specify details in the Final Terms of the relevant Securities.

Standard & Poor’s Credit Market Services Europe Limited (“**Standard & Poor’s**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A”; senior notes issued by RBS N.V. with a maturity of less than one year “A-1”; dated subordinated notes issued by RBS N.V. “BBB-”; and undated tier 2 notes issued by RBS N.V. “BB+”. Fitch Ratings Limited (“**Fitch**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A”; senior notes issued by RBS N.V. with a maturity of less than one year “F1”; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis. Moody’s Investors Service Limited (“**Moody’s**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A3”; senior notes issued by RBS N.V. with a maturity of less than one year “P-2”; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis.

As defined by Standard & Poor’s, an “A” rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it is strong and an “A-1” rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it is strong. A “BBB” rating means that the financial commitment on the relevant notes exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the Issuer to meet its financial commitment on the relevant notes issued by it. A “BB” rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it faces major ongoing uncertainties or exposure to adverse business, financial or economic conditions which could lead to the Issuer’s inadequate capacity to meet its financial commitment on the relevant notes issued by it. As defined by Standard & Poor’s, an addition of a plus (+) or minus (-) sign shows relative standing within the major rating categories.

As defined by Fitch, an “A” rating indicates that the Issuer has a strong capacity for payment of its financial commitments on the relevant notes issued by it. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. As defined by Fitch, an “F1” rating indicates that the Issuer has the strongest capacity for timely payment of its financial commitments on the relevant notes issued by it.

As defined by Moody's, an "A" rating means the capacity of the Issuer to meet its obligations on the relevant notes issued by it is considered to be upper-medium grade subject to low credit risk. As defined by Moody's, the addition of a "3" indicates that the obligation ranks in the lower end of its generic rating category. As defined by Moody's, a "P-2" rating means that the Issuer has a strong ability to repay its short-term debt obligations on the relevant notes issued by it.

The rating definitions set out above constitute third-party information and were obtained in the English language from (i) the publication entitled "Standard & Poor's Ratings Definitions - 27 April 2011" published by Standard & Poor's (available at www.standardandpoors.com), (ii) the publication entitled "Rating Symbols and Definitions - June 2012" published by Moody's (available at www.moody's.com) and (iii) the publication entitled "Definitions of Ratings and Other Forms of Opinion - September 2011" published by Fitch (available at www.fitchratings.com). The information found at the websites referred to in the previous sentence does not form part of and is not incorporated by reference into this Base Prospectus. The rating definitions set out above have been accurately reproduced from the sources identified above and, so far as RBS N.V. is aware and is able to ascertain from information published by the third parties referred to above, no facts have been omitted which would render the ratings definitions set out above inaccurate or misleading.

A rating is not a recommendation to buy, sell or hold securities and may be subject to change, suspension or withdrawal at any time by the assigning rating agency.

The credit ratings included and referred to in this Base Prospectus (to the extent they relate to this Part A), including documents incorporated by reference herein, have been issued by Standard & Poor's Credit Market Services Europe Limited, Fitch Ratings Limited and Moody's Investors Service Limited, each of which is established in the European Union and is registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies."

- 8 By virtue of this Supplement, the following information within the section entitled "Introduction" in the RBS Registration Document shall no longer be incorporated by reference in any of the Base Prospectuses:
 - 8.1 the final sentence of the fourth paragraph of such section, which begins with the words "Moody's Investors Service Limited";
 - 8.2 the seventh paragraph of such section, which begins with the words "As defined by Moody's"; and
 - 8.3 limb (ii) of the eighth paragraph of such section, which begins with the words "the ratings definitions set out above".
- 9 By virtue of this Supplement, the following shall be inserted as a new sub-section entitled "Ratings" in the sub-section entitled "PART B: IN RELATION TO RBS" in the section entitled "General Information" in each of the Base Prospectuses:

"Moody's Investors Service Limited ("**Moody's**") is expected to rate: senior notes issued by RBS with a maturity of one year or more "A3"; senior notes issued by RBS with a maturity of less than one year "P-2"; and dated subordinated notes and undated tier 2 notes issued by RBS will be rated on a case-by-case basis.

As defined by Moody's, an "A" rating means the capacity of the Issuer to meet its obligations on the relevant notes issued by it is considered to be upper-medium grade subject to low credit risk. As defined by Moody's, the addition of a "3" indicates that the obligation ranks in the lower end of its generic rating category. As defined by Moody's, a "P-2" rating means that the Issuer has a strong ability to repay its short-term debt obligations on the relevant notes issued by it.

The rating definitions set out above constitute third-party information and were obtained in the English language from the publication entitled “Rating Symbols and Definitions - June 2012” published by Moody’s (available at www.moody.com).

The rating definitions set out in this Base Prospectus have been accurately reproduced from the sources identified above and, so far as RBS is aware and is able to ascertain from information published by the third parties referred to above, no facts have been omitted which would render the ratings definitions set out above inaccurate or misleading.

A rating is not a recommendation to buy, sell or hold securities and may be subject to change, suspension or withdrawal at any time by the assigning rating agency.”.

- 10** The amendments described in paragraphs 7, 8 and 9 above arise following an announcement by Moody’s on 21 June 2012 of revisions to the expected ratings of notes issued by the Issuer and RBS, and those of certain other global banks and securities firms, reflecting changes in the Moody’s rating methodology to assess global capital markets business models and its broader concerns about the additional pressures arising from a difficult Euro-zone operating environment. The RBSG Group (as defined in each of the Base Prospectuses) believes the impacts of this downgrade are manageable, bearing in mind its £153 billion liquidity portfolio. The amount of collateral that may have to be posted by the RBSG Group following this downgrade by Moody’s is estimated to be £9 billion as of 31 May 2012.
- 11** By virtue of this Supplement, the following shall be inserted as a new sub-section entitled “Dutch Scheme - Proposals” in the sub-section entitled “PART A: IN RELATION TO RBS N.V.” in the section entitled “General Information” in each of the Base Prospectuses:

“On 18 June 2012, the Court of Session in Scotland made an order, inter alia, approving the completion of the Merger (as defined in the Registration Document) for the purposes of Article 11 of Directive 2005/56/EC of the European Parliament and the Council of the European Union. It is expected that the Dutch Scheme (as defined in the Registration Document) will take effect on 9 July 2012.”.

- 13** To the extent that there is any inconsistency between (a) any statement in this Supplement and (b) any other statement in any of the Base Prospectuses or any previous supplement to the Base Prospectuses, the statements referred to in (a) above will prevail.
- 14** Save as disclosed in any previous supplement to any of the Base Prospectuses or this Supplement, no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectuses (as supplemented at the date hereof) has arisen or has been noted since the publication of the Base Prospectuses.

Schedule 2

These RBS N.V. businesses are part of global business units of the RBSG Group that operate across multiple legal entities. The strategy of RBS N.V. is part of the overall business strategy of the RBSG Group. RBS Holdings has been restructured into Core and Non-Core components. The RBSG Group expects to substantially run down or dispose of the businesses, assets and portfolios within the Non-Core division by the end of 2013 and during the course of 2010 and 2011, it concluded the sales of businesses in Latin America, Asia, Europe and the Middle East.

In January 2012, the RBSG Group announced changes to its wholesale banking operations in light of a changed market and regulatory environment. The changes will see the reorganisation of the RBSG Group's wholesale businesses into 'Markets' and 'International Banking' and the exit and downsizing of selected activities. The changes will ensure the wholesale businesses continue to deliver against the RBSG Group's strategy.

Schedule 3

On 26 March 2012, the Group announced that (1) RBS N.V. (as the demerging company) and RBS II B.V. (as the acquiring company) had that day filed a proposal with the Dutch Trade Register for a legal demerger and (2) following a preliminary hearing at the Court of Session in Scotland, RBS and RBS II B.V. had that day made filings with Companies House in the UK and the Dutch Trade Register respectively for a proposed cross-border merger of RBS II B.V. into RBS (together with the proposal for the legal demerger, the “**Proposals**”). Upon implementation of the Proposals, a substantial part of the business conducted by RBS N.V. in The Netherlands as well as in certain EMEA branches of RBS N.V. (the “**Transferring Businesses**”) will be transferred to RBS. The Proposals will be implemented by the demerger of the Transferring Businesses into RBS II B.V. (a Dutch company licensed as a bank in The Netherlands that has been established specifically for the purposes of the Dutch Scheme (as defined below)) by way of a Dutch statutory demerger (the “**Demerger**”), followed by the merger of RBS II B.V. into RBS through a cross-border merger (the “**Merger**” and, together with the Demerger, the “**Dutch Scheme**”). RBS and RBS N.V. have discussed the Dutch Scheme in detail with De Nederlandsche Bank and the Financial Services Authority. Implementation of the Dutch Scheme is subject, amongst other matters, to regulatory and court approvals. If granted, the regulatory approvals will be granted on the basis that the Demerger will not proceed unless the Merger is to proceed thereafter. Subject to these matters, it is expected that the Dutch Scheme will take effect on 9 July 2012.

Schedule 4

Payments on the Securities may be subject to U.S. withholding tax and/or early termination on account of U.S. withholding tax

Due to recently enacted U.S. legislation, payments on any Security that are, in whole or in part, directly or indirectly contingent upon, or determined by reference to, the payment of a dividend from a U.S. entity (a “**Dividend Equivalent Payment**”) may become subject to a 30% U.S. withholding tax when made to a beneficial owner that is not: (i) a citizen or individual resident of the United States, as defined in Section 7701(b) of the U.S. Internal Revenue Code, (ii) a corporation, including any entity treated as a corporation for U.S. federal income tax purposes, created or organised in or under the laws of the United States, any State thereof or the District of Columbia; (iii) an estate the income of which is subject to U.S. federal income tax without regard to its source; or (iv) a trust if (x) a court within the United States is able to exercise primary supervision over the administration of the trust, and one or more United States persons have the authority to control all substantial decisions of the trust, or (y) such trust has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a United States person, (a “**Non-U.S. holder**”). The imposition of this U.S. withholding tax will reduce the amounts received by Non-U.S. holders. Neither the Issuer nor the Principal Agent nor any other person shall pay any additional amounts to the Non-U.S. holders in respect of such U.S. withholding. Additionally, the Issuer may elect to terminate the Securities, in accordance with General Condition 3(b), should this U.S. withholding tax apply to any current or future payments on the Security. If a Non-U.S. holder becomes subject to this withholding tax, the Non-U.S. holder may be able to claim an exemption under its applicable double tax treaty. The application and interpretation of the rules governing U.S. withholding tax on Dividend Equivalent Payments is subject to change.

Schedule 5

Withholding on Dividend Equivalent Payments

Recently enacted U.S. legislation imposes a 30% U.S. withholding tax on payments that are directly or indirectly contingent upon, or determined by reference to, the payment of a dividend from a U.S. entity (a “**Dividend Equivalent Payment**”). The type of payments that constitute Dividend Equivalent Payments subject to this withholding tax is not entirely clear. Payments on Securities (including, but not limited to, the Equity Certificates) with equity in U.S. entities, or indices that include equity in U.S. entities, as the Underlying, or that reference dividend payments made by U.S. entities, could become subject to this withholding tax. Non-U.S. holders may be able to claim the benefits of a double tax treaty to reduce this withholding. Additionally, amounts paid pursuant to an early termination made in accordance with General Condition 3(b) could be subject to withholding if they are deemed to be Dividend Equivalent Payments. Neither the Issuer nor the Principal Agent nor any other person shall pay any additional amounts to the Non-U.S. holders in respect of any U.S. withholding imposed on any Dividend Equivalent Payment. The application and interpretation of the rules governing U.S. withholding tax on Dividend Equivalent Payments is subject to change. Non-U.S. holders should consult their tax advisers about possibility of U.S. withholding on payments made on Securities (including, but not limited to, the Equity Certificates).

In July 2010, the FSA notified the RBSG Group that it was commencing an investigation into the sale by Coutts & Co of the ALICO (American Life Insurance Company) Premier Access Bond Enhanced Variable Rate Fund (“EVRF”) to customers between 2001 and 2008 as well as its subsequent review of those sales. Subsequently on 11 January 2011, the FSA revised the investigation start date to December 2003.

On 8 November 2011, the FSA published its Final Notice having reached a settlement with Coutts & Co, under which Coutts & Co agreed to pay a fine of £6.3 million. The FSA did not make any findings on the suitability of advice given in individual cases. Nonetheless, in order to address the possibility that unsuitable advice may potentially have been given in relation to the EVRF, Coutts & Co has agreed to undertake a past business review of its sales of the product. This review will be overseen by an independent third party and will consider the advice given to customers invested in the EVRF as at the date of its suspension, 15 September 2008. As part of the review, Coutts & Co may identify clients affected by the FSA’s findings and will offer them redress.”.

- 2** Each of the Base Prospectuses was approved as a base prospectus pursuant to Directive 2003/71/EC (the “**Prospectus Directive**”) by the AFM. This Supplement constitutes a supplemental prospectus to each of the Base Prospectuses for the purposes of Article 5:23 of the Financial Supervision Act (*Wet op het financieel toezicht*).
- 3** This Supplement is supplemental to, and should be read in conjunction with, each of the Base Prospectuses and any other supplements thereto issued by the Issuer. Terms defined in the Base Prospectuses have the same meanings when used in this Supplement.
- 4** In accordance with Article 5:23(6) of the Financial Supervision Act (*Wet op het financieel toezicht*), investors who have agreed to purchase or subscribe for securities issued under any of the Base Prospectuses before this Supplement is published have the right, exercisable before the end of the period of two working days

beginning with the working day after the date on which this Supplement was published, to withdraw their acceptances.

- 5 The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case), the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.
- 6 On 5 August 2011, the registration document of The Royal Bank of Scotland plc dated 5 August 2011 (the “**RBS Registration Document**”) was published via the Regulatory News Service of the London Stock Exchange plc (“**RNS**”). The RBS Registration Document is incorporated by reference in each of the Base Prospectuses and has previously been filed with the AFM.
- 7 On 4 November 2011, the unaudited “Interim Management Statement Q3 2011” of The Royal Bank of Scotland Group plc (the “**RBSG Interim Management Statement**”) for the third quarter ended 30 September 2011 was published via RNS.
- 8 By virtue of this Supplement, the RBSG Interim Management Statement shall be deemed to be incorporated in, and form part of, each of the Base Prospectuses.
- 9 By virtue of this Supplement, the fourth through to the tenth paragraph (inclusive) of the section of the RBS Registration Document entitled “Introduction” shall no longer be incorporated by reference in any of the Base Prospectuses.
- 10 By virtue of this Supplement, the paragraphs under the sub-section entitled “Ratings” in the section of each of the Base Prospectuses entitled “General Information – Part A: In relation to RBS N.V.”, shall be deleted in their entirety and replaced with the following:

“Any rated Securities are expected to be assigned a rating that aligns with the relevant rating measures outlined below. Should there be any exceptions to this, the Issuer will in each case specify details in the Final Terms of the relevant Securities.

Standard & Poor’s Credit Market Services Europe Limited (“**Standard & Poor’s**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A+”; senior notes issued by RBS N.V. with a maturity of less than one year “A-1”; dated subordinated notes issued by RBS N.V. “BBB+”; and undated tier 2 notes issued by RBS N.V. “BB+”. Fitch Ratings Limited (“**Fitch**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A”; senior notes issued by RBS N.V. with a maturity of less than one year “F1”; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis. Moody’s Investors Service Limited (“**Moody’s**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A2”; senior notes issued by RBS N.V. with a maturity of less than one year “P-1”; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis.

As defined by Standard & Poor’s, an “A” rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it is strong and an “A-1” rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it is strong. A “BBB” rating means that the financial commitment on the relevant notes exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the Issuer to meet its financial commitment on the relevant notes issued by it. A “BB” rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it faces major ongoing uncertainties or exposure to adverse business, financial or economic conditions which could lead to the Issuer’s inadequate capacity to meet its financial commitment on the relevant notes issued by it. As defined by

Standard & Poor's, an addition of a plus (+) or minus (-) sign shows relative standing within the major rating categories.

As defined by Fitch, an "A" rating indicates that the Issuer has a strong capacity for payment of its financial commitments on the relevant notes issued by it. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. As defined by Fitch, an "F1" rating indicates that the Issuer has the strongest capacity for timely payment of its financial commitments on the relevant notes issued by it.

As defined by Moody's, an "A" rating means the capacity of the Issuer to meet its obligations on the relevant notes issued by it is considered to be upper-medium grade subject to low credit risk. As defined by Moody's, the addition of a "2" indicates that the obligation ranks mid-range in its generic rating category.

- 11 For the avoidance of doubt, section 10 above supersedes the provisions of sections 7.21 and 7.22 of the eighth supplement to each of the Base Prospectuses dated 14 October 2011.
- 12 By virtue of this Supplement, the paragraphs under the sub-section entitled "Ratings" in the section of each of the Base Prospectuses entitled "General Information – Part B: In relation to RBS", shall be deleted in their entirety and replaced with the following:

- 13 For the avoidance of doubt, section 12 above supersedes the provisions of (i) section 7.4 of the seventh supplement to each of the Base Prospectuses dated 11 October 2011 and (ii) (a) section 7.27 of the eighth supplement to the Base Prospectus relating to the issuance of Certificates dated 14 October 2011 (the "**Certificates Base Prospectus**") and (b) section 7.26 of the eighth supplement to each of the Base Prospectuses excluding the Certificates Base Prospectus dated 14 October 2011, which sections shall, by virtue of this Supplement, no longer apply.
- 14 By virtue of this Supplement, the sub-section entitled "Other securitisation and securities related litigation in the United States" in the section of the RBS Registration Document entitled "Description of The Royal Bank of Scotland plc – Litigation" shall no longer be incorporated by reference in any of the Base Prospectuses.

- 15 By virtue of this Supplement, the sub-section entitled “Litigation” in the section of each of the Base Prospectuses entitled “General Information - Part B: In relation to RBS – Recent Developments” shall be deleted in its entirety and replaced with the following:

“Litigation - Other securitisation and securities related litigation in the United States

RBSG Group companies have been named as defendants in their various roles as issuer, depositor and/or underwriter in a number of claims in the United States that relate to the securitisation and securities underwriting businesses. These cases include purported class action suits and actions by individual purchasers of securities. The cases involve the issuance of mortgage-backed securities and/or collateralised debt obligations for more than US\$35 billion of securities issued by over 100 securitisation trusts. Although the allegations vary by claim, in general, plaintiffs in these actions claim that certain disclosures made in connection with the relevant offerings of such securities contained materially false or misleading statements and/or omissions regarding the underwriting standards pursuant to which the mortgage loans underlying the securities were issued.

In many of these actions, the RBSG Group has contractual rights to indemnification from the issuers of the securities (where an RBSG Group company is underwriter) and/or the underlying mortgage originator (where an RBSG Group company is issuer), but certain of those indemnity rights may prove effectively unenforceable where the issuers or originators are defunct or otherwise unable to perform.

Certain other institutional investors have threatened to assert claims against the RBSG Group in connection with various mortgage-related offerings. The RBSG Group cannot predict with any certainty whether any of these individual investors will pursue these threatened claims.

With respect to all of these mortgage-backed securities related claims, the RBSG Group considers that it has substantial and credible legal and factual defences to these claims and will continue to defend them vigorously. The RBSG Group cannot predict the outcome of these claims at this stage and is unable reliably to estimate the liability, if any, that may arise, or its effect on the RBSG Group’s consolidated net assets, operating results or cash flows in any particular period.

In addition to the above, on 2 September 2011, the US Federal Housing Finance Agency (“**FHFA**”) as conservator for the Federal National Mortgage Association (“**Fannie Mae**”) and the Federal Home Loan Mortgage Company (“**Freddie Mac**”) filed 17 lawsuits in the United States against a number of international banks and individual defendants, including RBSG, certain other RBSG Group companies and five individual officers and directors of the RBSG Group’s subsidiaries.

The lawsuits involve allegations that certain disclosures made in connection with the relevant offering or underwriting of securities contained materially false or misleading statements and/or omissions regarding the underwriting standards pursuant to which the mortgage loans underlying the securities were issued. RBSG Group entities are named as defendants in their capacities as issuers and underwriters of securities, not as originators of any underlying mortgage loans. The plaintiffs’ claims against the RBSG Group are currently unquantified.

The FHFA primary lawsuit against RBSG Group entities relates to approximately US\$32 billion of AAA rated RMBS issuance during the period 2005-2008 pursuant to which RBSG Group entities acted as sponsor/depositor and/or lead underwriter. The aggregate principal amount has been reduced to approximately US\$14 billion outstanding by repayments and recoveries of approximately US\$18 billion and losses to date of approximately US\$0.2 billion.

FHFA has also filed five lawsuits against each of Ally Financial Group, Countrywide Financial Corporation, JP Morgan, Morgan Stanley and Nomura in relation to some of the offerings where an RBSG Group entity acted as underwriter and is named amongst the defendants.

RBSG Group entities believe they have a variety of substantial and credible legal and factual defences available to all of the FHFA lawsuits and the RBSG Group will defend each of the matters vigorously. Additionally, RBSG Group entities potentially have recourse to indemnities from the relevant mortgage originators or sponsors/depositors although the amount and extent of any recovery is uncertain and subject to a number of factors, including the ongoing creditworthiness of the indemnifying party. Given the early stages of these matters, the RBSG Group cannot predict the outcome of these claims and is unable reliably to estimate the liability, if any, that may arise or its effect on the RBSG Group's consolidated net assets, operating results or cash flows in any particular period."

- 16 For the avoidance of doubt, section 15 above supersedes the provisions of section 6 of the fifth supplement to each of the Base Prospectuses dated 9 September 2011 which sections shall, by virtue of this Supplement, no longer apply.
- 17 By virtue of this Supplement, the second paragraph of the sub-section entitled "Recent Developments - No significant change and no material adverse change" in the section entitled "General Information – Part B: In relation to RBS" shall be deleted in its entirety and replaced with the following:

"Save in relation to (i) matters referred to on page 22 of the RBS Interim Results 2011 relating to Payment Protection Insurance, in respect of which the RBS Group has made provisions for therein; and (ii) the effect on revenues of Global Banking and Markets of the current subdued operating environment (see pages 43-45 of the RBSG Interim Management Statement), there has been no material adverse change in the prospects of the RBS Group taken as a whole since 31 December 2010 (the last date to which the latest audited published financial information of the RBS Group was prepared)."
- 18 For the avoidance of doubt, section 17 above supersedes the provisions of the last paragraph of section 9.2 of the third supplement to each of the Base Prospectuses dated 26 August 2011 which sections shall, by virtue of this Supplement, no longer apply.
- 19 A copy of this Supplement, the Base Prospectuses and all other supplements thereto and all documents incorporated by reference in the Base Prospectuses are accessible on <http://markets.rbs.com/bparchive> and can be obtained, on request, free of charge, by writing or telephoning, The Royal Bank of Scotland Group Investor Relations, 280 Bishopsgate, London EC2M 4RB, United Kingdom, telephone +44 207 672 1758, e-mail investor.relations@rbs.com.
- 20 If the documents which are incorporated by reference in each of the Base Prospectuses by virtue of this Supplement themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of any Base Prospectus for the purposes of the Prospectus Directive except where such information or other documents are specifically incorporated by reference in, or attached to, each of the Base Prospectuses by virtue of this Supplement.
- 21 To the extent that there is any inconsistency between (a) any statement in this Supplement and (b) any other statement in any Base Prospectus or any previous supplement to any Base Prospectus, the statements referred to in (a) above will prevail.
- 22 Save as disclosed in any previous supplement to any of the Base Prospectuses or this Supplement, no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectuses (as supplemented at the date hereof) has arisen or has been noted since the publication of the each of the Base Prospectuses.

- 2 The Base Prospectus was approved as a base prospectus pursuant to Directive 2003/71/EC (the **Prospectus Directive**) by the AFM. This Supplement constitutes a supplemental prospectus to the Base Prospectus for the purposes of Article 5:23 of the Financial Supervision Act (*Wet op het financieel toezicht*).
- 3 This Supplement is supplemental to, and should be read in conjunction with, the Base Prospectus and any other supplements thereto issued by the Issuer. Terms defined in the Base Prospectus have the same meanings when used in this Supplement.
- 4 In accordance with Article 5:23(6) of the Financial Supervision Act (*Wet op het financieel toezicht*), investors who have agreed to purchase or subscribe for securities issued under the Base Prospectus before this Supplement is published have the right, exercisable before the end of the period of two working days beginning with the working day after the date on which this Supplement was published, to withdraw their acceptances.
- 5 The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information

contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

6 On 5 August 2011, the registration document of The Royal Bank of Scotland plc dated 5 August 2011 (the **RBS Registration Document**) was published via the Regulatory News Service of the London Stock Exchange plc. The RBS Registration Document, through a supplement dated 8 August 2011, is incorporated by reference in the Base Prospectus and has previously been filed with the AFM.

7 The following amendments are made to the Base Prospectus by virtue of this Supplement:

7.1 the final sentence of the section entitled “Proposed transfers of a substantial part of the business activities of The Royal Bank of Scotland N.V. to The Royal Bank of Scotland plc” on page 21 of the registration document of RBS Holdings N.V. and RBS N.V. dated 31 August 2011, which reads:

“Subject to regulatory approval and provided the Court makes an order sanctioning the Part VII Scheme, it is expected that the Part VII Scheme will become effective on 17 October 2011 or such other date as RBS and RBS N.V. may agree in writing.”

shall no longer be incorporated by reference in the Base Prospectus;

7.2 in the section entitled “Summary – Proposed transfer of activities” the second paragraph shall be deleted in its entirety and replaced with the following:

“It is expected that the Proposed Transfers will be implemented on a phased basis over a period ending 31 December 2013. A large part of the Proposed Transfers (including the transfers of certain securities issued by RBS N.V.) is expected to have taken place by the end of 2012. Where available and practicable, statutory transfer schemes will be used to implement the Proposed Transfers. This includes a banking business transfer scheme in respect of eligible business carried on by RBS N.V. pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the “**Part VII Scheme**”). On 23 September 2011, RBS and RBS N.V. announced that the Court of Session in Scotland (the “**Court**”) had approved an order under Part VII of the UK Financial Services and Markets Act 2000 to sanction the Part VII Scheme. The Part VII Scheme, as approved by the Court, will take effect at 00:01hrs on 17 October 2011.

Certain disclosure relating to RBS has been incorporated by reference in this Base Prospectus as a result of the possibility that RBS may become the issuer of certain Securities as a result of a substitution of the Issuer in accordance with General Condition 8(a)(i). There is, however, no assurance that any such substitution will take place.”;

7.3 in the section entitled “Summary – Risk Factors” the heading which reads

“Part B: In relation to RBS”

7.4 in the section entitled “Summary – Risk Factors – Part B: In relation to RBS” (prior to the amendment of such heading by virtue of this Supplement) the wording which reads:

“If RBS becomes the issuer of Securities as a result of the Part VII Scheme (as described above), then certain factors may affect RBS’ ability to fulfil its obligations under the Securities, including:”

shall be deleted in its entirety and replaced with the following:

“Certain factors may affect RBS N.V.’s ability as Issuer to fulfil its obligations under the Securities due to the Group’s reliance on the RBSG Group. In addition, if RBS becomes the issuer of Securities as a result of a substitution of the Issuer in accordance with General Condition 8(a)(i) in connection with the Proposed Transfers generally, then certain factors may affect RBS’ ability to fulfil its obligations under the Securities. In each case, such factors include:”;

- 7.5 in the section entitled “Summary – Risk Factors - Part B: In relation to RBS” (prior to the amendment of such heading by virtue of this Supplement), after the bullet point risk factor which reads:

“HM Treasury (or UKFI on its behalf) may be able to exercise a significant degree of influence over the RBSG Group and any proposed offer or sale of its interests may affect the price of the Securities.”

the following shall be inserted as a bullet point risk factor:

“The RBSG Group’s insurance businesses are subject to inherent risks involving claims.”;

- 7.6 in the section entitled “Risk Factors – Factors that may affect the Issuer’s ability to fulfil its obligations under Securities issued” the wording which reads:

shall be deleted in its entirety and replaced with the following:

“As stated in the section entitled “General Information – Part A: General – Proposed Transfers”, certain disclosure relating to RBS has been incorporated by reference in this Base Prospectus as a result of the possibility that RBS may become the issuer as a result of a substitution of the Issuer in accordance with General Condition 8(a)(i). There is, however, no assurance that any such substitution will take place.”;

“The following does not address any tax consequences of the Proposed Transfers, regarding which Holders of Securities should seek their own professional advice. It also does not address any tax consequences relating to Securities issued or raised by RBS.

Any Security which is transferred under the Proposed Transfers pursuant to the Part VII Scheme shall be referred to in this section as a “**Part VII Scheme Security**”; and such Securities, “**Part VII Scheme Securities**”.

As noted above in the section entitled "Summary - Proposed transfer of activities", if the Final Terms for an issue of Securities indicate that RBS is not expected to become the issuer of those Securities as a result of the Part VII Scheme, the expectation is that RBS N.V. will remain the issuer of such Securities and that RBS will not become the issuer of such Securities pursuant to the Proposed Transfers generally. As such, the following does not address the tax treatment of Securities that have been transferred pursuant to the Proposed Transfers, other than to the extent stated in relation to Part VII Scheme Securities.”

shall be deleted in its entirety and replaced with the following:

“Save as expressly stated, the following does not address any tax consequences of any substitution of RBS as Issuer in place of RBS N.V. in respect of any Securities in accordance with General Condition 8(a)(i) (a “**Substitution**”), regarding which Holders of Securities

should seek their own professional advice. Holders and prospective Holders of Securities are also referred to the risk factor under the heading “The execution and/or any delay in the execution (or non-completion) of the approved proposed transfers of a substantial part of the business activities of RBS N.V. to RBS may have a material adverse effect on the Group and may also negatively impact the value of securities issued by RBS Holdings and RBS N.V.” which starts on page 5 of the registration document of RBS Holdings N.V. and RBS N.V. dated 31 August 2011 (which is incorporated by reference herein).

Any Security in respect of which RBS is substituted as Issuer in place of RBS N.V. pursuant to a Substitution shall be referred to in this section as a "**Substituted Security**"; and such Securities, "**Substituted Securities**". References in this section to “the Issuer” shall be to RBS N.V. as Issuer.

If Securities do not become Substituted Securities, the expectation is that RBS N.V. will remain the issuer of such Securities and that RBS will not otherwise become the issuer of such Securities pursuant to the Proposed Transfers generally. As such, the following does not address the tax treatment of Securities that have been transferred pursuant to the Proposed Transfers other than by way of a Substitution and does not address the tax treatment of Securities in the event that the Issuer is substituted otherwise than pursuant to a Substitution.”

- 7.8 in the section entitled “Taxation – 3. The Netherlands – Withholding Tax” the heading which reads:

“Securities issued by the Issuer otherwise than through the Issuer’s London branch and which are not Part VII Scheme Securities”

shall be deleted in its entirety and replaced with the following:

“Securities issued by the Issuer otherwise than through the Issuer’s London branch and which are not Substituted Securities”;

- 7.9 in the section entitled “Taxation – 3. The Netherlands – Withholding Tax” the heading which reads:

shall be deleted in its entirety and replaced with the following:

“The U.S. federal income tax considerations discussed below will continue to apply to Substituted Securities.”;

7.14 the section set out in Schedule 3 to this Supplement shall be inserted as the final paragraph in the section entitled “Taxation – 5. United States of America”;

7.15 in the section entitled “Taxation – 6. Switzerland”, the wording in the second paragraph in such section which reads:

shall be deleted in its entirety and replaced with the following:

“If RBS becomes the issuer of Securities as a result of a substitution of the Issuer in accordance with General Condition 8(a)(i), the following will continue to apply, provided that the terms and conditions of Securities are otherwise not changed. Although not free from doubt, a Substitution, on the basis of current Federal Tax Administration practice, is not expected to give rise to a charge to Swiss stamp tax, Swiss withholding tax, Swiss income tax for private investors in Switzerland or EU savings tax, for Holders of Substituted Securities.”;

7.16 in the section entitled “General Information – Part A: In Relation to RBS N.V. – Guarantee”, the wording which reads:

“Fitch Ratings Limited (“**Fitch**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “AA-”; senior notes issued by RBS N.V. with a maturity of less than one year “F1+”; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis. As defined by Fitch, an “AA” rating indicates that the Issuer has a very strong capacity for payment of its financial commitments on the relevant notes issued by it and that this capacity is not significantly vulnerable to foreseeable events. As defined by Fitch, an addition of a plus (+) or minus (-) sign denotes relative status within the major rating categories. As defined by Fitch, an “F1” rating indicates that the Issuer has the strongest capacity for timely payment of its financial commitments on the relevant notes issued by it. As defined by Fitch, an addition of a plus (+) to an “F1” rating denotes an exceptionally strong credit feature.”

shall be deleted in its entirety and replaced with the following:

“Fitch Ratings Limited (“**Fitch**”) is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more “A”; senior notes issued by RBS N.V. with a maturity of less than one year “F1”; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis. As defined by Fitch, an “A” rating indicates that the Issuer’s capacity for payment of financial commitments on the relevant notes issued by it is considered strong but that this capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. As defined by Fitch, an “F1” rating indicates that the Issuer has the strongest capacity for timely payment of its financial commitments on the relevant notes issued by it.”;

“Ratings

Moody’s is expected to rate: senior notes issued by RBS with a maturity of one year or more “A2”; senior notes issued by RBS with a maturity of less than one year “P-1”; and dated subordinated notes and undated tier 2 notes issued by RBS will be rated on a case-by-case basis.

As defined by Moody’s, an “A” rating means the capacity of the Issuer to meet its obligations on the relevant notes issued by it is considered to be upper-medium grade subject to low credit risk. As defined by Moody’s, the addition of a “2” indicates that the obligation ranks mid-range in its generic rating category.

Fitch is expected to rate: senior notes issued by RBS with a maturity of one year or more “A”; senior notes issued by RBS with a maturity of less than one year “F1”; and dated subordinated notes and undated tier 2 notes issued by RBS will be rated on a case-by-case basis.

As defined by Fitch, an “A” rating indicates that the Issuer has a strong capacity for payment of its financial commitments on the relevant notes issued by it. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. As defined by Fitch, an “F1” rating indicates that the Issuer has the strongest capacity for timely payment of its financial commitments on the relevant notes issued by it.

SCHEDULE 1

4. UNITED KINGDOM

The following applies only to persons who are the beneficial owners of the Securities and is a summary of the Issuer's understanding of current United Kingdom tax law as applied in England and Wales and United Kingdom HM Revenue & Customs ("HMRC") practice relating only to certain aspects of United Kingdom taxation. It does not deal with any other United Kingdom taxation implications of acquiring, holding, exercising, not exercising or disposing of Securities and should not be relied upon by Holders or prospective Holders of Securities. Some aspects do not apply to certain classes of persons (such as persons carrying on a trade of dealing in Securities and persons connected with the Issuer) to whom special rules may apply. The United Kingdom tax treatment of prospective Holders of Securities depends on their individual circumstances and may be subject to change in the future. The precise tax treatment of a Holder of Securities will depend for each issue on the terms of the Securities, as specified in the Conditions of the Securities as amended and supplemented by the applicable Final Terms. For United Kingdom tax purposes, the term "Security" or "Securities" refers to instruments of the type described in this Base Prospectus and is not intended to be determinative (or indicative) of the nature of the instrument for the purposes of United Kingdom taxation. Prospective Holders of Securities who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice. This summary is intended as general information only and each prospective Holder of Securities should consult a professional tax adviser with respect to the tax consequences of an investment in the Securities.

Withholding Tax

Securities issued by the Issuer otherwise than through the Issuer's London branch and which are not Substituted Securities

Payments on these Securities may generally be made without withholding on account of United Kingdom income tax.

Securities issued by the Issuer's London branch and Substituted Securities

Payments made in respect of these Securities may be made without deduction or withholding for or on account of United Kingdom income tax where such payments are not regarded as interest, manufactured payments or annual payments for United Kingdom tax purposes.

Even if such payments were to be regarded as interest, manufactured payments or annual payments for United Kingdom tax purposes, the Issuer or RBS, as applicable, should not be required to withhold or deduct sums for or on account of United Kingdom income tax from payments made in respect of the Securities provided that the payments are regarded as made under derivative contracts, the profits and losses arising from which are calculated in accordance with the provisions of Part 7 of the Corporation Tax Act 2009 (which broadly they should be provided that the payments are made under options, futures or contracts for differences for the purposes of Part 7 of

that Act, which are derivatives for the purposes of FRS25 (or International Accounting Standard 32) and are not excluded for the purposes of Part 7 of that Act by virtue of their underlying subject matter).

If interest is payable on the Securities or if payments made in respect of the Securities were to be regarded as interest for United Kingdom tax purposes, provided that the Issuer's London branch or RBS, as applicable, is and continues to be a bank within the meaning of section 991 of the Income Tax Act 2007 (the "ITA 2007"), such payments may be made without withholding or deduction for or on account of United Kingdom income tax where the interest is paid in the ordinary course of the Issuer's London branch's or RBS's business, as applicable, within the meaning of section 878 ITA 2007.

Payments of interest on or in respect of the Securities may also be made by the Issuer's London branch or RBS, as applicable, without deduction of or withholding for or on account of United Kingdom income tax if the Securities are and continue to be listed on a "recognised stock exchange", as defined in section 1005 of the ITA 2007. The NYSE Euronext Amsterdam is a recognised stock exchange. The Securities will therefore satisfy this requirement if they are (a) officially listed in the Netherlands in accordance with provisions corresponding to those generally applicable in EEA states and are admitted to trading on the NYSE Euronext Amsterdam, or (b) admitted to trading on another "recognised stock exchange" and officially listed in a country in which there is a "recognised stock exchange" in accordance with provisions corresponding to those generally applicable in EEA states. Provided, therefore, that the Securities are and remain so listed, interest on the Securities will be payable by the Issuer's London branch or RBS, as applicable, without withholding or deduction for or on account of United Kingdom income tax whether or not the Issuer's London branch or RBS, as applicable, carries on a banking business in the United Kingdom and whether or not the interest is paid in the ordinary course of its business.

Interest on or in respect of the Securities may also be paid without withholding or deduction for or on account of United Kingdom income tax where interest on or in respect of the Securities is paid by a company and, at the time the payment is made, the Issuer's London branch or RBS, as applicable, reasonably believes (and any person by or through whom interest on the Securities is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HMRC has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

Interest on or in respect of the Securities may also be paid without withholding or deduction for or on account of United Kingdom income tax where the maturity of the Securities is less than 365 days and those Securities do not form part of a scheme or arrangement of borrowing intended to be capable of remaining outstanding for more than 364 days.

In other cases, an amount must generally be withheld from payments by the Issuer's London branch or RBS, as applicable, of interest on or in respect of Securities, on account of United Kingdom income tax at the basic rate (currently 20 per cent.). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Holder of the Securities, HMRC can issue a notice to the Issuer's

London branch or RBS, as applicable, to pay interest to the Holder of the Securities without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty, as applicable).

Payments by the Guarantor

Any payments by the Guarantor in respect of interest on, or other amounts due under, Securities issued by the Issuer otherwise than through the Issuer's London branch and which are not Substituted Securities may generally be made without withholding on account of United Kingdom income tax.

Any payments by the Guarantor in respect of interest on, or other amounts due under, Securities issued by the Issuer's London branch or which are Substituted Securities (in each case, other than the repayment of amounts subscribed for the Securities) may be subject to United Kingdom withholding tax, subject to the availability of any exemptions or reliefs or to any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of any applicable double tax treaty.

Certain other United Kingdom Tax Considerations

Payments made in respect of Securities issued by the Issuer's London branch and (from the time of the Substitution) any Substituted Securities are generally expected to have a United Kingdom source. Accordingly, depending upon the category of the income, such payments may be chargeable to United Kingdom tax by direct assessment even where the Holder of Securities is not resident (or in the case of an individual, ordinarily resident) in the United Kingdom and does not hold their Securities for the purposes of, or receive such payments in connection with, a trade, profession or vocation carried on via a branch, agency or permanent establishment in the United Kingdom, although in practice HMRC may not seek to enforce any such liability in respect of such a Holder of Securities.

If Holders of Securities are liable to United Kingdom tax by way of direct assessment, Holders of Securities which are resident in a jurisdiction with an appropriate double taxation treaty with the United Kingdom may be entitled to claim exemption from direct assessment under the terms of that double taxation treaty.

Although not free from doubt, a Substitution is, on the basis of HMRC practice, not expected to give rise to a charge to United Kingdom tax on chargeable gains for Holders of Substituted Securities.

UK Information Gathering Powers

Holders of the Securities may wish to note that, in certain circumstances, HMRC has power to obtain information (including the name and address of the beneficial owner) from any person in the United Kingdom who either pays or credits interest (or amounts treated as interest) to or receives interest (or amounts treated as interest) for the benefit of a Holder of the Securities. HMRC also has power, in certain circumstances, to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Securities which are deeply discounted securities for the purposes of the Income Tax (Trading and Other Income) Act 2005 to or receives such amounts for the benefit of another person, although HMRC published practice indicates that HMRC will not exercise the power referred to above to require this information in respect of amounts payable on the redemption of deeply discounted securities where such amounts are paid on or before 5 April 2012. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information

obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities of the jurisdiction in which the Holder of the Securities is resident for tax purposes.

Stamp Taxes

For the purposes of the following paragraphs, “**Exempt Loan Capital**” means any security which constitutes loan capital (“**Loan Capital**”) for the purposes of section 78 of the Finance Act 1986 (“**FA 1986**”) and: (a) does not carry rights to acquire shares or securities (by way of exchange, conversion or otherwise); (b) has not carried and does not carry a right to interest the amount of which exceeds a reasonable commercial return on the nominal amount of the relevant security; (c) subject to certain exceptions has not carried and does not carry a right to interest the amount of which falls or has fallen to be determined to any extent by reference to the results of, or any part of, a business or to the value of any property; and (d) has not carried and does not carry a right to a premium which is not reasonably comparable with amounts payable on securities listed on the London Stock Exchange.

Stamp duty on the issue of Securities

Subject to the following paragraph, no stamp duty will generally be payable in relation to the issue of Securities, including where such Securities are issued into CREST and including where any Substitution involves an issue of Securities by RBS.

In relation to Securities issued in bearer form which are denominated in sterling and which are not Loan Capital a charge to United Kingdom stamp duty at 1.5 per cent. of the value of such Securities may arise, including where any Substitution involves an issue of Securities by RBS. No stamp duty liability will arise on the issue of such Securities by the Issuer if issued outside the United Kingdom. However, in relation to Securities of that kind originally issued by the Issuer outside the United Kingdom, on the first transfer by delivery in the United Kingdom of any such Security a stamp duty liability at 1.5 per cent. of the value of such Security may arise. Furthermore, an instrument issuing a Security which has the characteristics of an option or any instrument granting such a Security (including on any Substitution if this results the grant of an option by RBS) may technically be subject to United Kingdom stamp duty at a rate of up to 4 per cent. of the consideration for the Security (subject to the comments under the heading ‘*Payment of Stamp Duty*’, below).

Stamp duty on the transfer of Securities

Other than as described above, no United Kingdom stamp duty should be required to be paid on transfers of Securities on sale provided no instrument of transfer is used to complete such sales.

An instrument transferring a Security on sale of the Security may technically be subject to stamp duty at a rate of 0.5 per cent. of the consideration paid for the Securities if the Securities are not Exempt Loan Capital.

Payment of Stamp Duty

Even if an instrument is subject to United Kingdom stamp duty, there may be no practical necessity to pay that stamp duty, for example if the Security to which it relates is issued by the Issuer and is not registered on a register maintained in the United Kingdom, as United Kingdom stamp duty is not an assessable tax. However, an instrument which is not duly stamped cannot be registered or used for certain purposes in the United Kingdom; for

example it will be inadmissible in evidence in civil proceedings in a United Kingdom court. In the event that such an instrument is subject to United Kingdom stamp duty, and it becomes necessary to pay that stamp duty (for example because this is necessary in order to enforce the document in the United Kingdom), interest will be payable (in addition to the stamp duty) in respect of the period from 30 days after the date of execution of the instrument to the date of payment of the stamp duty. Penalties may also be payable if either (i) an instrument which was executed in the United Kingdom is not stamped within 30 days of being so executed or (ii) an instrument which was executed outside the United Kingdom is not stamped within 30 days of first being brought into the United Kingdom.

Stamp duty reserve tax (“SDRT”) on the issue or transfer of Securities to a Clearance Service

No SDRT should be payable in relation to the issue of a Security by the Issuer or the transfer of such a Security which is not a Substituted Security to any person providing a clearance service, or a nominee for any such person, within the meaning of section 96 FA 1986 (a “Clearance Service”), in each case, unless the Security is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire shares which are paired with shares issued by a body corporate incorporated in the United Kingdom.

Except where an election has been made under which the alternative system of charge as provided for in section 97A FA 1986 (a “s97A Election”) applies, SDRT at a rate of 1.5 per cent. may be payable in respect of a Security issued by the Issuer and which is not a Substituted Security on the issue or transfer of such a Security to a Clearance Service where it is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire shares which are paired with shares issued by a body corporate incorporated in the United Kingdom.

Except where a s97A Election applies in respect of that Security, SDRT at a rate of 1.5 per cent. may be payable on a Substitution (if such Substitution results in an issue of Securities by RBS to a Clearance Service), or on a subsequent transfer to a Clearance Service of Substituted Securities, in each case, if such Substituted Securities (a) constitute stock and/or loan capital for the purposes of section 99(3) FA 1986 and are not Exempt Loan Capital; or (b) are an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire stocks, shares or loan capital that are not Exempt Loan Capital.

The ECJ has found in C-569/07 HSBC Holdings plc and Vidacos Nominees Ltd v The Commissioners of Her Majesty’s Revenue & Customs (Case C-569/07) that the 1.5 per cent. charge is contrary to EU Community Law where shares are issued to a clearance service. HMRC has subsequently indicated that it will not levy the charge on shares issued to a clearance service within the EU. It is not clear the extent to which this decision applies to the Securities or the way in which any change in legislation or HMRC practice in response to this decision may alter the position outlined above.

SDRT on the issue of Securities into CREST

No SDRT will be payable in respect of the issue of Securities into CREST (including where any Substitution involves an issue of Securities by RBS into CREST), provided they are not issued to a Clearance Service or to a person issuing depository receipts.

SDRT on the transfer of Securities held within a Clearance Service

SDRT should generally not be payable in relation to an agreement to transfer a Security held within a Clearance Service provided that no s97A Election applies in respect of the Security.

SDRT on the transfer of Securities held outside a Clearance Service, held within CREST or held within a Clearance Service where a s97A Election applies in respect of the Security

In the case of Securities issued by the Issuer which are not Substituted Securities and which are held outside a Clearance Service (otherwise than within CREST, regarding which, see below) or held within a Clearance Service where a s97A Election applies in respect of the Security, no SDRT should be payable in relation to any agreement to transfer such a Security unless it is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire either: (i) stocks, shares or loan capital for the purposes of section 99(3) FA 1986 which are not Exempt Loan Capital and which are registered in a register kept in the United Kingdom; or (ii) shares which are paired with shares issued by a body corporate incorporated in the United Kingdom, unless (in either case) that Security is in bearer form.

In the case of Securities issued by the Issuer which are not Substituted Securities and which are held outside a Clearance Service (otherwise than within CREST, regarding which, see below) or held within a Clearance Service where a s97A Election applies in respect of the Security, SDRT should generally be payable in relation to any agreement to transfer such a Security where it is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire either: (i) stocks, shares or loan capital for the purposes of section 99(3) FA 1986 which are not Exempt Loan Capital and which are registered in a register kept in the United Kingdom; or (ii) shares which are paired with shares issued by a body corporate incorporated in the United Kingdom, unless (in either case) that Security is in bearer form. Any such SDRT would be payable at a rate of 0.5 per cent. of the consideration given under an agreement to transfer such Securities, unless the transfer is to a Clearance Service or to a person issuing depository receipts (or to an agent or nominee of such a person) where SDRT may be payable at a rate of 1.5 per cent.

Were a Security which is not a Substituted Security to be registered in a register kept in the United Kingdom, for example, because this was required for the purposes of CREST, SDRT may be payable in relation to the transfer of such a Security within CREST or any agreement to transfer such a Security at a rate of 0.5 per cent. of the consideration given in circumstances other than those described in the paragraphs above if the Security is not Exempt Loan Capital.

In the case of Substituted Securities held outside a Clearance Service, Substituted Securities held within CREST or Substituted Securities held within a Clearance Service where a s97A Election has been made which applies to the Substituted Securities, SDRT may be payable in relation to the transfer of such a Substituted Security within CREST or any agreement to transfer such a Substituted Security if such Substituted Security (a) constitutes stock and/or loan capital for the purposes of section 99(3) FA 1986 and is not Exempt Loan Capital; or (b) is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire stocks, shares or loan capital that are not Exempt Loan Capital. Any such SDRT would be payable at a rate of 0.5 per cent. of the consideration given under an agreement to transfer such Substituted Securities, unless the transfer is

to a Clearance Service or to a person issuing depositary receipts (or to an agent or nominee of such a person) where SDRT may be payable at a rate of 1.5 per cent.

Stamp duty and SDRT on the exercise or redemption of the Securities

Stamp duty and/or SDRT may also be payable in respect of an agreement to transfer, or on the transfer of, an asset where the terms of any Security contemplate physical settlement of the Security.

SCHEDULE 2

It is expected that the Proposed Transfers will be implemented on a phased basis over a period ending 31 December 2013. A large part of the Proposed Transfers (including the transfers of certain securities issued by RBS N.V.) is expected to have taken place by the end of 2012. Where available and practicable, statutory transfer schemes will be used to implement the Proposed Transfers. This includes a banking business transfer scheme in respect of eligible business carried on by RBS N.V. pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the “**Part VII Scheme**”). On 23 September 2011, RBS and RBS N.V. announced that the Court of Session in Scotland (the “**Court**”) had approved an order under Part VII of the UK Financial Services and Markets Act 2000 to sanction the Part VII Scheme. The Part VII Scheme, as approved by the Court, will take effect at 00:01hrs on 17 October 2011.

Certain disclosure relating to RBS has been incorporated by reference in this Base Prospectus as a result of the possibility that RBS may become the issuer of certain Securities as a result of a substitution of the Issuer in accordance with General Condition 8(a)(i). There is, however, no assurance that any such substitution will take place.

Accordingly, nothing in the Final Terms or this Base Prospectus should be taken as (or is) a representation that RBS will become, or RBS N.V. will remain, the issuer of any of the Securities. If prospective purchasers are in any doubt as to whether there is any tax or other impact on them as a result of the Proposed Transfers, they should discuss such matters with their advisers.

SCHEDULE 3

FATCA Withholding

On March 18, 2010, the Hiring Incentives to Restore Employment Act was enacted, containing provisions (“**FATCA**”) similar to a prior Congressional bill, the Foreign Account Tax Compliance Act of 2009. FATCA imposes a withholding tax of 30% on certain U.S. source payments and proceeds from the sale of certain assets that give rise to U.S. source payments, as well as a portion of certain payments by non-U.S. entities, to persons that fail to meet requirements under FATCA. This withholding tax may be imposed on (i) payments to the Issuer if it does not enter into and comply with an agreement with the IRS (an “**IRS Agreement**”) to obtain and report information about the holders of Securities, or (ii) a portion of payments to holders or beneficial owners of Securities, if the Issuer does enter into an IRS Agreement and is unable to obtain the necessary information from those holders or beneficial owners. Withholding would be imposed from (x) January 1, 2014 in respect of certain U.S. source payments made on or after that date, (y) January 1, 2015 in respect of proceeds from the sale of certain assets that give rise to U.S. source payments and (z) January 1, 2015, at the earliest, in respect of “passthru payments”. Withholding should not be required with respect to payments on Securities that are treated as debt for U.S. federal income tax purposes before January 1, 2015 and then only on such Securities issued after March 18, 2012.

The future application of FATCA to the Issuer and the holders of Securities is uncertain, and it is not clear at this time what actions, if any, will be required to minimize any adverse impact of FATCA on the Issuer and the holders of Securities.

If the Issuer or other relevant intermediary does enter into the IRS Agreement, and Securities are issued after March 18, 2012, then to the extent payments are not otherwise excluded from the FATCA regime, an investor that is not a financial institution may be required to provide the information described below or be subject to U.S. withholding tax on a portion of interest and principal on the Securities and the proceeds from their sale. Investors that (a) are financial institutions, or receive payments through a financial institution and (b) have not (or the relevant financial institution has not) entered an agreement with the IRS regarding compliance with (or otherwise established an exemption from) FATCA would also be subject to this U.S. withholding tax.

Each holder or beneficial owner of Securities may be required to provide satisfactory documentation (i) to establish that it is not a U.S. person and has no “substantial United States owners” (as defined in the Code), or (ii) if it is a U.S. person or a non-U.S. person that has substantial United States owners, that indicates the name, address and U.S. taxpayer identification number for each such U.S. person or owner. Each holder or beneficial owner of Securities that is required to provide such information and fails to do so will generally be subject to a U.S. withholding tax on any payments made to that person. A holder or beneficial owner of Securities who fails to provide the necessary information due to a non-U.S. law prohibiting the provision of this information must execute a valid waiver of the relevant non-U.S. law or dispose of the Securities or its interest therein within a reasonable time.

Furthermore, it is uncertain at this time how the reporting mechanism will operate. In particular, certain changes will likely have to occur with the operation of DTC, Euroclear, Clearstream, Luxembourg and other similar clearing systems. In particular, at this time it is not entirely clear whether the reporting obligations will apply to the Issuer, the relevant clearing system or the financial institution with which the beneficial owner has an account.

FATCA is particularly complex and its application to the Issuer is uncertain at this time. Each holder of Securities should consult its own tax advisor to obtain a more detailed explanation of FATCA and to learn how it might affect such holder in its particular circumstance.

The Final Report makes a number of recommendations, including in relation to (i) the implementation of a ring-fence of retail banking operations, (ii) loss-absorbency (including bail-in) and (iii) competition. SCHEDULE

- The Group is reliant on the RBSG Group.

Prospective investors should note that the Group is subject to certain risks specific to the RBSG Group including, without limitation, instability in the global financial markets, lack of liquidity, depressed asset valuations, geopolitical conditions, full nationalisation and other resolution procedures under the Banking Act 2009 and risks related to the entry into the asset protection scheme.

- The Group's businesses and performance can be negatively affected by actual or perceived global economic and financial market conditions and by other geopolitical risks.

- The execution and/or any delay in the execution (or non-completion) of the approved proposed transfers of a substantial part of the business activities of RBS N.V. to RBS may have a material adverse effect on the Group and may also negatively impact the value of securities issued by RBS Holdings and RBS N.V..
- Lack of liquidity is a risk to the Group's business and there is a risk that the Group's ability to access sources of liquidity and funding could become constrained.
- The financial performance of the Group has been materially affected by deteriorations in borrower and counterparty credit quality and it may continue to be impacted by any further deteriorations, including as a result of prevailing economic and market conditions, and legal and regulatory developments.
- The Group's earnings and financial condition have been, and its future earnings and financial condition may continue to be, materially affected by depressed asset valuations resulting from poor market conditions.
- Changes in interest rates, foreign exchange rates, credit spreads, bond, equity and commodity prices, basis, volatility and correlation risks and other market factors have significantly affected and will continue to affect the Group's business and results of operations.

- Each of the Group's businesses is subject to substantial regulation and oversight. Significant regulatory developments, including changes in tax law, could have an adverse effect on how the Group conducts its business and on its results of operations and financial condition.
- The Group is and may be subject to litigation and regulatory investigations that may impact its business.
- The Group may be required to make further contributions to its pension schemes if the value of pension fund assets is not sufficient to cover potential obligations.
- The Group is subject to enforcement risks relating to the United States Department of Justice's criminal investigation of its dollar clearing activities.
- The legal demerger of ABN AMRO Bank N.V. (as it was then named) has resulted in a cross liability that changes the legal recourse available to investors.
- Operational risks are inherent in the Group's businesses.
- The Group's operations have inherent reputational risk.
- The recoverability and regulatory capital treatment of certain deferred tax assets recognised by the Group depends on the Group's ability to generate sufficient future taxable profits and there being no adverse changes to tax legislation, regulatory requirements or accounting standards.
- Risks relating to the Asset Protection Scheme and the Contracts.
- The extensive governance, asset management and information requirements under the Scheme Conditions, which the Group is required to comply with, or to ensure that RBS can comply with, pursuant to the Contracts may have an adverse impact on the Group. In addition, any changes or modifications to the Scheme Conditions may have a negative impact on the expected benefits of the Contracts and may have an adverse impact on the Group.
- Any changes to the expected regulatory capital treatment of the Contracts may negatively impact the Group's capital position.
- Fulfilling the disclosure obligations of the Group under the Contracts may give rise to litigation and regulatory risk.

- The RBSG Group's operations have inherent reputational risk.
- In the United Kingdom and in other jurisdictions, the RBSG Group is responsible for contributing to compensation schemes in respect of banks and other authorised financial services firms that are unable to meet their obligations to customers.
- The recoverability and regulatory capital treatment of certain deferred tax assets recognised by the RBSG Group depends on the RBSG Group's ability to generate sufficient future taxable profits and there being no adverse changes to tax legislation, regulatory requirements or accounting standards.
- The RBSG Group's participation in the asset protection scheme is costly and may not produce the regulatory capital benefits expected and the occurrence of associated risks may have a material adverse impact on the RBSG Group's business, capital position, financial condition and results of operations.
- The extensive governance, asset management and information requirements under the scheme conditions and any changes or modifications to the scheme conditions may have a negative impact on the expected benefits of the asset protection scheme and may have an adverse impact on the RBSG Group.
- Any changes to the expected regulatory capital treatment of the asset protection scheme, the B shares and the contingent B shares may negatively impact the RBSG Group's capital position.
- The costs of the asset protection scheme may be greater than the benefits received by the RBSG Group and the fair value of the asset protection scheme can impact the RBSG Group's results of operations.
- Participation in the asset protection scheme may result in greater tax liabilities for the RBSG Group and the loss of potential tax benefits.
- Participation in the asset protection scheme may give rise to litigation and regulatory risk.

- RBS has entered into a credit derivative and a financial guarantee contract with RBS N.V. which may adversely affect RBS and its subsidiaries (the **RBS Group**)’s results.
- If the RBSG Group is unable to issue the contingent B shares to HM Treasury, it may have a material adverse impact on the RBSG Group’s capital position, liquidity, operating results and future prospects.

FIRST SUPPLEMENT TO THE BASE PROSPECTUS IN RESPECT OF THE LAUNCHPAD PROGRAMME FOR THE ISSUANCE OF REVERSE EXCHANGEABLE SECURITIES DATED 22 JULY 2011

THE ROYAL BANK OF SCOTLAND N.V.

(Registered at Amsterdam, The Netherlands)

(the **Issuer** or **RBS N.V.**)

RBS LaunchPAD Programme

(the **Programme**)

- 1 This Supplement dated 22 July 2011 (this **Supplement**) constitutes the first supplement to the base prospectus dated 1 July 2011 in relation to the Issuer's LaunchPAD Programme for the Issuance of Reverse Exchangeable Securities approved by the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the **AFM**) on 1 July 2011 (the **Base Prospectus**).
- 2 The Base Prospectus was approved as a base prospectus pursuant to Directive 2003/71/EC (the **Prospectus Directive**) by the AFM. This Supplement constitutes a supplemental prospectus to the Base Prospectus for the purposes of Article 5:23 of the Financial Supervision Act (*Wet op het financieel toezicht*).
- 3 This Supplement is supplemental to, and should be read in conjunction with, the Base Prospectus and any other supplements thereto issued by the Issuer.
- 4 In accordance with Article 5:23(6) of the Financial Supervision Act (*Wet op het financieel toezicht*), investors who have agreed to purchase or subscribe for securities issued under the Base Prospectus before this Supplement is published have the right, exercisable before the end of the period of two working days beginning with the working day after the date on which this Supplement was published, to withdraw their acceptances.
- 5 The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.
- 6 On 19 April 2011, the boards of The Royal Bank of Scotland Group plc, The Royal Bank of Scotland plc (**RBS**), RBS Holdings N.V. and RBS N.V. approved the proposed transfers of a substantial part of the

activities of RBS N.V. to RBS, subject, among other things, to regulatory and other approvals, further tax analysis and due diligence in respect of the assets and liabilities to be transferred and employee consultation procedures (the **Proposed Transfers**). It is expected that the Proposed Transfers will be implemented on a phased basis over a period ending on 31 December 2013. A large part of the Proposed Transfers (including of certain debt securities issued by RBS N.V.) is expected to have taken place by the end of 2012. It was disclosed in the Base Prospectus that the Proposed Transfers would include a banking business transfer scheme in respect of eligible business carried on by RBS N.V. pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the **Part VII Scheme**).

- 7 On 21 July 2011, RBS and RBS N.V. announced details of the RBS N.V. securities in respect of which RBS is expected to become the issuer as a result of the Part VII Scheme. As disclosed in the Base Prospectus RBS N.V. will now be including provisions in the Final Terms for new issues of Securities under the Programme to indicate whether or not RBS is expected to become the issuer of those Securities as a result of the Part VII Scheme (subject to the relevant Securities not having been exercised, redeemed or repurchased and cancelled prior to the implementation of the Part VII Scheme). If the Final Terms for an issue of Securities indicate that RBS is not expected to become the issuer of those Securities as a result of the Part VII Scheme, the expectation is that RBS N.V. will remain the issuer of such Securities and that RBS will not become the issuer of such Securities pursuant to the Proposed Transfers generally.
- 8 On 22 July 2011, RBS and RBS N.V. announced that they presented a petition to the Court of Session in Scotland (the **Court**) on 21 July 2011 for an order under Part VII of the UK Financial Services and Markets Act 2000 to sanction the Part VII Scheme. Subject to regulatory approval and provided the Court makes an order sanctioning the Part VII Scheme, it is expected that the Part VII Scheme will become effective on 17 October 2011 or such other date as RBS and RBS N.V. may agree in writing. The boards of RBS and RBS N.V. also announced on 22 July 2011 (i) the proposed amendments to be made to the terms of securities in respect of which RBS is expected to become the issuer as a result of the Part VII Scheme (the **Part VII Securities**) and to agreements RBS N.V. has entered into related to such securities in order to give effect to the Part VII Scheme and, amongst other matters, to mitigate certain potential adverse effects on holders of securities of RBS N.V. and (ii) certain restrictions which are proposed to be placed on RBS in relation to the Part VII Securities. For further information see the Press Release which is referred to in paragraph 9 below.
- 9 By virtue of this Supplement the press release entitled “Details of Part VII Scheme – Securities issued by, and guarantees granted by, RBS N.V.” published by the Issuer on 22 July 2011 (the **Press Release**) shall be incorporated into, and form part of, the Base Prospectus.
- 10 Any information or other documents themselves incorporated by reference, either expressly or implicitly, in the Press Release shall not be incorporated by reference into the Base Prospectus by virtue of this Supplement, except where such information or other documents are specifically incorporated by reference into the Base Prospectus. In addition, where sections of any of the documents referred to in this paragraph 10 which are incorporated by reference into the Base Prospectus by virtue of this Supplement cross-reference other sections of the same document which are not so incorporated, such cross-referenced information shall not form part of the Base Prospectus, unless otherwise incorporated by reference into the Base Prospectus.

or incorporated by reference in the Base Prospectus or any previous supplement to the Base Prospectus, the statements referred to in (a) above will prevail.

The Group had total assets of €200.4 billion and owner’s equity of €4.95 billion as at 31 December 2010. RBS Holdings and RBS N.V. form part of the RBSG Group. RBSG is the holding company of a large global banking and financial services group. Headquartered in Edinburgh, the RBSG Group operates in the United Kingdom, the United States and internationally through its three principal subsidiaries, RBS, National Westminster Bank Public Limited Company (“**NatWest**”) and RBS N.V. Both RBS and NatWest are major United Kingdom clearing banks. In the United States, the RBSG Group’s subsidiary Citizens is a large commercial banking organisation. Globally, the Group has a diversified customer base and provides a wide range of products and services to personal, commercial and large corporate and institutional customers.

capital ratio of 10.7 per cent. and a Tier 1 capital ratio of 12.9 per cent.

Group Organisational Structure:

The Group comprises of the following four segments:

- **Global Banking & Markets (“GBM”):** The GBM segment represents the business providing an extensive range of debt and equity financing, risk management and investment services as a leading banking partner to major corporations and financial institutions around the world. The GBM business within the Group is organised along four principal business lines: Global Lending, Equities, Short Term Markets & Funding and Local Markets.
- **Global Transaction Services (“GTS”):** GTS provides global transaction services, offering Global Trade Finance, Transaction Banking and International Cash Management.
- **Central Items:** The Central Items segment includes group and corporate functions, such as treasury, capital management and finance, risk management, legal, communications and human resources. Central Items manages the Group’s capital resources, statutory and regulatory obligations and provides services to the branch network.
- **Non-Core Segment:** The Non-Core segment contains a range of businesses and asset portfolios managed separately that the Group intends to run off or dispose of, in line with the RBSG Group strategy for Non-Core assets. It also includes the remaining assets and liabilities in RBS N.V. that have not yet been sold, wound down or alternatively transferred by the Consortium Members (as defined below), in which each of the Consortium Members has a joint and indirect

interest.

Global Banking & Markets, Global Transaction Services and Central Items comprise the Group's Core segments.

These RBS N.V. businesses are part of global business units of the RBSG Group that operate across multiple legal entities. The strategy of RBS N.V. is part of the overall business strategy of the RBSG Group. RBS Holdings has been restructured into Core and Non-Core components. The RBSG Group expects to substantially run down or dispose of the businesses, assets and portfolios within the Non-Core division by 2013 and has completed the sale of businesses in Latin America, Asia, Europe and the Middle East.

Separation from the ABN AMRO Group:

On 17 October 2007, RFS Holdings B.V., ("**RFS Holdings**"), which at the time was owned by RBSG, Fortis N.V., Fortis S.A./N.V., Fortis Bank Nederland (Holding) N.V. and Banco Santander, S.A. ("**Santander**"), completed the acquisition of ABN AMRO Holding N.V., which was renamed RBS Holdings N.V. on 1 April 2010 when the shares in ABN AMRO Bank N.V. were transferred to ABN AMRO Group N.V., a holding company for the interests of the State of The Netherlands (the "**Dutch State**"). This marked a substantial completion of the restructuring of the activities of ABN AMRO Holding N.V. in accordance with the agreement between RBSG, the Dutch State and Santander (the "**Consortium Members**"). RBS Holdings has one direct subsidiary, RBS N.V., a fully operational bank within the Group, which is independently rated and regulated by the Dutch Central Bank.

On 31 December 2010, the share capital of RFS Holdings was amended, such that approximately 98 per cent. of RFS Holdings' issued share capital is now held by RBSG, with the remainder being held by Santander and the Dutch State. Ultimately it is expected that RFS Holdings will

become a wholly-owned subsidiary of RBSG.

Proposed transfer of activities:

On 19 April 2011, the Boards of RBSG, RBS, RBS Holdings and RBS N.V. announced that they had approved the proposed transfers of a substantial part of the business activities of RBS N.V. to RBS (the “**Proposed Transfers**”), subject, amongst other matters, to regulatory and other approvals, further tax and other analysis in respect of the assets and liabilities to be transferred and employee consultation procedures.

It was also announced that it was expected that the Proposed Transfers would be implemented on a phased basis over a period ending 31 December 2013 and that a large part of the Proposed Transfers (including the transfers of certain securities issued by RBS N.V.) was expected to have taken place by the end of 2012. Where available and practicable, statutory transfer schemes will be used to implement the Proposed Transfers. Subject to internal approvals, it is expected that these will include a banking business transfer scheme in respect of eligible business carried on by RBS N.V. pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the “**Part VII Scheme**”). Implementation of the Part VII Scheme will be subject (amongst other matters) to court and regulatory approval. In due course, it is expected that details will be announced of the RBS N.V. securities in respect of which RBS is expected to become the issuer as a result of the Part VII Scheme. From on or around the date of such announcement, RBS N.V. will include provisions in the Final Terms for new issues of Securities under the Programme to indicate whether or not RBS is expected to become the issuer of those Securities as a result of the Part VII Scheme (subject to the relevant Securities not having been exercised, redeemed or repurchased and cancelled prior to the implementation of the Part VII Scheme). In advance of that, certain disclosure relating to RBS has been incorporated by reference in this Base Prospectus. If

the Final Terms for an issue of Securities indicate that RBS is not expected to become the issuer of those Securities as a result of the Part VII Scheme, the expectation is that RBS N.V. will remain the issuer of such Securities and that RBS will not become the issuer of such Securities pursuant to the Proposed Transfers generally.

Risk Factors:

Risks Relating to the Issuer

PART A: In relation to RBS N.V.

Certain factors may affect RBS N.V.'s ability as Issuer to fulfil its obligations under the Securities, including:

- The Group is reliant on the RBSG Group.
- The Group's businesses, earnings and financial condition have been and will continue to be affected by the global economy and instability in the global financial markets.
- An extensive restructuring and balance sheet reduction programme of the RBSG Group is ongoing. In particular, on 19 April 2011, the boards of RBSG, RBS, RBS Holdings and RBS N.V. approved the proposed transfers of a substantial part of the business activities of RBS N.V. to RBS. Such restructuring and balance sheet reduction programme may adversely affect the Group's business, results of operations, financial condition, capital ratios and liquidity and may also negatively impact the value of the Securities.
- Lack of liquidity is a risk to the Group's business and its ability to access sources of liquidity has been, and will continue to be, constrained.
- The financial performance of the Group has been materially affected by deteriorations in borrower credit quality and it may continue to be impacted by any further deteriorations including as a result of prevailing economic and market conditions, and legal

and regulatory developments.

- The actual or perceived failure or worsening credit of the Group's counterparties has adversely affected and could continue to adversely affect the Group.
- The Group's earnings and financial condition have been, and its future earnings and financial condition may continue to be, materially affected by depressed asset valuations resulting from poor market conditions.
- Changes in interest rates, foreign exchange rates, credit spreads, bond, equity and commodity prices, basis, volatility and correlation risks and other market factors have significantly affected and will continue to affect the Group's business and results of operations.
- The Group's borrowing costs, its access to the debt capital markets and its liquidity depend significantly on its credit ratings.
- The Group's business performance could be adversely affected if its capital is not managed effectively or as a result of changes to capital adequacy and liquidity requirements.
- The value of certain financial instruments recorded at fair value is determined using financial models incorporating assumptions, judgements and estimates that may change over time or may ultimately not turn out to be accurate.
- The Group operates in markets that are highly competitive and consolidating. If the Group is unable to perform effectively, its business and results of operations will be adversely affected.
- As a condition to the RBSG Group receiving HM Treasury support, the Group is prohibited from making discretionary coupon payments on, and exercising call options in relation to, certain of its existing hybrid

capital instruments, which may impair the Group's ability to raise new capital through the issuance of Securities.

- The Group could fail to attract or retain senior management, which may include members of the Group's Supervisory Board and Managing Board, or other key employees, and it may suffer if it does not maintain good employee relations.
- Each of the Group's businesses is subject to substantial regulation and oversight. Significant regulatory developments could have an adverse effect on how the Group conducts its business and on its results of operations and financial condition.
- The Group is and may be subject to litigation and regulatory investigations that may impact its business.
- The Group may be required to make further contributions to its pension schemes if the value of pension fund assets is not sufficient to cover potential obligations.
- The Group is subject to enforcement risks relating to the United States Department of Justice's criminal investigation of its dollar clearing activities.
- The legal demerger of ABN AMRO Bank N.V. (as it was then named) has resulted in a cross liability that changes the legal recourse available to investors.
- Operational risks are inherent in the Group's operations.
- The Group is exposed to the risk of changes in tax legislation and its interpretation and to increases in the rate of corporate and other taxes in the jurisdictions in which it operates.
- The Group's operations have inherent reputational risk.

- The Group's business and earnings may be adversely affected by geopolitical conditions.
- The recoverability and regulatory capital treatment of certain deferred tax assets recognised by the Group depends on the Group's ability to generate sufficient future taxable profits and there being no adverse changes to tax legislation, regulatory requirements or accounting standards.
- In addition to the risk factors described above, the Group is also subject to additional risks related to the entry by RBSG Group into the asset protection scheme and the two back to back contracts entered into by RBS in connection with certain assets and exposures of RBS N.V. and its wholly owned subsidiaries.

PART B: In relation to RBS

If RBS becomes the issuer of Securities as a result of the Part VII Scheme (as described above), then certain factors may affect RBS' ability to fulfil its obligations under the Securities, including:

- RBSG and its United Kingdom bank subsidiaries may face the risk of full nationalisation or other resolution procedures under the Banking Act 2009.
- The RBSG Group's businesses, earnings and financial condition have been and will continue to be affected by the global economy and instability in the global financial markets.
- The RBSG Group is subject to a variety of risks as a result of implementing the State Aid restructuring plan and is prohibited from making discretionary dividend or coupon payments on existing hybrid capital instruments (including preference shares and B Shares) which may impair the RBSG Group's ability to raise new Tier 1 capital.

- The RBSG Group's ability to implement its strategic plan depends on the success of the RBSG Group's refocus on its core strengths and its balance sheet reduction programme.
- Lack of liquidity is a risk to the RBSG Group's business and its ability to access sources of liquidity has been, and will continue to be, constrained.
- The financial performance of the RBSG Group has been materially affected by deteriorations in borrower credit quality and it may continue to be impacted by any further deteriorations including as a result of prevailing economic and market conditions, and legal and regulatory developments.
- The actual or perceived failure or worsening credit of the RBSG Group's counterparties has adversely affected and could continue to adversely affect the RBSG Group.
- The RBSG Group's earnings and financial condition have been, and its future earnings and financial condition may continue to be, materially affected by depressed asset valuations resulting from poor market conditions.
- The value or effectiveness of any credit protection that the RBSG Group has purchased from monoline and other insurers and other market counterparties (including credit derivative product companies) depends on the value of the underlying assets and the financial condition of the insurers and such counterparties.
- Changes in interest rates, foreign exchange rates, credit spreads, bond, equity and commodity prices, basis, volatility and correlation risks and other market factors have significantly affected and will continue to affect the RBSG Group's business and results of

operations.

- The RBSG Group's borrowing costs, its access to the debt capital markets and its liquidity depend significantly on its and the United Kingdom Government's credit ratings.
- The RBSG Group's business performance could be adversely affected if its capital is not managed effectively or as a result of changes to capital adequacy and liquidity requirements.
- The value of certain financial instruments recorded at fair value is determined using financial models incorporating assumptions, judgements and estimates that may change over time or may ultimately not turn out to be accurate.
- The RBSG Group operates in markets that are highly competitive and consolidating. If the RBSG Group is unable to perform effectively, its business and results of operations will be adversely affected.
- The RBSG Group could fail to attract or retain senior management, which may include members of the Board, or other key employees, and it may suffer if it does not maintain good employee relations.
- Each of the RBSG Group's businesses is subject to substantial regulation and oversight. Significant regulatory developments could have an adverse effect on how the RBSG Group conducts its business and on its results of operations and financial condition.
- The RBSG Group is and may be subject to litigation and regulatory investigations that may impact its business.
- The RBSG Group's results have been and could be further materially adversely affected in the event of goodwill impairment.

- The RBSG Group may be required to make further contributions to its pension schemes if the value of pension fund assets is not sufficient to cover potential obligations.
- Operational risks are inherent in the RBSG Group's operations.
- The RBSG Group is exposed to the risk of changes in tax legislation and its interpretation and to increases in the rate of corporate and other taxes in the jurisdictions in which it operates.
- HM Treasury (or UK Financial Investments Limited on its behalf) may be able to exercise a significant degree of influence over the RBSG Group.
- The offer or sale by the United Kingdom Government of all or a portion of its stake in RBSG could affect the market price of the Securities and related securities.
- The RBSG Group's operations have inherent reputational risk.
- In the United Kingdom and in other jurisdictions, the RBSG Group is responsible for contributing to compensation schemes in respect of banks and other authorised financial services firms that are unable to meet their obligations to customers.
- The RBSG Group's business and earnings may be adversely affected by geopolitical conditions.
- The restructuring plan for RBS Holdings is complex and may not realise the anticipated benefits for the RBSG Group.
- The recoverability and regulatory capital treatment of certain deferred tax assets recognised by the RBSG Group depends on the RBSG Group's ability to generate sufficient future taxable profits and there being no adverse changes to tax legislation, regulatory

requirements or accounting standards.

- RBS has entered into a credit derivative and a financial guarantee contract with RBS N.V. which may adversely affect the results of RBS and its subsidiaries (consolidated in accordance with International Financial Reporting Standards) (the “**RBS Group**”).
- The RBSG Group’s participation in the Asset Protection Scheme (“APS”) is costly and may not produce the benefits expected and the occurrence of associated risks may have a material adverse impact on the RBSG Group’s business, capital position, financial condition and results of operations.
- If the RBSG Group is unable to issue the Contingent B Shares to HM Treasury, it may have a material adverse impact on the RBSG Group’s capital position, liquidity, operating results and future prospects.
- There are limits on APS coverage and uncovered exposures and risks may have a material adverse impact on the RBSG Group’s business, financial condition, capital position, liquidity and results of operations.
- The extensive governance, asset management and information requirements under the Scheme Conditions and any changes or modifications to the Scheme Conditions may have a negative impact on the expected benefits of the contracts and may have an adverse impact on the RBSG Group.
- Any changes to the expected regulatory capital treatment of the APS, the B Shares and the Contingent B Shares may negatively impact the RBSG Group’s capital position.
- The costs of the APS may be greater than the benefits received.

- Participation in the APS may result in greater tax liabilities for the RBSG Group and the loss of potential tax benefits.
- There are significant costs associated with termination of the RBSG Group's participation in the APS.
- Under certain circumstances, the RBSG Group cannot be assured that assets of RBS Holdings (and certain other entities) will continue to be covered under the APS, either as a result of a withdrawal of such assets or as a result of a breach of the relevant obligations.
- Any conversion of the B Shares, in combination with any future purchase by HM Treasury of Ordinary Shares, would increase HM Treasury's ownership interest in RBSG, and could result in the delisting of RBSG from the Official List.
- Participation in the APS may give rise to litigation and regulatory risk.

Risks Relating to the Securities

Certain factors represent risks inherent in investing in the Securities issued, including:

- The Securities are reverse exchangeable securities which expose the investor to the risk of the Underlying and investors may lose their entire investment if the Underlying is valued at zero. The Securities cannot be held beyond their stated maturity date and if sold prior to maturity or expiration, the price may be at a potentially substantial discount to the market value of the Securities at the issue date.
- The Securities may not be a suitable investment for all investors and each potential investor must determine the suitability in light of its own circumstances. Some Securities are complex financial instruments and a potential investor should not invest in such Securities

unless it has the relevant expertise.

- Several factors will influence the value of the Securities and many of which are beyond the Issuer's control. Such factors include changes in the value of the Underlying, interest rate risk with respect to the currency of denomination of the Underlying and/or the Securities, the volatility of the Underlying, fluctuations in the rates of exchange or value of currencies relating to the Securities and/or the Underlying, restrictions on the exchangeability of currencies relating to the Securities and/or the Underlying, disruptions affecting the value or settlement of the Securities and/or the Underlying and the creditworthiness of the Issuer.
- There may not be a secondary market in the Securities. As a consequence, liquidity in the Securities should be considered as a risk. In the event that such a secondary market does not develop, an investor selling the Securities is unlikely to be able to sell its Securities or at prices that will provide him with a yield comparable to similar investments that have developed a secondary market.
- As part of its issuing, market making and/or trading arrangements, the Issuer may issue more Securities than those which are to be subscribed or purchased by third-party investors. The issue size is therefore not indicative of the depth or liquidity of the market or of the demand for such Series of Securities.
- The Securities may not be a perfect hedge to an Underlying nor may it be possible to liquidate the Securities at a level which directly reflects the price of the Underlying.
- The Issuer and/or its affiliates may enter into transactions or carry out other activities in relation to

the Underlying which may affect the market price, liquidity or value of the Underlying and/or the Securities in a way which could be adverse to the interests of each holder of the Securities (each, a “**Holder**” and together, the “**Holders**”).

- The Issuer’s hedge position (if any) in the jurisdiction of the relevant Underlying could be impacted by foreign exchange control restrictions. In certain circumstances, including the insolvency of the hedging counterparty or the unenforceability of the associated hedging transaction (if any), the investor may lose some or all of its investment.
- The Securities convey no interest in the Underlying to the investors. The Issuer may choose not to hold the Underlying or any derivative contracts linked to the Underlying.
- The Calculation Agent is the agent of the Issuer and not the Holders. The Calculation Agent may make adjustments as a result of certain corporate actions affecting the Underlying. In making such adjustments, the Calculation Agent is entitled to exercise substantial discretion and may be subject to conflicts of interest.
- There may be a delay between the time of exercise of any option under the Securities and the determination of the amount payable following such exercise or the time of physical settlement following such exercise. Such delay may increase or decrease the return from the Securities.
- Securities not exercised in accordance with the Conditions will (where exercise is required) expire worthless.
- Taxes may be payable by purchasers and sellers of the Securities and tax regulations and their application may change from time to time.

- If payments on the Securities are or become subject to a withholding or deduction required by law, none of the Issuer, the Principal Agent nor any other person shall pay any additional amounts to the Holders in respect of such withholding or deduction.
- The Issuer may elect to terminate the Securities early should U.S. withholding tax apply to any current or future payments on the Security.
- The Issuer may terminate the Securities early if it determines that the performance of its obligations under the Securities or that maintaining its hedging arrangement (if any) is no longer legal or practical in whole or in part for any reason.
- Where the Securities are held in global or dematerialised form by or on behalf of a clearing system, the Issuer and any Agent shall treat the bearer of the Securities or the relevant clearing system as the sole holder of such Securities. Holders must look to the relevant clearing system in respect of payments made in respect of such Securities.
- Where an investor uses a nominee service provider or holds interests in Securities through accounts with a clearing system, such investor will receive payments in respect of the Securities solely on the basis of the arrangements with such third party and is exposed to the credit risk and default risk of such third party.
- An investor's total return on an investment in any Securities will be affected by the level of fees charged by any nominee service provider or clearing system used by the investor.
- No assurance can be given as to the impact of any possible change to English law or administrative practice. English law may be materially different from the equivalent law in the home jurisdiction of

prospective investors.

- Credit ratings assigned to the Securities may not reflect the potential impact of all the risks that may affect the value of the Securities.
- The investment activities of investors may be restricted by legal investment laws and regulations, or by the review or regulation by certain authorities.
- The Issuer may make modifications to the Securities without the consent of the Holders which may affect the Holders' interest for the purpose of curing an error or ambiguity, substituting itself as debtor or in any other manner which is not materially prejudicial to the interests of the Holders.

Guarantor:	RBS Holdings pursuant to its declaration under Article 2:403 of the Netherlands Civil Code.
Principal Agent and Calculation Agent:	RBS N.V., acting through its London branch at 250 Bishopsgate, London EC2M 4AA.
Listing and Admission to Trading:	Application will be made to NYSE Euronext or any other stock exchange or market specified in the Final Terms for Securities to be admitted to trading and listed on Euronext Amsterdam by NYSE Euronext or any other stock exchange or market specified in the Final Terms up to the expiry of 12 months from the date of this Base Prospectus. The Issuer may also issue unlisted Securities.
Description of the Securities:	A range of reverse exchangeable securities may be issued under this Base Prospectus. The terms and conditions (the “ Conditions ”) applicable to such reverse exchangeable securities are contained in the General Conditions which are applicable to all reverse exchangeable securities, the Product Conditions applicable to the particular type of reverse exchangeable security being issued and the Final Terms applicable to the particular Series being issued.

Reverse Exchangeable Securities:

Reverse exchangeable securities may be interest bearing or non-interest bearing investment instruments which, at maturity, at the option of the Issuer, if so specified, or in accordance with the redemption formula will, either (i) pay a cash amount linked to the nominal amount of the relevant reverse exchangeable security, less certain expenses (the “**Cash Amount**”); or (ii) pay a cash amount linked to the value of the underlying stock, certificate, commodity, commodity future, fund, index (including in the case of an index, the index and its constituent elements), basket or other product (together, the “**Underlying**”); or (iii) deliver the Underlying, in each case, subject to the terms of the relevant reverse exchangeable security. The types of reverse exchangeable securities that may be issued under this Base Prospectus are described below.

Worst of Basket Reverse Exchangeable Securities:

Worst of basket reverse exchangeable securities are interest bearing securities similar to those described above in “Reverse Exchangeable Securities” save that they are linked to a basket of single stocks, to be redeemed at the option of the Issuer on the relevant settlement date, as specified in the applicable Final Terms, either (i) by payment of the Cash Amount; or (ii) by physical delivery of a number of the least performing share, as determined by the Calculation Agent, comprised in the basket of shares, as specified in the applicable Final Terms.

Knock-in Reverse Exchangeable Securities:

Knock-in reverse exchangeable securities may have a range of different Underlyings, each as described above in “Reverse Exchangeable Securities” and are interest bearing securities, which may be redeemed on the relevant maturity date, at the option of the Issuer, if so specified, or as otherwise specified in the applicable Final Terms, either by (I) payment of the Cash Amount if a knock-in event has not occurred (such event occurs, unless otherwise specified in the relevant Final Terms, if the price of the relevant Underlying specified in the applicable Final

Terms is less than or equal to the knock-in level, being a predetermined level, during a particular period); or (II) where a knock-in event has occurred, either by (i) payment of the Cash Amount; or (ii) the physical delivery of the relevant number of shares, if so specified in the applicable Final Terms; or (iii) an amount linked to the value of the Underlying, as specified in the applicable Final Terms.

Knock-out Reverse Exchangeable Securities:

Knock-out reverse exchangeable securities are similar to knock-in reverse exchangeable securities, the difference being that if a knock-out event has occurred the securities will be redeemed by payment of the Cash Amount. If a knock-out event has not occurred, the Issuer has the option to redeem the securities by payment of either (i) the Cash Amount or (ii) by physical delivery of the relevant number of shares or an amount linked to the value of the Underlying, as specified in the applicable Final Terms.

Basket Knock-in Reverse Exchangeable Securities:

Basket knock-in reverse exchangeable securities are similar to knock-in reverse exchangeable securities linked to a single stock, the difference being that if the Issuer elects to redeem the securities by way of physical delivery, if applicable, the number and type of shares to be delivered, as determined by the Calculation Agent, shall be calculated by reference to the price of each share comprised in the relevant basket on the pricing date and its respective weighting, each as specified in the applicable Final Terms.

Basket Knock-out Reverse Exchangeable Securities:

Basket knock-out reverse exchangeable securities are similar to basket knock-in reverse exchangeable securities, the difference being that if a knock-out event has occurred the securities will be redeemed by payment of the Cash Amount. If a knock-out event has not occurred, the Issuer has the option to redeem the securities by payment of the Cash Amount or by physical delivery of the relevant number and type of shares.

Indicative Issue Price:

The Securities will be issued at a price determined by the

Issuer who may, in making such determination, refer to, amongst other factors, the level of the Underlying adjusted for the relevant security entitlement and any applicable foreign exchange rate(s).

Maturity:

The Securities have a fixed maturity date, as specified in the applicable Final Terms.

Interest:

The Securities may bear interest, as specified in the applicable Final Terms.

General Conditions:

Set out below is a summary of certain significant provisions of the General Conditions applicable to all Securities issued under this Base Prospectus.

Status of the Securities:

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank pari passu among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

Early Termination:

The Issuer may terminate any Securities if it shall have determined in its absolute discretion that its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable law. In such circumstances the Issuer will, to the extent permitted by law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements.

The Issuer may terminate any Securities if it shall have determined in its absolute discretion that payments made on the Securities are, in whole or in part, directly or indirectly contingent upon, or determined by reference to, the payment of a dividend from a U.S. entity and that these payments have or will become subject to U.S. withholding tax. In such circumstances the Issuer will, to the extent

permitted by law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements and of paying any required U.S. withholding tax.

Hedging Disruption:

If a Hedging Disruption Event (as defined in General Condition 5) occurs, the Issuer will at its discretion (i) terminate the Securities and pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements or (ii) make a good faith adjustment to the relevant reference asset as described in General Condition 5(c) or (iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. The Issuer may make adjustments following any event likely to have a material adverse effect on the Issuer's hedge position, subject to the conditions set out in General Condition 5(d).

Substitution:

The Issuer may at any time, without the consent of the Holders substitute for itself as Issuer of the Securities, RBS or any entity other than RBS subject to the conditions set out in General Condition 8. In certain cases, substitution may be required to be effected in accordance with the rules of one or more clearing systems specified in the applicable Final Terms.

Taxation:

The Holder (and not the Issuer) shall be liable for and/or pay any tax, duty or charge in connection with, the ownership of and/or any transfer, payment or delivery in respect of the Securities held by such Holder. The Issuer shall have the right, but shall not be obliged, to withhold or deduct from any amount payable to any Holder such

amount as shall be necessary to account for or to pay any such tax, duty, charge, withholding or other payment.

Events of Default:

The terms of the Securities will contain the following events of default:

- (a) default in payment of any principal or interest (if any) due in respect of the Securities, continuing for a specified period of time;
- (b) non-performance or non-observance by the Issuer of any of its other obligations under the Securities continuing for a specified period of time; and
- (c) events relating to the winding up of the Issuer.

Product Conditions:

Set out below is a summary of certain significant provisions of the Product Conditions applicable to the Securities to be issued under this Base Prospectus.

Form of Securities:

The Securities, other than Securities issued in dematerialised form, will be issued in global bearer form. If SIX SIS Ltd is specified as Clearing Agent, Securities will, following their issuance, be transformed into intermediated securities in accordance with article 6 of the Swiss Federal Intermediated Securities Act.

If CREST (defined below under “General Information” – “Clearing and Settlement Systems”) is specified as the Clearing Agent in the applicable Final Terms, notwithstanding any provisions to the contrary contained in this Base Prospectus, the Securities will be registered Securities in dematerialised and uncertificated form.

Settlement of Securities:

Securities may be cash or physically settled, as specified in the applicable Product Conditions.

Market Disruption Events:

If a Market Disruption Event occurs Holders of Securities may experience a delay in settlement or delivery and the cash price paid on settlement may be adversely affected. Market Disruption Events are defined in Product Condition 4 for each type of Security and vary depending

on the type of Security.

Emerging Market Disruption Events:

The Emerging Market Disruption Events reflect the substantial risks associated with investing in emerging markets in addition to those risks normally associated with making investments in other countries. Potential investors should note that the securities markets in emerging market jurisdictions are generally substantially smaller and at times have been more volatile and illiquid than the major securities markets in more developed countries. If an Emerging Market Disruption Event occurs Holders may experience a delay in settlement or delivery and the cash price paid on settlement may be adversely affected. Emerging Market Disruption Events are defined in section 1 of the Product Conditions.

Settlement Disruption Event:

If a Settlement Disruption Event occurs in relation to a physically settled Security, the Holder may experience a delay in delivery of the Underlying and, where a cash price equivalent to the value of the Underlying is paid in lieu of delivery of the Underlying, the cash price paid may be adversely affected. Settlement Disruption Events are defined in Product Condition 1 for reverse exchangeable securities which may be physically settled and vary depending on the type of Security.

Potential Adjustment Event:

If a Potential Adjustment Event occurs the Calculation Agent may adjust one or more of the Conditions to account for the diluting or concentrative effect of the Potential Adjustment Event. Potential Adjustment Events are defined in Product Condition 4 for each type of Security (if applicable) and vary depending on the type of Security.

Fund Event:

If a Fund Event occurs, the Issuer or the Calculation Agent on its behalf, in each case acting in good faith and in a commercially reasonable manner, may adjust one or more of the Conditions to reflect the impact of the Fund Event. Fund Events are defined in Product Condition 4 for each type of Security (if applicable).

De-listing: If a De-listing occurs the Calculation Agent may adjust one or more of the Conditions, including replacing the relevant Underlying, to account for such event. De-listing is defined in Product Condition 4 for each type of Security (if applicable).

Governing Law: English law.

English courts: The courts of England have exclusive jurisdiction to settle any dispute arising from or in connection with the Securities.

Final Terms: Each Series will be the subject of a Final Terms which will contain the final terms applicable to the Series. The form of the Final Terms applicable to each type of Security is set out in this Base Prospectus.

The Final Terms applicable to each Series may specify amendments to the General Conditions and/or the relevant Product Conditions as they apply to that Series.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Securities issued. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Securities issued are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Securities issued, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Securities, or to perform any delivery obligations in relation to the Securities, may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Securities are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Before making an investment decision with respect to any Securities, prospective investors should consult their own stockbroker, bank manager, lawyer, accountant or other financial, legal and tax advisers and carefully review the risks entailed by an investment in the Securities and consider such an investment decision in the light of the prospective investor's personal circumstances.

Words and expressions defined elsewhere in this Base Prospectus shall have the same meaning in this section.

Factors that may affect the Issuer's ability to fulfil its obligations under Securities issued

Each potential investor in the Securities should refer to the Risk Factors section in the Registration Document on pages 3-20 (as supplemented) incorporated by reference into this Base Prospectus for a description of those factors which may affect the Issuer's ability to fulfil its obligations under Securities issued. As stated in the section entitled "General Information – Part A: General – Proposed Transfers", certain disclosure relating to RBS has been incorporated by reference in this Base Prospectus. This disclosure includes certain risk factors relating to RBS and the RBSG Group. In respect of that disclosure, each potential investor in the Securities should refer to the Risk Factors section in the RBS Registration Document on pages 3-31.

Factors which are material for the purpose of assessing the market risks associated with Securities issued

The Securities are reverse exchangeable securities which entail particular risks

The reverse exchangeable securities to be issued may be interest bearing or non-interest bearing investment instruments which, at maturity, either, at the option of the Issuer, if so specified, either (i) pay a Cash Amount, or (ii) pay a cash amount linked to the level of the Underlying or deliver the Underlying, in each case, subject to the terms of the relevant reverse exchangeable security. As such, reverse exchangeable securities expose the investor to the risk of the Underlying. Investors should be aware that their entire investment may be lost in the event that the Underlying is valued at zero. Since reverse exchangeable securities are of limited maturity, unlike direct investments, investors are not able to hold them beyond their stated maturity date in the expectation of a recovery in the price of the Underlying.

The price at which a Holder will be able to sell reverse exchangeable securities prior to maturity may be at a potentially substantial discount to the market value of the reverse exchangeable securities at the issue date, if, at such time and in addition to any other factors, the value of the Underlying is below, equal to or not sufficiently above the value of the Underlying at the issue date.

The Securities may not be a suitable investment for all investors

Each potential investor in the Securities must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Securities, the merits and risks of investing in the Securities and the information contained or incorporated by reference in this Base Prospectus or any applicable Final Terms;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Securities and the impact the Securities will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Securities, including Securities with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the Securities and be familiar with the behaviour of any relevant indices and financial markets;
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and
- (f) NOT consider that the issue of Securities linked to a particular Underlying is a

recommendation by the Issuer to invest (whether directly or indirectly) in that Underlying or any of its constituent elements. The Issuer and/or its affiliates may make investment decisions for themselves which differ from those that a potential investor would make by investing in the Securities. In particular, investment decisions of the Issuer and/or its affiliates are based on their current economic circumstances, overall credit exposure, risk tolerance and economic conditions, which are subject to change. The Issuer is not required to hold the Underlying (or its constituent elements) as a hedge and it may choose not to do so.

Some Securities are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Securities which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Securities will perform under changing conditions, the resulting effects on the value of the Securities and the impact this investment will have on the potential investor's overall investment portfolio.

The value of the Securities may fluctuate

The value of the Securities may move up and down between their date of purchase and their exercise date or maturity date (as the case may be). Holders may sustain a total loss of their investment (unless the Securities are of a type in which capital is protected). Prospective purchasers should therefore ensure that they understand fully the nature of the Securities before they invest in the Securities.

Several factors, many of which are beyond the Issuer's control, will influence the value of the Securities at any time, including the following:

- (a) *Valuation of the Underlying.* The market price of the Securities at any time is expected to be affected primarily by changes in the level of the Underlying to which such Securities are linked. It is impossible to predict how the level of the relevant Underlying will vary over time. Factors which may have an effect on the value of the Underlying include the rate of return of the Underlying and the financial position and prospects of the issuer of the Underlying or any component thereof. In addition, the level of the Underlying may depend on a number of interrelated factors, including economic, financial and political events and their effect on the capital markets generally and relevant stock exchanges. Potential investors should also note that whilst the market value of the Securities is linked to the relevant Underlying and will be influenced (positively or negatively) by it, any change may not be comparable and may be disproportionate. It is possible that while the Underlying is increasing in value, the value of the Securities may fall. Further, where no market value is available for an Underlying, the Calculation Agent may determine its value to be zero

notwithstanding the fact that there may be no Market Disruption Event (including an Emerging Market Disruption Event) and/or no Potential Adjustment Events and/or no De-listing and/or no Fund Event which apply.

- (b) *Interest Rates.* Investments in the Securities may involve interest rate risk with respect to the currency of denomination of the Underlying and/or the Securities. A variety of factors influence interest rates such as macro economic, governmental, speculative and market sentiment factors. Such fluctuations may have an impact on the value of the Securities at any time prior to valuation of the Underlying relating to the Securities.
- (c) *Volatility.* The term “volatility” refers to the actual and anticipated frequency and magnitude of changes of the market price with respect to an Underlying. Volatility is affected by a number of factors such as macro economic factors, speculative trading and supply and demand in the options, futures and other derivatives markets. Volatility of an Underlying will move up and down over time (sometimes more sharply than others) and different Underlyings will most likely have separate volatilities at any particular time.
- (d) *Exchange Rates.* Even where payments in respect of the Securities are not expressly linked to a rate or rates of exchange between currencies, the value of the Securities could, in certain circumstances, be affected by such factors as fluctuations in the rates of exchange between any currency in which any payment in respect of the Securities is to be made and any currency in which the Underlying is traded, appreciation or depreciation of any such currencies and any existing or future or governmental or other restrictions on the exchangeability of such currencies. There can be no assurance that rates of exchange between any relevant currencies which are current rates at the date of issue of any Securities will be representative of the relevant rates of exchange used in computing the value of the relevant Securities at any time thereafter.
- (e) *Disruption.* If so indicated in the Conditions, the Calculation Agent may determine that a Market Disruption Event (which includes Emerging Market Disruption Events), Fund Event, Potential Adjustment Event and/or De-listing has occurred or exists at a relevant time. Any such determination may affect the value of the Securities and/or may delay settlement in respect of the Securities. In addition, if so indicated in the Conditions, a Calculation Agent may determine that a Settlement Disruption Event has occurred or exists at any relevant time in relation to a physically settled reverse exchangeable security. Any such determination may cause a delay in delivery of the Underlying and, where a cash price equivalent to the value of the Underlying is paid in lieu of delivery of the Underlying, the cash price paid may be adversely affected.

Prospective purchasers should review the Conditions to ascertain whether and how such provisions apply to the Securities.

- (f) *Creditworthiness.* Any person who purchases the Securities is relying upon the creditworthiness of the Issuer and of RBS Holdings (pursuant to its declaration under Article 2:403 of the Netherlands Civil Code) and has no recourse, in that respect, against any other person. The Securities constitute general, unsecured, contractual obligations of the Issuer and of no other person. The Securities rank *pari passu* among themselves.

There may not be a secondary market in the Securities

Potential investors should be willing to hold the Securities through their life. The nature and extent of any secondary market in the Securities cannot be predicted. As a consequence any person intending to hold the Securities should consider liquidity in the Securities as a risk. If the Securities are listed or quoted on an exchange or quotation system this does not imply greater or lesser liquidity than if equivalent Securities were not so listed or quoted. However, if Securities are not listed or quoted there may be a lack of transparency with regard to pricing information. Liquidity may also be affected by legal restrictions on offers for sale in certain jurisdictions. The Issuer may affect the liquidity of the Securities by purchasing and holding the Securities for its own account during trading in the secondary market. Any such Securities may be resold at any time into the market.

The Issuer may, in its sole and absolute discretion, decide to offer a secondary market in the Securities. In the event that the Issuer elects to offer such secondary market, the Issuer shall be entitled to impose such conditions as it, in its sole and absolute discretion, shall deem fit, including but not limited to:

- (a) providing a large bid/offer spread determined by the Issuer in its sole and absolute discretion by reference to the Issuer's own appreciation of the risks involved in providing such secondary market;
- (b) normal market conditions prevailing at such date; and
- (c) limiting the number of Securities in respect of which it is prepared to offer such secondary market.

Holders should note that the imposition of any of the above conditions may severely limit the availability of any such secondary market and may result in Holders receiving significantly less than they otherwise would have received if the Securities were redeemed at maturity.

As part of its issuing, market-making and/or trading arrangements, the Issuer may issue more Securities than those which are to be subscribed or purchased by third party investors. The Issuer (or any of its affiliates) may hold such Securities for the purpose of meeting any investor interest in the

future. Prospective investors in the Securities should therefore not regard the issue size of any Series as indicative of the depth or liquidity of the market for such Series, or of the demand for such Series.

In the event that such a secondary market does not develop, it is unlikely that an investor in the Securities will be able to sell his Securities or at prices that will provide him with a yield comparable to similar investments that have a developed secondary market.

Over-Issuance

As part of its issuing, market-making and/or trading arrangements, the Issuer may issue more Securities than those which are to be subscribed or purchased by third party investors. The Issuer (or any of its affiliates) may hold such Securities for the purpose of meeting any investor interest in the future. Prospective investors in the Securities should therefore not regard the issue size of any Series as indicative of the depth or liquidity of the market for such Series, or of the demand for such Series.

Purchasing the Securities as a hedge may not be effective

Any person intending to use the Securities as a hedge instrument should recognise the correlation risk. The Securities may not be a perfect hedge to an Underlying or portfolio of which the Underlying forms a part. In addition, it may not be possible to liquidate the Securities at a level which directly reflects the price of the Underlying or portfolio of which the Underlying forms a part.

Actions taken by the Issuer may affect the value of the Securities

The Issuer and/or any of its affiliates may carry out activities that minimise its and/or their risks related to the Securities, including effecting transactions for their own account or for the account of their customers and hold long or short positions in the Underlying whether for risk reduction purposes or otherwise. In addition, in connection with the offering of any Securities, the Issuer and/or any of its affiliates may enter into one or more hedging transactions with respect to the Underlying. In connection with such hedging or market-making activities or with respect to proprietary or other trading activities by the Issuer and/or any of its affiliates, the Issuer and/or any of its affiliates may enter into transactions in the Underlying which may affect the market price, liquidity or value of the Underlying and/or the Securities and which could be deemed to be adverse to the interests of the Holders. The Issuer and/or its affiliates are likely to modify their hedging positions throughout the life of the Securities whether by effecting transactions in the Underlying or in derivatives linked to the Underlying. Further, it is possible that the advisory services which the Issuer and/or its affiliates provide in the ordinary course of its/their business could lead to an adverse impact on the value of the Underlying.

The Issuer may also make adjustments to the Conditions if it determines that an event has occurred which, whilst not a Hedging Disruption Event or other disruption event is likely to have a material

adverse effect on the Issuer's Hedge Position. Any such determination may affect the value of the Securities and/or may delay settlement in respect of the Securities.

Disruption of the Issuers Hedge Position may affect the value of the Securities

The Issuer may enter into a hedging transaction in the relevant jurisdiction of the Underlying in order to offer exposure to the Underlying. Foreign exchange control restrictions, including restrictions which prevent the conversion of the Underlying Currency (as defined in the Product Conditions) into the Settlement Currency (as defined in the Product Conditions) and the transfer of the Settlement Currency to accounts outside the jurisdiction of the Underlying could result in a delay in the determination of the Final Reference Price and the Settlement Date, which delay could be lengthy.

In certain circumstances, including but not limited to, the insolvency of the hedging counterparty or the unenforceability of the associated hedging transaction, an investor may lose some or all of its investment as specified in Product Condition 3(d) below.

Holders have no ownership interest in the Underlying

The Securities convey no interest in the Underlying. The Issuer may choose not to hold the Underlying or any derivatives contracts linked to the Underlying. There is no restriction through the issue of the Securities on the ability of the Issuer and/or its affiliates to sell, pledge or otherwise convey all right, title and interest in any Underlying or any derivatives contracts linked to the Underlying.

Actions taken by the Calculation Agent may affect the Underlying

The Calculation Agent is the agent of the Issuer and not the agent of the Holders or any of them. The Issuer may itself act as the Calculation Agent. The Calculation Agent will make such adjustments as it considers appropriate as a consequence of certain corporate actions affecting the Underlying. In making these adjustments the Calculation Agent is entitled to exercise substantial discretion and may be subject to conflicts of interest in exercising this discretion. The Calculation Agent is not required to make adjustments with respect to each and every corporate action.

There may be delays in effecting settlement

If the Securities contain provisions providing for an option to the Issuer to settle the Securities in cash ("**Cash Settled Securities**") by payment of the applicable Cash Amount or otherwise or to settle the Securities by way of physical delivery ("**Physical Delivery Securities**") by payment of the applicable Share Amount (as defined in the relevant Product Conditions), there will be a time lag, if the Securities are Physical Delivery Securities, following exercise by the Issuer of its option until they are delivered to the relevant Holder's account. Any such delay between the time of exercise by the Issuer of its option and the delivery of the Share Amount will be specified in the Conditions. However, such delay could be significantly longer if the Calculation Agent determines that a Market Disruption

Event (which includes Emerging Market Disruption Events) or a Settlement Disruption Event has occurred at the relevant time. The applicable Share Amount could decrease or increase from what it would have been but for such delay.

Prospective purchasers should review the Conditions to ascertain whether and how such provisions apply to the Securities.

If the Securities are subject to provisions concerning delivery of a Notice and such notice is received by either the relevant Clearing Agent, with a copy to the Principal Agent after the latest time specified in the Conditions, it will be deemed to be duly delivered on the next following Business Day. Such deemed delay may in the case of Cash Settled Securities increase or decrease the Cash Amount from what it would have been but for such deemed delivery. In the case of Securities which are exercisable on one day only or only during an exercise period any Notice, if not delivered by the latest time specified in the Conditions, shall be void.

If the Securities require a Notice to be delivered before close of business in the place of receipt on the Cut-off Date (as defined in the Product Conditions), then delivery after the Cut-off Date may result in a delay in delivery of the applicable Share Amount (as defined in the Product Conditions).

The failure to deliver any certifications required by the Conditions could result in the loss or inability to receive amounts or deliveries otherwise due under the Securities.

Prospective purchasers should review the Conditions to ascertain whether and how such provisions apply to the Securities.

Securities not exercised in accordance with the Conditions will (where exercise is required) expire worthless.

Taxes may be payable by investors

Potential purchasers and sellers of the Securities should be aware that they may be required to pay stamp taxes or other documentary charges in accordance with the laws and practices of the country where the Securities are transferred. Holders are subject to the provisions of General Condition 9 and payment and/or delivery of any amount due in respect of the Securities will be conditional upon the payment of any Expenses as provided in the Product Conditions.

Potential purchasers who are in any doubt as to their tax position should consult their own independent tax advisers. In addition, potential purchasers should be aware that tax regulations and their application by the relevant taxation authorities change from time to time. Accordingly, it is not possible to predict the precise tax treatment which will apply at any given time.

No tax gross-up

If payments on the Securities are or become subject to a withholding or deduction required by law on account of any present or future taxes, duties, assessments or governmental charges of whatever nature, the Issuer will make the required withholding or deduction, as the case may be, and neither the Issuer nor the Principal Agent nor any other person shall pay any additional amounts to the Holders in respect of such withholding or deduction. Please refer to section "General Condition 9 - Taxation".

Payments on the Securities may be subject to U.S. withholding tax and/or early termination on account of U.S. withholding tax

Due to recently enacted U.S. legislation, payments on any Security that are, in whole or in part, directly or indirectly contingent upon, or determined by reference to, the payment of a dividend from a U.S. entity (a "**Dividend Equivalent Payment**") may become subject to a 30% U.S. withholding tax when made to Non-U.S. holders (as defined in "Taxation – United States"). The imposition of this U.S. withholding tax will reduce the amounts received by Non-U.S. holders. Neither the Issuer nor the Principal Agent nor any other person shall pay any additional amounts to the Non-U.S. holders in respect of such U.S. withholding. Additionally, the Issuer may elect to terminate the Securities, in accordance with General Condition 3(b), should this U.S. withholding tax apply to any current or future payments on the Security. If a Non-U.S. holder becomes subject to this withholding tax, it is unclear whether the Non-U.S. holder will be able to claim any exemptions under its applicable double tax treaty. The application and interpretation of the rules governing U.S. withholding tax on Dividend Equivalent Payments is subject to change.

The Securities may be terminated prior to their stated date

If the Issuer determines that the performance of its obligations under the Securities has become illegal or impractical in whole or in part for any reason or the Issuer determines that it is no longer legal or practical for it to maintain its hedging arrangement with respect to the Securities for any reason, the Issuer may at its discretion and without obligation terminate early the Securities. If the Issuer terminates early the Securities, the Issuer will, if and to the extent permitted by applicable law, pay the holder of each such Security an amount determined by the Calculation Agent to be its fair market value less the cost to the Issuer of unwinding any underlying related hedging arrangements notwithstanding the illegality or impracticality.

Risks associated with Securities held in global form

The Securities will initially be held by or on behalf of one or more clearing systems specified in the applicable Final Terms (each a "**Relevant Clearing System**"), either in the form of a global bearer Security which will be exchangeable for definitive Securities in the event of the closure of all Relevant Clearing Systems or in dematerialised form depending on the rules of the Relevant Clearing System. For as long as any Securities are held by or on behalf of a Relevant Clearing System,

payments of principal, interest (if any) and any other amounts will be made through the Relevant Clearing System, where required, against presentation or surrender (as the case may be) of any relevant global Security. The risk is that the bearer of the relevant global Security, typically a depositary or a nominee for a depositary for the Relevant Clearing System, or, in the case of Securities in dematerialised form, the Relevant Clearing System and not the Holder itself, shall be treated by the Issuer and any Agent (as defined in the Conditions) as the sole holder of the relevant Securities with respect to the payment of principal, interest (if any) and any other amounts payable in respect of the Securities or any securities deliverable in respect of the Securities. Holders therefore are required to look to the Relevant Clearing System in respect of payments made to it by the Issuer in respect of Securities in global or dematerialised form.

Securities which are held by or on behalf of a Relevant Clearing System will be transferable only in accordance with the rules and procedures for the time being of the Relevant Clearing System.

Risk associated with nominee arrangements

Where a nominee service provider is used by an investor to hold Securities or such investor holds interests in any Security through accounts with a Relevant Clearing System, such investor will receive payments in respect of principal, interest (if any), or any other amounts due, or securities deliverable, as applicable, solely on the basis of the arrangements entered into by the investor with the relevant nominee service provider or Relevant Clearing System, as the case may be. Furthermore, such investor must rely on the relevant nominee service provider or Relevant Clearing System to distribute all payments or securities attributable to the relevant Securities which are received from the Issuer. Accordingly, such an investor will be exposed to the credit risk of, and default risk in respect of, the relevant nominee service provider or Relevant Clearing System, as well as the Issuer.

In addition, such a Holder will only be able to sell any Securities held by it prior to their stated settlement date or maturity date (as the case may be) with the assistance of the relevant nominee service provider.

None of the Issuer or any Agent shall be responsible for the acts or omissions of any relevant nominee service provider or Relevant Clearing System nor makes any representation or warranty, express or implied, as to the service provided by any relevant nominee service provider or Relevant Clearing System.

The return on an investment in Securities will be affected by charges incurred by investors

An investor's total return on an investment in any Securities will be affected by the level of fees charged by any nominee service provider and/or Relevant Clearing System used by the investor. Such a person or institution may charge fees for the opening and operation of an investment account, transfers of Securities, custody services and on payments of interest, principal and other amounts or

delivery of securities. Potential investors are therefore advised to investigate the basis on which any such fees will be charged on the relevant Securities.

Change of law and jurisdiction

The Conditions are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible change to English law or administrative practice after the date of this Base Prospectus. Prospective investors in the Securities should note that the courts of England and Wales shall have jurisdiction in respect of any disputes involving the Securities. Holders may, however, take any suit, action or proceedings arising out of or in connection with the Securities against the Issuer in any court of competent jurisdiction. English law may be materially different from the equivalent law in the home jurisdiction of prospective investors in its application to the Securities.

There may be changes to laws, or their interpretation, in other countries which affect the Securities. Changes in taxation, corporate, regulatory and money laundering laws in any relevant jurisdiction could have a negative impact on the value of the Securities.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Issuer or the Securities. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Securities. Where a Series of Securities is to be rated, such rating will not necessarily be the same as any rating assigned to any Securities already issued. Whether or not a rating in relation to any Series of Securities will be treated as having been issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Securities are legal investments for it, (ii) Securities can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Securities. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Securities under any applicable risk-based capital or similar rules.

Modification, waivers and substitution

The Issuer may decide to make modifications to the Securities without the consent of the Holders which may affect the Holders' interest either:

- (a) for the purpose of curing any ambiguity or of curing, correcting or supplementing any manifest error or other defective provision; or
- (b) in any other manner which is not materially prejudicial to the interests of the Holders; or
- (c) for the purpose of the substitution of another company as principal debtor under any Securities in place of the Issuer, in the circumstances described in General Condition 8.

Risks in relation to Securities denominated in CNY only

CNY is not freely convertible and may adversely affect the liquidity of the Securities

The lawful currency of the People's Republic of China (the "PRC") (which, for the purpose of this document, excludes the Hong Kong Special Administrative Region of the People's Republic of China, the Macau Special Administrative Region of the People's Republic of China and Taiwan) ("CNY") is not freely convertible at present. The government of the PRC continues to regulate conversion between CNY and foreign currencies, including the Hong Kong dollar, despite the significant reduction over the years by the PRC government of its control over routine foreign exchange transactions under current accounts. The People's Bank of China (the "PBOC") has established a clearing and settlement system pursuant to the Settlement Agreement on the Clearing of CNY Business between PBOC and Bank of China (Hong Kong) Limited. However, the current size of CNY and CNY denominated financial assets in Hong Kong is limited, and its growth is subject to many constraints which are a corollary of PRC laws and regulations on foreign exchange and may adversely affect the liquidity of the Securities.

CNY currency risk

Except in limited circumstances, all payments of CNY under the Securities will be made solely by transfer to a CNY bank account maintained in Hong Kong in accordance with the prevailing rules and regulations. The Issuer cannot be required to make payment by any other means (including in bank notes or by transfer to a bank account in the PRC or anywhere else outside Hong Kong). CNY is not freely convertible at present, and conversion of CNY through banks in Hong Kong is subject to certain restrictions. In particular, for personal investors, currently conversions of CNY conducted through CNY deposit accounts are subject to a daily limit (as of the date of this Supplement, such limit being up to CNY20,000 per person per day), and investors may have to allow time for conversion of CNY from/to another currency of an amount exceeding such daily limit.

In addition, there can be no assurance that access to CNY funds for the purposes of making payments under the Securities or generally may remain or will not become restricted. If it becomes impossible to convert CNY from/to another freely convertible currency, or transfer CNY between accounts in

Hong Kong, or the general CNY exchange market in Hong Kong becomes illiquid, any payment of CNY under the Securities may be delayed or the Issuer may make such payments in another currency using an exchange rate determined by the Calculation Agent, or the Issuer may redeem the Securities.

Investment in the Securities is subject to exchange rate risk

The value of CNY against the Hong Kong dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. The Issuer will make all CNY payments under the Securities in CNY. As a result, the value of such payments in CNY (in Hong Kong dollar or other applicable foreign currency terms) may vary with the prevailing exchange rates in the marketplace. If the value of CNY depreciates against the Hong Kong dollar or other foreign currencies, the value of an investor's investment in Hong Kong dollar or other applicable foreign currency terms will decline.

Interest rate risk

The value of CNY payments under the Securities may be susceptible to interest rate fluctuations, including Chinese CNY repo rates and/or the Shanghai Interbank Offered Rate (SHIBOR).

Offshore CNY Currency Event

If any one of CNY Non-Transferability, CNY Inconvertibility or CNY Illiquidity (each as defined in the Product Condition Relating to Single Stock Reverse Exchangeable Securities I) exists on a payment date, the Calculation Agent may make such adjustments and/or determinations or take such actions in relation to the Securities, in its sole and absolute discretion, as set out in the Conditions.

In future periods, there will be no significant differences between pro forma and statutory results other than presentation aspects discussed under the heading “Pro forma results” on page 53 of the 2010 Annual Report and Accounts of RBSG (which is incorporated by reference herein).

PART C: IN RELATION TO BOTH RBS N.V. AND RBS

TAXATION

Potential purchasers who are in any doubt about their tax position on purchase, ownership, transfer, exercise or non-exercise of any Security should consult their professional tax advisers.

1. GENERAL

Purchasers of Securities may be required to pay stamp taxes and/or other charges in accordance with the laws and practices of the country of purchase in addition to the issue or purchase price of each Security.

The Issuer shall not be liable for or otherwise obliged to pay any tax, duty or other payment which may arise as a result of the acquisition, ownership, transfer or exercise or non-exercise of any Securities.

Prospective purchasers should be aware that the tax treatment depends on the individual circumstances of each Holder of Securities and may be subject to change in the future.

The following does not address any tax consequences of the Proposed Transfers, regarding which Holders of Securities should seek their own professional advice. It also does not address any tax consequences relating to Securities issued or raised by RBS.

Any Security which is transferred under the Proposed Transfers pursuant to the Part VII Scheme shall be referred to in this section as a "**Part VII Scheme Security**"; and such Securities, "**Part VII Scheme Securities**".

As noted above in the section entitled "Summary - Proposed transfer of activities", if the Final Terms for an issue of Securities indicate that RBS is not expected to become the issuer of those Securities as a result of the Part VII Scheme, the expectation is that RBS N.V. will remain the issuer of such Securities and that RBS will not become the issuer of such Securities pursuant to the Proposed Transfers generally. As such, the following does not address the tax treatment of Securities that have been transferred pursuant to the Proposed Transfers, other than to the extent stated in relation to Part VII Scheme Securities.

2. EU SAVINGS DIRECTIVE

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "**Directive**"), EU member states, subject to the following exceptions, are required to provide to the tax authorities of another EU member state details of payments of interest (or similar income) paid by a person within its jurisdiction to (or for the benefit of) an individual resident in that other EU member state or to certain limited types of entities established in that other EU

member state. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

3. THE NETHERLANDS

General

The following applies only to persons who are the beneficial owners of the Securities and is a summary of the Issuer's understanding of current Netherlands tax law as applied in the Netherlands relating only to certain aspects of Netherlands taxation. This summary is intended as general information only and each prospective investor should consult a professional tax adviser with respect to the tax consequences of an investment in the Securities.

This summary is based on tax legislation, published case law, treaties, regulations and published policy, in each case as in force as of the date of this Base Prospectus, and does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary does not address the Netherlands tax consequences for:

- (i) holders of Securities holding a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in the Issuer or RBS and holders of Securities of whom a certain related person holds a substantial interest in the Issuer or RBS. Generally speaking, a substantial interest arises if a person, alone or, where such person is an individual, together with his or her partner (statutory defined term), directly or indirectly, holds (i) an interest of 5 per cent. or more of the total issued capital of a company or of 5 per cent. or more of the issued capital of a certain class of shares of a company, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in a company;
- (ii) investment institutions (*fiscale beleggingsinstellingen*); and
- (iii) pension funds, exempt investment institutions (*vrijgestelde beleggingsinstellingen*) or other entities that are exempt from Netherlands corporate income tax.

This summary does not describe the consequences of the exchange or the conversion of the Securities.

Where this summary refers to a holder of Securities, such reference is restricted to a holder holding legal title to as well as an economic interest in such Securities.

Withholding Tax

Securities issued by the Issuer otherwise than through the Issuer's London branch and which are not Part VII Scheme Securities

Payments on these Securities may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein provided that the Securities do not in fact function as equity of the Issuer within the meaning of article 10, paragraph 1, under d of the Netherlands corporate income tax act 1969 (*Wet op de vennootschapsbelasting 1969*).

Securities issued by the Issuer's London branch and Part VII Scheme Securities

Payments on these Securities may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political or taxing authority thereof or therein.

Payments by the Guarantor

Any payments by the Guarantor in respect of interest on, or other amounts due under, Securities issued by the Issuer (whether or not through its London branch), whether or not they are Part VII Scheme Securities (in each case, other than the repayment of amounts subscribed for the Securities), may generally be made without withholding on account of Netherlands taxation.

Corporate and Individual Income Tax

Residents of the Netherlands

If a holder is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of an enterprise to which the Securities are attributable, income derived from the Securities and gains realised upon the redemption, settlement or disposal of the Securities are generally taxable in the Netherlands (at up to a maximum rate of 25 per cent.).

If an individual holder is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes (including an individual holder who has opted to be taxed as a resident of the Netherlands), income derived from the Securities and gains realised upon the redemption, settlement or disposal of the Securities are taxable at the progressive rates (at up to a maximum rate of 52 per cent.) under the Netherlands income tax act 2001 (*Wet inkomstenbelasting 2001*), if:

- (i) the holder is an entrepreneur (ondernemer) and has an enterprise to which the Securities are attributable or the holder has, other than as a shareholder, a co-entitlement to the net worth of an enterprise (medegerechtigde), to which enterprise the Securities are attributable; or
- (ii) such income or gains qualify as income from miscellaneous activities (resultaat uit overige werkzaamheden), which include the performance of activities with respect to the Securities that exceed regular, active portfolio management (normaal, actief vermogensbeheer).

If neither condition (i) nor condition (ii) applies to the holder of the Securities, taxable income with regard to the Securities must be determined on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. This deemed return on income from savings and investments has been fixed at a rate of 4 per cent. of the individual's yield basis (*rendementsgrondslag*) at the end of the calendar year, insofar as it exceeds a certain threshold. The individual's yield basis is determined as the fair market value of certain qualifying assets held by the holder of the Securities less the fair market value of certain qualifying liabilities on 1 January. The fair market value of the Securities will be included as an asset in the individual's yield basis. The 4 per cent. deemed return on income from savings and investments will be taxed at a rate of 30 per cent.

Non-residents of the Netherlands

If a holder is not a resident nor is deemed to be a resident of the Netherlands for Netherlands tax purposes (or has not opted to be taxed as a resident of the Netherlands), such holder is not taxable in respect of income derived from the Securities and gains realised upon the settlement, redemption or disposal of the Securities, unless:

- (i) the holder is not an individual and such holder (1) has an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or permanent representative the Securities are

attributable, or (2) is entitled to a share in the profits of an enterprise or a co-entitlement to the net worth of an enterprise, which is effectively managed in the Netherlands (other than by way of securities) and to which enterprise the Securities are attributable.

This income is subject to Netherlands corporate income tax at up to a maximum rate of 25 per cent.

(ii) the holder is an individual and such holder (1) has an enterprise or an interest in an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or permanent representative the Securities are attributable, or (2) realises income or gains with respect to the Securities that qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*) in the Netherlands, which activities include the performance of activities in the Netherlands with respect to the Securities which exceed regular, active portfolio management (*normaal, actief vermogensbeheer*), or (3) is entitled to a share in the profits of an enterprise which is effectively managed in the Netherlands (other than by way of securities) and to which enterprise the Securities are attributable.

Income derived from the Securities as specified under (1) and (2) is subject to individual income tax at up to a maximum rate of 52 per cent. Income derived from a share in the profits as specified under (3) that is not already included under (1) or (2) will be taxed on the basis of a deemed return on income from savings and investments (as described above under “Residents of the Netherlands”). The fair market value of the share in the profits of the enterprise (which includes the Securities) will be part of the individual's Netherlands yield basis.

Gift and Inheritance Tax

Residents of the Netherlands

Generally, gift and inheritance tax will be due in the Netherlands in respect of the acquisition of the Securities by way of a gift by, or on the death of, a holder that is a resident or deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax at the time of the gift or his or her death.

A holder of Dutch nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax if he or she has been resident in the Netherlands and dies or makes a donation within ten years after leaving the Netherlands. A holder of any other nationality is deemed to be a resident of the Netherlands for the purposes of the

Netherlands gift tax if he or she has been resident in the Netherlands and makes a donation within a twelve months period after leaving the Netherlands. The same twelve-month rule may apply to entities that have transferred their seat of residence out of the Netherlands.

Non-residents of the Netherlands

No gift or inheritance taxes will arise in the Netherlands in respect of the acquisition of the Securities by way of a gift by, or as a result of, the death of a holder that is neither a resident nor deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax, unless in the case of a gift of the Securities by a holder who at the date of the gift was neither a resident nor deemed to be a resident of the Netherlands, such holder dies within 180 days after the date of the gift, and at the time of his or her death is a resident or deemed to be a resident of the Netherlands.

Value Added Tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Securities or in respect of a cash payment made under the Securities, or in respect of a transfer of Securities.

Other Taxes and Duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in the Netherlands by a holder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Securities.

4. UNITED KINGDOM

The following applies only to persons who are the beneficial owners of the Securities and is a summary of the Issuer's understanding of current United Kingdom tax law as applied in England and Wales and United Kingdom HM Revenue & Customs (“HMRC”) practice relating only to certain aspects of United Kingdom taxation. It does not deal with any other United Kingdom taxation implications of acquiring, holding, exercising, not exercising or disposing of Securities and should not be relied upon by Holders or prospective Holders of Securities. Some aspects do not apply to certain classes of persons (such as persons carrying on a trade of dealing in Securities and persons connected with the Issuer) to whom special rules may apply. The United Kingdom tax treatment of prospective Holders of Securities depends on their individual circumstances and may be subject to change in the future. The precise tax treatment of

a Holder of Securities will depend for each issue on the terms of the Securities, as specified in the Conditions of the Securities as amended and supplemented by the applicable Final Terms. For United Kingdom tax purposes, the term “Security” or “Securities” refers to instruments of the type described in this Base Prospectus and is not intended to be determinative (or indicative) of the nature of the instrument for the purposes of United Kingdom taxation. Prospective Holders of Securities who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice. This summary is intended as general information only and each prospective Holder of Securities should consult a professional tax adviser with respect to the tax consequences of an investment in the Securities.

Withholding Tax

Securities issued by the Issuer otherwise than through the Issuer’s London branch and which are not Part VII Scheme Securities

Payments on these Securities may generally be made without withholding on account of United Kingdom income tax.

Securities issued by the Issuer’s London branch and Part VII Scheme Securities

Payments made in respect of these Securities may be made without deduction or withholding for or on account of United Kingdom income tax where such payments are not regarded as interest, manufactured payments or annual payments for United Kingdom tax purposes.

Even if such payments were to be regarded as interest, manufactured payments or annual payments for United Kingdom tax purposes, the Issuer or RBS, as applicable, should not be required to withhold or deduct sums for or on account of United Kingdom income tax from payments made in respect of the Securities provided that the payments are regarded as made under derivative contracts, the profits and losses arising from which are calculated in accordance with the provisions of Part 7 of the Corporation Tax Act 2009 (which broadly they should be provided that the payments are made under options, futures or contracts for differences for the purposes of Part 7 of that Act, which are derivatives for the purposes of FRS25 (or International Accounting Standard 32) and are not excluded for the purposes of Part 7 of that Act by virtue of their underlying subject matter).

If interest is payable on the Securities or if payments made in respect of the Securities were to be regarded as interest for United Kingdom tax purposes, provided that the Issuer’s London branch or RBS, as applicable, is and continues to be a bank within the meaning of section 991 of the Income Tax Act 2007 (the “**ITA 2007**”), such payments may be made without

withholding or deduction for or on account of United Kingdom income tax where the interest is paid in the ordinary course of the Issuer's London branch's or RBS's business, as applicable, within the meaning of section 878 ITA 2007.

Payments of interest on or in respect of the Securities may also be made by the Issuer's London branch or RBS, as applicable, without deduction of or withholding for or on account of United Kingdom income tax if the Securities are and continue to be listed on a "recognised stock exchange", as defined in section 1005 of the ITA 2007. The NYSE Euronext Amsterdam is a recognised stock exchange. The Securities will therefore satisfy this requirement if they are (a) officially listed in the Netherlands in accordance with provisions corresponding to those generally applicable in EEA states and are admitted to trading on the NYSE Euronext Amsterdam, or (b) admitted to trading on another "recognised stock exchange" and officially listed in a country in which there is a "recognised stock exchange" in accordance with provisions corresponding to those generally applicable in EEA states. Provided, therefore, that the Securities are and remain so listed, interest on the Securities will be payable by the Issuer's London branch or RBS, as applicable, without withholding or deduction for or on account of United Kingdom income tax whether or not the Issuer's London branch or RBS, as applicable, carries on a banking business in the United Kingdom and whether or not the interest is paid in the ordinary course of its business.

Interest on or in respect of the Securities may also be paid without withholding or deduction for or on account of United Kingdom income tax where interest on or in respect of the Securities is paid by a company and, at the time the payment is made, the Issuer's London branch or RBS, as applicable, reasonably believes (and any person by or through whom interest on the Securities is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HMRC has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

Interest on or in respect of the Securities may also be paid without withholding or deduction for or on account of United Kingdom income tax where the maturity of the Securities is less than 365 days and those Securities do not form part of a scheme or arrangement of borrowing intended to be capable of remaining outstanding for more than 364 days.

In other cases, an amount must generally be withheld from payments by the Issuer's London branch or RBS, as applicable, of interest on or in respect of Securities, on account of United Kingdom income tax at the basic rate (currently 20 per cent.). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in

relation to a Holder of the Securities, HMRC can issue a notice to the Issuer's London branch or RBS, as applicable, to pay interest to the Holder of the Securities without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty, as applicable).

Payments by the Guarantor

Any payments by the Guarantor in respect of interest on, or other amounts due under, Securities issued by the Issuer otherwise than through the Issuer's London branch and which are not Part VII Scheme Securities may generally be made without withholding on account of United Kingdom income tax.

Any payments by the Guarantor in respect of interest on, or other amounts due under, Securities issued by the Issuer's London branch or which are Part VII Scheme Securities (in each case, other than the repayment of amounts subscribed for the Securities) may be subject to United Kingdom withholding tax, subject to the availability of any exemptions or reliefs or to any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of any applicable double tax treaty.

Certain other United Kingdom tax considerations

Payments made in respect of Securities issued by the Issuer's London branch and (from the time of the transfer) the Part VII Scheme Securities are generally expected to have a United Kingdom source. Accordingly, depending upon the category of the income, such payments may be chargeable to United Kingdom tax by direct assessment even where the Holder of Securities is not resident (or in the case of an individual, ordinarily resident) in the United Kingdom and does not hold their Securities for the purposes of, or receive such payments in connection with, a trade, profession or vocation carried on via a branch, agency or permanent establishment in the United Kingdom, although in practice HMRC may not seek to enforce any such liability in respect of such a Holder of Securities.

If Holders of Securities are liable to United Kingdom tax by way of direct assessment, Holders of Securities which are resident in a jurisdiction with an appropriate double taxation treaty with the United Kingdom may be entitled to claim exemption from direct assessment under the terms of that double taxation treaty.

UK Information Gathering Powers

Holders of the Securities may wish to note that, in certain circumstances, HMRC has power to obtain information (including the name and address of the beneficial owner) from any person in the United Kingdom who either pays or credits interest (or amounts treated as interest) to or receives interest (or amounts treated as interest) for the benefit of a Holder of the Securities.

HMRC also has power, in certain circumstances, to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Securities which are deeply discounted securities for the purposes of the Income Tax (Trading and Other Income) Act 2005 to or receives such amounts for the benefit of another person, although HMRC published practice indicates that HMRC will not exercise the power referred to above to require this information in respect of amounts payable on the redemption of deeply discounted securities where such amounts are paid on or before 5 April 2012. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities of the jurisdiction in which the Holder of the Securities is resident for tax purposes.

Stamp Taxes

For the purposes of the following paragraphs, “**Exempt Loan Capital**” means any security which constitutes loan capital (“**Loan Capital**”) for the purposes of section 78 of the Finance Act 1986 (“**FA 1986**”) and: (a) does not carry rights to acquire shares or securities (by way of exchange, conversion or otherwise); (b) has not carried and does not carry a right to interest the amount of which exceeds a reasonable commercial return on the nominal amount of the relevant security; (c) subject to certain exceptions has not carried and does not carry a right to interest the amount of which falls or has fallen to be determined to any extent by reference to the results of, or any part of, a business or to the value of any property; and (d) has not carried and does not carry a right to a premium which is not reasonably comparable with amounts payable on securities listed on the London Stock Exchange.

Stamp duty on the issue of Securities

Subject to the following paragraph, no stamp duty will generally be payable in relation to the issue of Securities, including where such Securities are issued into CREST.

In relation to Securities issued in bearer form which are denominated in sterling and which are not Loan Capital, a charge to United Kingdom stamp duty at 1.5 per cent. of the value of such Securities may arise. No stamp duty liability will arise on the issue of such Securities by the Issuer if issued outside the United Kingdom. However, in relation to Securities of that kind originally issued by the Issuer outside the United Kingdom, on the first transfer by delivery in the United Kingdom of any such Security a stamp duty liability at 1.5 per cent. of the value of such Security may arise. Furthermore, an instrument issuing a Security which has the characteristics of an option or any instrument granting such a Security may technically be subject to United Kingdom stamp duty at a rate of up to 4 per cent. of the consideration paid for the Security.

Stamp duty on the transfer of Securities

Other than as described above, no United Kingdom stamp duty should be required to be paid on transfers of Securities on sale provided no instrument of transfer is used to complete such sales.

An instrument transferring a Security on sale of the Security may technically be subject to stamp duty at a rate of 0.5 per cent. of the consideration paid for the Securities if the Securities are not Exempt Loan Capital.

Even if an instrument is subject to United Kingdom stamp duty, there may be no practical necessity to pay that stamp duty for example, if the Security to which it relates is issued by the Issuer and is not a Part VII Scheme Security, as United Kingdom stamp duty is not an assessable tax. However, an instrument which is not duly stamped cannot be registered or used for certain purposes in the United Kingdom; for example it will be inadmissible in evidence in civil proceedings in a United Kingdom court. In the event that such an instrument is subject to United Kingdom stamp duty, and it becomes necessary to pay that stamp duty (for example because this is necessary in order to enforce the document in the United Kingdom), interest will be payable (in addition to the stamp duty) in respect of the period from 30 days after the date of execution of the instrument to the date of payment of the stamp duty. Penalties may also be payable if either (i) an instrument which was executed in the United Kingdom is not stamped within 30 days of being so executed or (ii) an instrument which was executed outside the United Kingdom is not stamped within 30 days of first being brought into the United Kingdom.

Stamp duty reserve tax (“SDRT”) on the issue or transfer of Securities to a Clearance Service

No SDRT should be payable in relation to the issue of a Security by the Issuer or the transfer of such a Security to any person providing a clearance service, or a nominee for any such person, within the meaning of section 96 FA 1986 (a “**Clearance Service**”), in each case, unless the Security is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire shares which are paired with shares (which are not “newly subscribed shares” as defined in section 99(12) FA 1986) issued by a body corporate incorporated in the United Kingdom.

Except where an election has been made under which the alternative system of charge as provided for in section 97A FA 1986 (a “**s97A Election**”) applies, SDRT at a rate of 1.5 per cent may be payable in respect of a Security issued by the Issuer and which is not a Part VII Scheme Security on the issue or transfer of such a Security to a Clearance Service where it is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire shares which are paired with shares (which are not

“newly subscribed shares” as defined in section 99(12) FA 1986) issued by a body corporate incorporated in the United Kingdom.

The analysis in the above paragraph is likely to apply to the transfer of a Security to a Clearance Service where no s97A Election applies in respect of the Security where such Security was issued by the Issuer and is a Part VII Scheme Security, although this is not free from doubt. Were the analysis in the above paragraph not to apply to a transfer of such a Security to a Clearance Service where no s97A Election applies in respect of the Security, SDRT at a rate of 1.5 per cent. may be payable on such a transfer in circumstances other than those described in the paragraph above if the Security is not Exempt Loan Capital.

The ECJ has found in *C-569/07 HSBC Holdings plc and Vidacos Nominees Ltd v The Commissioners of Her Majesty’s Revenue & Customs (Case C-569/07)* that the 1.5 per cent. charge is contrary to EU Community Law where shares are issued to a clearance service. HMRC has subsequently indicated that it will not levy the charge on shares issued to a clearance service within the EU. It is not clear the extent to which this decision applies to the Securities or the way in which any change in legislation or HMRC practice in response to this decision may alter the position outlined above.

SDRT on the issue of Securities into CREST

No SDRT will be payable in respect of the issue of Securities into CREST, provided they are not issued to a Clearance Service or to a person issuing depositary receipts.

SDRT on the transfer of Securities held within a Clearance Service

SDRT should generally not be payable in relation to an agreement to transfer a Security held within a Clearance Service provided that no s97A Election applies in respect of the Security.

SDRT on the transfer of Securities held outside a Clearance Service, held within CREST or held within a Clearance Service where a s97A Election applies in respect of the Security

In the case of Securities issued by the Issuer which are not Part VII Scheme Securities and which are held outside a Clearance Service (otherwise than within CREST, regarding which, see below) or held within a Clearance Service where a s97A Election applies in respect of the Security, no SDRT should be payable in relation to any agreement to transfer such a Security unless it is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire either: (i) stocks, shares or loan capital for the purposes of section 99(3) FA 1986 which are not Exempt Loan Capital and which are registered in a register kept in the United Kingdom; or (ii) shares which are paired with shares issued by a body corporate incorporated in the United Kingdom, unless (in either case) that Security is in bearer form.

In the case of Securities issued by the Issuer which are not Part VII Scheme Securities and which are held outside a Clearance Service (otherwise than within CREST, regarding which, see below) or held within a Clearance Service where a s97A Election applies in respect of the Security, SDRT should generally be payable in relation to any agreement to transfer such a Security where it is an interest in, or to dividends or other rights arising out of, or a right to allotment of or to subscribe for, or an option to acquire either: (i) stocks, shares or loan capital for the purposes of section 99(3) FA 1986 which are not Exempt Loan Capital and which are registered in a register kept in the United Kingdom; or (ii) shares which are paired with shares issued by a body corporate incorporated in the United Kingdom, unless (in either case) that Security is in bearer form. Any such SDRT would be payable at a rate of 0.5 per cent. of the consideration given under an agreement to transfer such Securities, unless the transfer is to a Clearance Service or to a person issuing depository receipts (or to an agent or nominee of such a person) where SDRT may be payable at a rate of 1.5 per cent.

Provided the Securities are not registered in a register kept in the United Kingdom, the analysis in the above paragraphs is likely to apply to the transfer of a Security issued by the Issuer which is a Part VII Scheme Security and which is held outside a Clearance Service (otherwise than within CREST, regarding which, see below) or held within a Clearance Service where a s97A Election applies in respect of the Security, although this is not free from doubt. Were the analysis in the above paragraphs not to apply to a transfer of such a Security, SDRT may be payable at a rate of 0.5 per cent. of the consideration given under an agreement to transfer such Securities (unless the transfer is to Clearance Service or to a person issuing depository receipts (or to an agent or nominee of such a person) where SDRT may be payable at a rate of 1.5 per cent.) in circumstances other than those described in the paragraphs above if the Security is not Exempt Loan Capital.

Were the Security (whether or not it is a Part VII Scheme Security) to be registered in a register kept in the United Kingdom, for example, because this was required for the purposes of CREST, SDRT may be payable in relation to the transfer of such a Security within CREST or any agreement to transfer such a Security at a rate of 0.5 per cent. of the consideration given in circumstances other than those described in the paragraphs above if the Security is not Exempt Loan Capital.

Stamp duty and SDRT on the exercise or redemption of the Securities

Stamp duty and/or SDRT may also be payable in respect of an agreement to transfer, or on the transfer of, an asset where the terms of any Security contemplate physical settlement of the Security.

5. UNITED STATES

TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE U.S. INTERNAL REVENUE SERVICE (THE “IRS”), WE INFORM YOU THAT ANY TAX DISCUSSION HEREIN WAS NOT WRITTEN AND IS NOT INTENDED TO BE USED AND CANNOT BE USED BY ANY PERSON FOR PURPOSES OF AVOIDING U.S. FEDERAL INCOME TAX PENALTIES THAT MAY BE IMPOSED ON THAT PERSON. ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS DESCRIBED HEREIN. EACH PROSPECTIVE PURCHASER OF SECURITIES SHOULD SEEK ADVICE BASED ON THAT PERSON’S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

The following summary describes certain U.S. federal withholding tax considerations that may be relevant to a Non-U.S. holder (as defined below) that purchases Securities, but is not purported to be a complete analysis of all potential tax effects. This summary is based upon the Internal Revenue Code of 1986, as amended (the “Code”), existing and proposed regulations promulgated thereunder, and published rulings and court decisions, all as in effect and existing on the date of this Base Prospectus and all of which are subject to change at any time with retrospective or prospective effect. The U.S. federal income tax considerations discussed below will continue to apply to Part VII Scheme Securities.

For purposes of this discussion, a “Non-U.S. holder” means a beneficial owner of the Securities that is not:

- (a) a citizen or individual resident of the United States, as defined in Section 7701(b) of the Code;
- (b) a corporation, including any entity treated as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any State thereof or the District of Columbia;
- (c) an estate the income of which is subject to U.S. federal income tax without regard to its source;
- (d) a trust if (x) a court within the United States is able to exercise primary supervision over the administration of the trust, and one or more United States persons have the authority to control all substantial decisions of the trust, or (y) such trust has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a United States person; or
- (e) otherwise subject to U.S. federal income tax on a net income basis.

If a partnership holds the Securities, the tax treatment of a partner will generally depend upon the status of the partner the partnership as well as the activities of the partnership. Partners in partnerships holding the Securities should consult their tax advisers regarding the U.S. federal income tax consequences of acquiring, owning, exchanging and disposing of the Securities.

Withholding on Dividend Equivalent Payments

Recently enacted U.S. legislation imposes a 30% U.S. withholding tax on payments that are directly or indirectly contingent upon, or determined by reference to, the payment of a dividend from a U.S. entity (a “**Dividend Equivalent Payment**”). The type of payments that constitute Dividend Equivalent Payments subject to this withholding tax is not entirely clear. Payments on Securities with equity in U.S. entities, or indices that include equity in U.S. entities, as the Underlying, or that reference dividend payments made by U.S. entities, could become subject to this withholding tax. Non-U.S. holders may not be able to claim the benefits of a double tax treaty to reduce this withholding. Additionally, amounts paid pursuant to an early termination made in accordance with General Condition 3(b) could be subject to withholding if they are deemed to be Dividend Equivalent Payments. Neither the Issuer nor the Principal Agent nor any other person shall pay any additional amounts to the Non-U.S. holders in respect of any U.S. withholding imposed on any Dividend Equivalent Payment. The application and interpretation of the rules governing U.S. withholding tax on Dividend Equivalent Payments is subject to change. Non-U.S. holders should consult their tax advisers about possibility of U.S. withholding on payments made on Securities.

6. SWITZERLAND

The following is a general summary of the Issuer’s understanding of certain Swiss tax consequences in relation to dealings in the Securities according to the currently valid Swiss tax laws and the Swiss tax authorities’ practice as of the date of publication of this Base Prospectus. This outline is a summary and not exhaustive and does not take into consideration possible special circumstances of some investors. Tax laws and the tax authorities’ practice may undergo changes (or their interpretation or application may change) and their validity might also be retroactive.

If RBS becomes the issuer of Securities as a result of the Part VII Scheme, the following will continue to apply, provided that the terms and conditions of Securities are otherwise not changed. Potential investors should consult their own tax advisers, legal advisers or financial consultants regarding their personal tax situation when entering into transactions with reference to the Securities.

- (a) **General Information.** The Swiss tax treatment of notes, bonds and other financial instruments are primarily regulated pursuant to the conditions set forth in the Circular Letter no. 15 of the Federal Tax Administration regarding the treatment of Bonds and Derivatives Financial Instruments for the purpose of the Federal Income Tax, Federal Withholding Tax and Federal Stamp Duties, as published on 7 February 2007. These rules are usually also applied by the Cantonal and Communal tax authorities. It should be noted that the Swiss tax terms “notes” and “bonds” are not consistent with the corresponding terms stipulated by Swiss security laws and the international or foreign understanding of such terms.
- (b) **Swiss Stamp Taxes.** The issuance of Securities issued by a foreign resident issuer is in general not subject to the Swiss Issue Stamp Tax (“Emissionsabgabe”). Secondary market transactions of Securities which are considered as (debt) financing instruments, share-like products, fund-like products and Low Exercise Price Options (LEPO) on shares with maturity more than one year and the issuance of fund-like Securities issued by a foreign resident issuer are subject to the Swiss Securities Transfer Tax, provided that a Swiss securities dealer (“Effekthändler”), as defined in art. 13 para. 3 of the Swiss Federal Act on Stamp Duties (“Stempelabgabengesetz”), is a party to the Securities transaction or acts as an intermediary thereto. Certain exemptions may, inter alia, apply with regard to institutional investors such as mutual funds, life insurance companies and social security institutions. Pure derivatives for Swiss tax purposes like options and futures do normally not classify as taxable securities and are therefore not subject to Swiss Issue Stamp Tax and Swiss Securities Transfer Tax. If upon the exercise or redemption of a Security an underlying security is delivered to the holder of the Security, the transfer of the underlying security may be subject to Swiss Securities Transfer Tax.
- (c) **Swiss Withholding Tax.** Securities issued by a foreign resident issuer are in general not subject to Swiss withholding tax. Payments or credit of (deemed) interest or dividends on a Security issued by a Swiss resident issuer may be subject to Swiss federal withholding tax at a rate of 35%. This may apply likewise to payments or credits of yield from Securities which classify for tax purposes as fund-like products. The holder of a Security who is resident in Switzerland may be entitled to a full refund of or a full tax credit for the Swiss federal withholding tax, subject to conditions being met. A non Swiss resident holder of a Security may be able to claim a full or partial refund of the Swiss federal withholding tax if such a holder is entitled

to claim benefits with regard to such a payment of a double taxation treaty between Switzerland and his or her country of residence.

- (d) Swiss Income Tax Treatment for Securities Held by Private Investors (Individuals) with Tax Residence in Switzerland as Part of their Private Assets. Payments or credits received by a holder of a Security, which are considered in a Swiss tax perspective as dividends or interests, are subject to income tax. Gains or losses realised upon a sale or other disposition by individuals with tax residence in Switzerland holding a Security as part of their private assets (private capital gain or losses) are in general not subject to Swiss Income Tax and are not deductible from taxable income respectively. However, capital gains may be subject to income taxation, if a Security qualifies as predominant one-time interest paying bond. Also gains or losses realised by buying or selling of pure derivatives for Swiss tax purposes (options and futures) are not subject to income tax as they are considered as tax-exempt capital gains or losses. Whether a Security generates taxable income (dividend and interest) or tax-exempt capital gains is depending on certain features of the Security (1-delta pay-off, reverse convertible, guaranteed coupon payments or capital protection etc.), on the underlying of the Security and on the maturity of the Security. Some Securities may be divided into taxable bonds and a tax-exempt option (or combinations of options) provided that the Security is, for Swiss tax purposes, made transparent by the issuer. A Security is considered transparent if the value on issuance of its bond and its option components can be determined separately. Under the condition of transparency, the option premium paid by the issuer is exempt from income taxation (where otherwise applicable); taxation is limited to the interest of the bond part which would have been paid for an investment in a comparable straight bond of the same issuer with a similar term and the same currency at market conditions. If the interest part of the Security is paid as a one-time compensation, the so-called “modifizierte Differenzbesteuerung” may apply in each case of pre-maturity sale or redemption of the Security. If a Security is not made transparent for Swiss tax purposes (only if the security needs to be transparent for Swiss tax purposes) the total payment to the investor (except the repayment of the invested capital) could be considered as taxable income.
- (e) Swiss Income Tax Treatment for Securities Held by Swiss Resident Entities or Individuals as Part of Business Assets. Income of any kind realised from Securities as part of business assets of individuals (including deemed securities dealers for Swiss tax purposes) or entities in Switzerland are subject to personal income tax or corporate income tax respectively as part of their overall net income.

- (f) Wealth Taxation of Securities Held by Private Investors (Individuals) with Tax Residence in Switzerland. The market value of the Securities may be subject to wealth tax levied on overall net wealth of individuals with tax residence in Switzerland, regardless of whether the Securities are held as part of their private or business assets.
- (g) EU Savings Tax. On 26 October 2004, the European Community and Switzerland entered into an agreement on the taxation of savings income pursuant to which Switzerland adopts measures equivalent to those of the European Directive 2003/48/EC of 3 June 2003 on the taxation of savings income in the form of interest payments. The agreement came into force as of 1 July 2005. On the basis of this agreement, Switzerland introduced a withholding tax on interest payments and other similar income paid by a paying agent within Switzerland to an individual resident in an EU member state. The withholding tax is withheld at a rate of 15 % for the first three years beginning with 1 July 2005, 20 % for the next three years and 35 % thereafter, with the option of such an individual to have the paying agent and Switzerland provide to the tax authorities of the Member State details of the payments in lieu of the withholding. The beneficial owner of the interest payments may be entitled to a tax credit or refund of the withholding, if any, provided that that certain conditions are met. Securities issued under this programme may be subject to EU Savings Tax. The qualification regarding “in scope” or “out of scope” of the EU Savings Tax is depending on certain features of the Security and on the underlying of the Security.

SELLING RESTRICTIONS

The statements which follow are of a general nature. Potential purchasers in each jurisdiction must ensure that they are able validly to take delivery of the Securities and any assets into which they may convert or be settled. Additional certifications may be required by the Issuer and/or any clearance system at the time of exercise and/or settlement.

1. GENERAL

No action has been or will be taken by the Issuer that would permit a public offering of the Securities or possession or distribution of any offering material in relation to the Securities in any jurisdiction where action for that purpose is required. No offers, sales or deliveries of any Securities, or distribution of any offering material relating to the Securities, may be made in or from any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and will not impose any obligation on the Issuer.

2. PUBLIC OFFER SELLING RESTRICTION UNDER THE PROSPECTUS DIRECTIVE

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), the Issuer represents and agrees that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Securities which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Securities to the public in that Relevant Member State:

- (a) if the final terms in relation to the Securities specify that an offer of those Securities may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such Securities which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;

- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;;
- (c) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive); or;
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive;

provided that no such offer of Securities referred to in (b) to (d) above shall require the Issuer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Securities to the public**” in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe the Securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in the Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

No Securities of any Series, or interests therein, may at any time be offered, sold, resold or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. person or to others for offer, sale, resale or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. person.

Offers, sales, resales or deliveries of Securities of any Series, or interests therein, directly or indirectly, in the United States or to, or for the account or benefit of, U.S. persons would constitute a violation of United States securities laws unless made in compliance with the registration requirements of the Securities Act or pursuant to an exemption therefrom. In addition, in the absence of relief from the CFTC, offers, sales, resales, trades or deliveries of Securities, or interests therein, directly or indirectly, in the United States or to, or for the account or benefit of, U.S. persons, may constitute a violation of United States law governing commodities trading.

Section 1.163-5(c)(2)(i)(D) (the “**D Rules**”) and, in accordance with the D Rules, may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Section 1.163-5(c)(2)(i)(C) (the “**C Rules**”) and, in accordance with the C Rules, may not be offered, sold or delivered within the United States or its possessions, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 (the “**Code**”) and the U.S. Treasury regulations thereunder.

The Issuer will require each dealer participating in the distribution of Securities subject to the D Rules:

- (c) if it is a United States person, each dealer represents that it is acquiring Securities for purposes of resale in connection with their original issuance and if it retains Securities for its own account, it will only do so in accordance with the requirements of U.S. Treas. Reg. Section 1.163-5(c)(2)(i)(D)(6);
- (d) with respect to each affiliate that acquires Securities from a dealer for the purpose of offering or selling such Securities during the restricted period, to repeat and confirm the representations and agreements contained in subclauses (a), (b) and (c) of this paragraph on such affiliate's behalf; and
- (e) to agree that it will obtain from any distributor (within the meaning of U.S. Treas. Reg. Section 1.163-5(c)(2)(i)(D)(4)(ii)) that purchases any Securities subject to the D Rules from it pursuant to a written contract with such dealer (except a distributor that is one of its affiliates or is another dealer), for the benefit of the Issuer and each other dealer, the representations contained in, and such distributor's agreement to comply with, the provisions of subclauses (a), (b), (c) and (d) of this paragraph insofar as they relate to the D Rules, as if such distributor were a dealer hereunder.

The terms used in the preceding sentence have the meanings given to them by the Code and the U.S. Treasury regulations thereunder, including the D Rules.

The Issuer will require each dealer participating in the distribution of Securities subject to the C Rules to agree that it will not at any time offer, sell, resell or deliver, directly or indirectly, the Securities in the United States or to others for offer, sale, resale or delivery, directly or indirectly, in the United States. Further, the Issuer and each dealer to which it sells the Securities will represent and agree that in connection with the original issuance of such Securities that it has not communicated, and will not communicate, directly or indirectly, with a prospective purchaser if such purchaser is within the United States and will not otherwise involve its U.S. office in the offer or sale of such Securities. Accordingly, it further acknowledges that, in the event of any non-compliance with, or breach, violation or contravention of the Obligations by it, the Issuer and/or its associates/affiliates may notify the relevant Indian governmental or regulatory authority of the breach, violation or contravention and exercise any rights and take any measures available to the Issuer and/or its associates/affiliates under the terms of the Securities, or any other measures to prevent, avoid, mitigate, remedy or cure such non-compliance, breach, violation or contravention, including but not limited to termination or compulsory redemption of the Securities by the Issuer and/or its associates/affiliates;
- (h) it will promptly notify the Issuer should any of the representations, warranties, agreements and undertakings given by it change or no longer hold true; and(i) any sale, transfer, assignment, novation or other disposal of the Securities by it, whether direct or indirect, will be subject to the acquiring entity giving substantially the same representations and warranties to it as set out in sub-paragraphs (c) to (f) (inclusive).

FORM OF THE SECURITIES

Information under this heading is applicable to Securities for which the Clearing Agent is specified to be Euroclear Bank S.A./N.V. and/or Clearstream Banking in the applicable Final Terms.

Initial Issue of Securities

Global Securities in bearer form

Global Securities in bearer form may be delivered on or prior to the original issue date of the related Series of Securities to a Clearing Agent or the depositary for one or more Clearing Agents (the “**Common Depositary**”).

Upon the initial deposit of a Global Security in bearer form with a Common Depositary for a Clearing Agent, such Clearing Agent will credit each subscriber with a nominal amount or unit quantity of Securities equal to the nominal amount thereof for which it has subscribed and paid.

Securities that are initially deposited with the Common Depositary for a Clearing Agent (the “**Relevant Clearing Agent**”) may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other Clearing Agents through direct or indirect accounts with the Relevant Clearing Agent held by such other Clearing Agents. Conversely, Securities that are initially deposited with any other Clearing Agent may similarly be credited to the accounts of subscribers with the Relevant Clearing Agent.

Relationship of Accountholders with Clearing Agents

For so long as any of the Securities is represented by a Global Security and such Global Security is held on behalf of one or more Clearing Agents, each person who is for the time being shown in the records of a Clearing Agent as the holder of a particular nominal amount or unit quantity of Securities (an “**Accountholder**”) shall be treated as the holder of that nominal amount or unit quantity of Securities for all purposes other than with respect to the payment or delivery of any amount on the Securities, the right to which shall be vested, as against the Issuer, solely in the bearer of a Global Security in accordance with and subject to its terms. Each Accountholder must look solely to the relevant Clearing Agent for its share of each payment or delivery made to the bearer of a Global Security.

The Issuer covenants in favour of each Accountholder that it will make all payments in respect of the nominal amount or unit quantity of Securities for the time being shown in the records of the relevant Clearing Agents as being held by the Accountholder and represented by a Global Security to the

bearer of a Global Security in accordance with its terms and acknowledges that each Accountholder may take proceedings to enforce this covenant and any of the other rights which it has (described under the preceding paragraph) directly against the Issuer.

Exchange

Temporary Global Securities

Each temporary Global Security in bearer form will be exchangeable on or after its Exchange Date (as defined below):

- (i) if such temporary Global Security is held by a Clearing Agent and any such Clearing Agent is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention to cease business permanently or does in fact do so and the Holder is unable to settle such Securities through any non-affected Clearing Agent, in whole but not in part only, at the request of the bearer of such temporary Global Security, for Definitive Securities in bearer form (as defined below);
- (ii) if so specified in the Final Terms, General Conditions or Product Conditions of such temporary Global Security, in an aggregate nominal amount or unit quantity equal to the nominal amount or unit quantity of such temporary Global Security submitted for exchange, in whole but not in part only, at the request of the bearer of such temporary Global Security, for Definitive Securities in bearer form (as defined below); or
- (iii) free of charge to the Holder, in whole or from time to time in part, for interests in a permanent Global Security in bearer form,

provided that in each case, certification as to non-US beneficial ownership in the form required by the relevant Clearing Agent has been provided to such Clearing Agent with respect to such nominal amount or unit quantity submitted for such exchange.

Permanent Global Securities

Each permanent Global Security in bearer form will be exchangeable on or after its Exchange Date (as defined below), in whole but not in part, for Definitive Securities in bearer form (as defined below):

- (i) if such permanent Global Security is held by a Clearing Agent and any such Clearing Agent is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention to cease business permanently or does in fact do so and the Holder is unable to settle such Securities through any non-affected Clearing Agent; or
- (ii) if so specified in the Final Terms, General Conditions or Product Conditions of such permanent Global Security, in an aggregate nominal amount or unit quantity equal to the nominal amount or unit quantity of such permanent Global Security submitted for exchange,

provided that in each case, certification as to non-US beneficial ownership in the form required by the relevant Clearing Agent has been provided to the such Clearing Agent with respect to such nominal amount or unit quantity submitted for such exchange.

Delivery of Securities

On or after any due date for exchange the holder of a Global Security may surrender such Global Security or, in the case of a partial exchange, present it for endorsement to or to the order of the Principal Agent. In exchange for any Global Security, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Security exchangeable for a permanent Global Security, deliver, or procure the delivery of, a permanent Global Security in an aggregate nominal amount or unit quantity equal to that of the whole or that part of a temporary Global Security that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Security to reflect such exchange or (ii) in the case of a Global Security exchangeable for Definitive Securities, deliver, or procure the delivery of, an equal aggregate nominal amount or unit quantity of duly executed and authenticated Definitive Securities. In this Base Prospectus, “Definitive Securities” means, in relation to any Global Security the definitive bearer Securities, as applicable, for which such Global Security may be exchanged (if appropriate, having attached to them all Coupons in respect of interest that have not already been paid on the Global Security). Definitive Securities will be security printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form available from the offices of the Issuer.

Exchange Date

“**Exchange Date**” means, in relation to a temporary Global Security in bearer form, the first day following the expiry of 40 days after the Issue Date and, in relation to a permanent Global Security in bearer form, the first day following the giving of notice requiring exchange and on a day on which banks are open for business in the city in which the specified office of the Principal Agent is located and in the city in which the relevant Clearing Agent is located.

If any payment or delivery (as the case

may be) is made in respect of any Security represented by a Global Security in bearer form (i) in full, the portion of such Global Security representing such Security shall be cancelled and the amount or unit quantity so cancelled shall be endorsed by or on behalf of the Principal Agent on such Global Security (such endorsement being prima facie evidence that the payment or delivery in question has been made) or (ii) otherwise, a record of each such payment or delivery shall be endorsed by or on behalf of the Principal Agent on such Global Security (such endorsement being prima facie evidence that the payment or delivery in question has been made).

(ii) Cancellation

Ratings

Any rated Securities are expected to be assigned a rating that aligns with the relevant rating measures

outlined below. Should there be any exceptions to this, the Issuer will in each case specify details in the Final Terms of the relevant Securities.

Standard & Poor's Credit Market Services Europe Limited ("**Standard & Poor's**") is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more "A+"; senior notes issued by RBS N.V. with a maturity of less than one year "A-1"; dated subordinated notes issued by RBS N.V. "BBB+"; and undated tier 2 notes issued by RBS N.V. "BB+". As defined by Standard & Poor's, an "A" rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it is strong and an "A-1" rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it is strong. A "BBB" rating means that the financial commitment on the relevant notes exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the Issuer to meet its financial commitment on the relevant notes issued by it. A "BB" rating means that the ability of the Issuer to meet its financial commitment on the relevant notes issued by it faces major ongoing uncertainties or exposure to adverse business, financial, or economic conditions which could lead to the Issuer's inadequate capacity to meet its financial commitment on the relevant notes issued by it. As defined by Standard & Poor's, an addition of a plus (+) or minus (-) sign shows relative standing within the major rating categories.

Fitch Ratings Limited ("**Fitch**") is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more "AA-"; senior notes issued by RBS N.V. with a maturity of less than one year "F1+"; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis. As defined by Fitch, an "AA" rating indicates that the Issuer has a very strong capacity for payment of its financial commitments on the relevant notes issued by it and that this capacity is not significantly vulnerable to foreseeable events. As defined by Fitch, an addition of a plus (+) or minus (-) sign denotes relative status within the major rating categories. As defined by Fitch, an "F1" rating indicates that the Issuer has the strongest capacity for timely payment of its financial commitments on the relevant notes issued by it. As defined by Fitch, an addition of a plus (+) to an "F1" rating denotes an exceptionally strong credit feature.

Moody's Investors Service Limited ("**Moody's**") is expected to rate: senior notes issued by RBS N.V. with a maturity of one year or more "A2"; senior notes issued by RBS N.V. with a maturity of less than one year "P-1"; and dated subordinated notes and undated tier 2 notes issued by RBS N.V. will be rated on a case-by-case basis. As defined by Moody's, an "A" rating means the capacity of the Issuer to meet its obligations on the relevant notes issued by it is considered upper-medium grade subject to low credit risk. As defined by Moody's the addition of a "2" indicates that the obligation ranks in the mid-range of its rating category. As defined by Moody's, a "P-1" rating means that the Issuer has a superior ability to repay its short term debt obligations on the relevant notes issued by it.

The rating definitions set out above constitute third party information and were obtained in the English language from (i) the publication entitled “Standard & Poor’s Ratings Definitions 27 April 2011” published by Standard & Poor’s (available at www.standardandpoors.com), (ii) the publication entitled “Rating Symbols and Definitions January 2011” published by Moody’s (available at www.moody.com) and (iii) the publication entitled “Definitions of Ratings and Other Forms of Opinion April 2011” published by Fitch (available at www.fitchratings.com). The information found at the websites referred to in the previous sentence does not form part of and is not incorporated by reference into this Base Prospectus. The rating definitions set out above have been accurately reproduced from the sources identified above and, so far as the Issuer is aware and is able to ascertain from information published by the third parties referred to above, no facts have been omitted which would render the ratings definitions set out above inaccurate or misleading.

A rating is not a recommendation to buy, sell or hold securities and may be subject to change, suspension or withdrawal at any time by the assigning rating agency.

The credit ratings included and referred to in this Base Prospectus (to the extent they relate to this Part A) have been issued by Standard & Poor’s Credit Market Services Europe Limited, Fitch Ratings Limited and Moody’s Investors Service Limited, each of which is established in the European Union and has applied to be registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies, although the results of such applications have not yet been determined.

Proposed Transfers

On 19 April 2011, the Boards of RBSG, RBS, RBS Holdings and RBS N.V. announced that they had approved the proposed transfers of a substantial part of the business activities of RBS N.V. to RBS (the “**Proposed Transfers**”), subject, amongst other matters, to regulatory and other approvals, further tax and other analysis in respect of the assets and liabilities to be transferred and employee consultation procedures.

It was also announced that it was expected that the Proposed Transfers would be implemented on a phased basis over a period ending 31 December 2013 and that a large part of the Proposed Transfers (including the transfers of certain securities issued by RBS N.V.) was expected to have taken place by the end of 2012. Where available and practicable, statutory transfer schemes will be used to implement the Proposed Transfers. Subject to internal approvals, it is expected that these will include a banking business transfer scheme in respect of eligible business carried on by RBS N.V. pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the “**Part VII Scheme**”). Implementation of the Part VII Scheme will be subject (amongst other matters) to court and regulatory approval. In due course, it is expected that details will be announced of the RBS N.V. securities in respect of which RBS is expected to become the issuer as a result of the Part VII Scheme.

From on or around the date of such announcement, RBS N.V. will include provisions in the Final Terms for new issues of Securities under the Programme to indicate whether or not RBS is expected to become the issuer of those Securities as a result of the Part VII Scheme (subject to the relevant Securities not having been exercised, redeemed or repurchased and cancelled prior to the implementation of the Part VII Scheme). In advance of that, certain disclosure relating to RBS has been incorporated by reference in this Base Prospectus. If the Final Terms for an issue of Securities indicate that RBS is not expected to become the issuer of those Securities as a result of the Part VII Scheme, the expectation is that RBS N.V. will remain the issuer of such Securities and that RBS will not become the issuer of such Securities pursuant to the Proposed Transfers generally.

If the Final Terms of an issue of Securities indicate that RBS is or is not expected to become the issuer of such Securities as a result of the Part VII Scheme, investors should not place any reliance on such indication when making an investment decision or for any other purpose, and investors should be aware that changes to the proposals for the Proposed Transfers (including, without limitation, to the identity of the securities in respect of which RBS may become the issuer, the eventual manner in which the change of issuer is proposed to be effected, to the timing for such change or any other details of the Part VII Scheme) may be made if required, or if determined by RBS N.V. or RBS (in their absolute discretion) to be desirable for commercial or other reasons. Accordingly, nothing in the Final Terms or this Base Prospectus should be taken as (or is) a representation that RBS will become, or RBS N.V. will remain, the issuer of any of the Securities, whether in the manner described in this Base Prospectus, in accordance with the timing set out in this Base Prospectus, or at all. If prospective purchasers are in any doubt as to whether there is any tax or other impact on them as a result of the Proposed Transfers (including the Part VII Scheme), they should discuss such matters with their advisers.

Guarantee

RBS Holdings owns 100 per cent. of RBS N.V.'s shares and is jointly and severally liable for all liabilities in respect of the Securities pursuant to a declaration under Article 2:403 of the Dutch Civil Code, which liability of RBS Holdings in relation to any Securities that are transferred as a result of the Part VII Scheme will not be affected by such transfer (to the extent RBS Holdings would, but for such transfer, have otherwise been liable for the same).

(e) Scale-back and Cancellation

The Issuer reserves the right, prior to the Issue Date, in its absolute discretion to:

1. decline in whole or in part an application for Securities such that a prospective purchaser for Securities may, in certain circumstances, not be issued the number of (or any) Securities for which it has applied ("**Scale-back**"); or
2. withdraw, cancel or modify the offer of the Securities ("**Cancellation**").

The Issuer may Scale-back or effect a Cancellation of the Securities without notice and will notify prospective investors, either directly or indirectly through a relevant Selling Agent, of such Scale-back or Cancellation after such Scale-back or Cancellation has occurred. In the event that the Securities are not issued, no subscription monies shall be payable by prospective purchasers to the Issuer (either directly or indirectly through a Selling Agent (as defined above)) in respect of the Securities. Prospective purchasers should contact their Selling Agent of choice for details of the arrangements for the return of application monies in such circumstances. The Issuer shall have no responsibility for, or liability arising out of, the relationship between prospective purchasers and their respective Selling Agents and clearing system operators, including, without limitation, in respect of arrangements concerning the return of monies by such persons to their clients.

(f) Details of the Manner in Which the Results of the Initial Offer are to be Made Public

The total amount of the offer shall be as specified in the relevant Final Terms in respect of the relevant Series of the Securities. If an amount is not fixed then the Issuer will make a notification pursuant to Article 8 of the Prospectus Directive. Except in the case of (i) for a Scale-back or a Cancellation, in which case the Issuer will notify prospective investors of such Scale-back or Cancellation as described in sub-paragraph (e) above, or (ii) as otherwise specified in the relevant Final Terms in respect of the relevant Series of the Securities, the Issuer will issue all of the Securities that are the subject of the offer on the Issue Date. A prospective investor submitting an application to purchase Securities will be notified by the Issuer, either directly or indirectly through a relevant Selling Agent, of the acceptance or otherwise of such application on or prior to the Issue Date. Dealing may begin before such notification is made.

(g) Categories of Investors to which Securities are Offered

The Securities will be offered to both retail and qualified investors.

(h) Expenses and Taxes

Any expenses are described in the relevant Product Conditions and Final Terms for the relevant Series and will be deducted accordingly. For further information on taxes, please refer to the section titled “Taxation”.

(i) Post-issuance Information

The Issuer does not intend to provide any post-issuance information.

(j) Description of the Securities

Reverse exchangeable securities may be interest bearing or non-interest bearing investment instruments which, at maturity, at the option of the Issuer, if so specified, or in accordance with the redemption formula will either, (i) pay a cash amount linked to the nominal amount of the relevant reverse exchangeable security, less certain expenses (the “**Cash Amount**”); or (ii) pay a cash amount linked to the value of the underlying stock, certificate, commodity, commodity future, fund, index (including in the case of an index, the index and its constituent elements), basket or other product; or (iii) deliver the Underlying, in each case, subject to the terms of the relevant reverse exchangeable security. The types of reverse exchangeable securities that may be issued under this Base Prospectus are described below.

Worst of basket reverse exchangeable securities are interest bearing securities, linked to a basket of single stocks, to be redeemed at the option of the Issuer on the relevant settlement date, as specified in the applicable Final Terms, either (i) by payment of the Cash Amount; or (ii) by physical delivery of a number of the least performing share, as determined by the Calculation Agent, comprised in the basket of shares, as specified in the applicable Final Terms.

Knock-in reverse exchangeable securities may have a range of different Underlyings and are interest bearing securities, which may be redeemed on the relevant maturity date, at the option of the Issuer, if so specified, or as otherwise specified in the applicable Final Terms, by (I) payment of the Cash Amount if a knock-in event has not occurred (such event occurs, unless otherwise specified in the relevant Final Terms, if the price of the relevant Underlying specified in the applicable Final Terms is less than or equal to the knock-in level, being a predetermined level, during a particular period); or (II) where a knock-in event has occurred, either by (i) payment of the Cash Amount; or (ii) the physical delivery of the relevant number of shares, if so specified in the applicable Final Terms; or (iii) an amount linked to the value of the Underlying, as specified in the applicable Final Terms.

Knock-out reverse exchangeable securities are similar to knock-in reverse exchangeable securities, the difference being that if a knock-out event has occurred the securities will be redeemed by payment of the Cash Amount. If a knock-out event has not occurred, the Issuer has the option to redeem the securities by payment of either (i) the Cash Amount; or (ii) by physical delivery of the relevant

number of shares or an amount linked to the value of the Underlying, as specified in the applicable Final Terms.

Basket knock-in reverse exchangeable securities are similar to knock-in reverse exchangeable securities linked to a single stock, the difference being that if the Issuer elects to redeem the securities by way of physical delivery, if applicable, the number of shares to be delivered, as determined by the Calculation Agent, shall be calculated by reference to the price of each share comprised in the relevant basket on the pricing date and its respective weighting, each as specified in the applicable Final Terms.

Basket knock-out reverse exchangeable securities are similar to basket knock-in reverse exchangeable securities, the difference being that if a knock-out event has occurred the securities will be redeemed by payment of the Cash Amount. If a knock-out event has not occurred, the Issuer has the option to redeem the securities by payment of the Cash Amount or by physical delivery of the relevant number of shares

Issued Financial Instruments on the Issuer's securities

At the date of this Base Prospectus, there are no convertible bonds or options on the Issuer's securities (including employee options) outstanding which have been issued by the Issuer or by the group companies of the Issuer.

Equity Securities

All of the Issuer's ordinary shares are held by RBS Holdings and are not listed or traded.

Where information has been sourced from a third party, the Issuer confirms that this information has been accurately reproduced and that as far as the Issuer is aware and is able to ascertain from information published by that third party, no facts have been omitted which would render the reproduced information inaccurate or misleading.

Recent Developments

Material Contracts

The RBS Group is party to various contracts in the ordinary course of business. Material contracts are described on pages 399 to 404 of the 2010 annual report and accounts of RBSG which was published by RBSG on 17 March 2011.

Investigations: Payment Protection Insurance

The registration document of RBS dated 25 February 2011 published via the Regulatory News Service of the London Stock Exchange plc on 25 February 2011 contains disclosure relating to Payment Protection Insurance on page 42 under the heading "Payment Protection Insurance" and the following paragraphs shall replace the third paragraph in that section:

Following unsuccessful negotiations with the industry, the Financial Services Authority (the "FSA") issued consultation papers on PPI complaint handling and redress in September 2009 and again in March 2010. The FSA published its final policy statement on 10 August 2010 and instructed firms to implement the measures contained in it by 1 December 2010. The new rules impose significant changes with respect to the handling of misselling PPI complaints. On 8 October 2010, the British Bankers' Association (the "BBA") filed an application for judicial review of the FSA's policy statement and of related guidance issued by the Financial Ombudsman Service (the "FOS"). The application was heard in January 2011. On 20 April 2011, the High Court issued a judgment in favour of the FSA and the FOS. The BBA announced on 9 May 2011 that it would not appeal that judgment and the RBSG Group supports this position. On 9 May 2011, the RBSG Group announced that, although the costs of PPI redress and its administration are subject to a degree of uncertainty, the RBSG Group will record an additional provision of £850 million in the second quarter of 2011. To date, the RBSG Group has paid compensation to customers of approximately £100 million and the

RBSG Group has an existing provision of approximately £100 million. The RBSG Group is currently discussing with the FSA how the FSA's policy statement should be implemented and what its requirements are. As part of these discussions, the RBSG Group will review its PPI complaint handling processes to ensure that redress is offered to any customers identified as having suffered detriment.

Significant Change and Material Adverse Change

Save in relation to the matters referred to in the section headed "Investigations: Payment Protection Insurance" above, which relates to past sales of Payment Protection Insurance:

- (a) there has been no significant change in the trading or financial position of the RBS Group taken as a whole since 31 December 2010 (the end of the last financial period for which either audited financial information or interim financial information of the RBS Group has been published);
and
- (b) there has been no material adverse change in the prospects of the RBS Group taken as a whole since 31 December 2010 (the last date to which the latest audited published financial information of the RBS Group was prepared).

Assets, Owners' Equity and Capital Ratios

The RBS Group had total assets of £1,307.3 billion and owners' equity of £57.0 billion as at 31 December 2010. As at 31 December 2010, the RBS Group's capital ratios were a total capital ratio of 13.6 per cent., a Core Tier 1 capital ratio of 8.4 per cent. and a Tier 1 capital ratio of 10.1 per cent.

Large Exposure Regime

On 1 July 2011, RBS will become subject to changes to the Financial Services Authority's large exposure regime. Under the changes to the large exposure regime, any company which is less than 100 per cent. owned by RBSG will be classified as a Connected Counterparty. RBS N.V., which is currently approximately 98 per cent. indirectly owned by RBSG, will therefore be classified as a Connected Counterparty, which will result in a breach by RBS of the amended rules under the large exposure regime described above.

The Proposed Transfers (as described above) are, subject to certain conditions, expected to be implemented on a phased basis over a period ending 31 December 2013. Those Proposed Transfers will also form the basis of a remediation plan which has been agreed with the Financial Services Authority to enable RBS over time to become compliant with the changes to the large exposure regime.

RBS does not expect this to have a material adverse effect on the RBSG Group.

CONDITIONS: GENERAL CONDITIONS

The General Conditions which follow relate to the Securities and must be read in conjunction with, and are subject to, the Product Conditions and the Final Terms. The Final Terms, the Product Conditions and the General Conditions together constitute the Conditions of the Securities and will be printed on any Definitive Securities and attached to any Global Security representing the Securities.

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions or the applicable Final Terms and, if not so defined, shall be inapplicable. References in these General Conditions to interest and Coupons (and related expressions) shall be ignored in the case of Securities which do not bear interest. References in these General Conditions to the Conditions shall mean these General Conditions and, in relation to any Securities, the Product Conditions applicable to those Securities.

2. STATUS

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

(a) The Issuer shall have the right to terminate the Securities if it shall have determined in its absolute discretion that its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power (“**Applicable Law**”). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4.

- (b) The Issuer shall have the right to terminate the Securities if it shall have determined in its absolute discretion that payments made on the Securities are, in whole or in part, directly or indirectly contingent upon, or determined by reference to, the payment of a dividend from a U.S. entity and that these payments have or will become subject to U.S. withholding tax. In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements and of paying any required U.S. withholding tax. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4.

4. NOTICES

- (a) With respect to Securities other than Securities cleared through CREST, Notices to Holders shall be given by the delivery of the relevant notice to the Clearing Agent(s) with an instruction from the Issuer to the Clearing Agent(s) to communicate such notice to the Holders. Where Securities are cleared through CREST, notices to Holders shall be given by the delivery of the relevant notice to the Registrar for communication to the Holders pursuant to the procedures for delivery of notices to accountholders in CREST as may be agreed between the Issuer, the Registrar and the Operator from time to time. The Issuer shall also ensure that notices are duly published, to the extent required, in a manner which complies (i) with the rules of any stock exchange or other relevant authority on which the Securities are for the time being listed or in the country in which such Securities have been admitted to trading and (ii) with any relevant legislation. In addition, for Securities listed on the SIX Swiss Exchange Ltd, the Issuer shall have the right but (without prejudice to the previous sentence) shall not be obliged to publish notices in electronic form on the internet website of the SIX Swiss Exchange Ltd http://www.six-exchange-regulation.com/publications/communiqués/official_notices_en.html if and so long as the Securities are listed on the SIX Swiss Exchange Ltd.
- (b) Any such notice issued pursuant to General Condition 4(a) by being delivered to the Clearing Agent(s) or the Registrar for communication to the Holders, as applicable, will be deemed to have been given on the date of the delivery of such notice to the Clearing Agent(s) or the Registrar, as applicable. Any such notice issued pursuant to General Condition 4(a) by being published will be deemed to have been given on the date of the first publication (for the avoidance of doubt, such notice having been

published by any valid means) or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

5. HEDGING DISRUPTION

- (a) Notification. The Issuer shall as soon as reasonably practicable give instructions to the Calculation Agent to notify the Holders in accordance with General Condition 4(a): (i) if it determines that a Hedging Disruption Event has occurred; and (ii) of the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).
- (b) Hedging Disruption Event. A “Hedging Disruption Event” shall occur if the Issuer, acting in good faith and in a commercially reasonable manner, determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer or any Hedge Provider wholly or partially to (i) hold, acquire, establish, re-establish, substitute, maintain, unwind or dispose of a relevant hedging transaction (a “**Relevant Hedging Transaction**”) or asset it deems necessary, appropriate or desirable to hedge the Issuer's obligations in respect of the Securities or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s). The reasons for such determination by the Issuer may include, but are not limited to, the following:
 - (i) the Issuer or any Hedge Provider will, whether directly or indirectly, incur a material increase (as compared with circumstances existing on the Issue Date) in the amount of tax, duty, expense (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position) or fee (other than brokerage commissions) provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer or the Hedge Provider shall not be considered for the purposes of this sub-paragraph (i); or
 - (ii) any material illiquidity in the market for, or any mandatory redemption in whole or in part of, the relevant instruments (the “Disrupted Instrument”) which from time to time are included in the reference asset to which the Securities relate; or
 - (iii) a change in any applicable law or regulation (including, without limitation, any tax law) or the promulgation of, or change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority); or

- (iv) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or
- (v) the general unavailability of: (A) market participants who will agree to enter into a Relevant Hedging Transaction; or (B) market participants who will so enter into a Relevant Hedging Transaction on commercially reasonable terms.

In the Conditions:

“Hedge Position” means any purchase, sale, entry into or maintenance of one or more (i) positions or contracts in reference assets to which the Securities relate, securities, options, futures, derivatives or foreign exchange, (ii) securities lending transactions or (iii) other instruments or arrangements (however described) by the Issuer in order to hedge the Issuer’s risk of issuing, and performing its obligations with respect to, the Securities; and

“Hedge Provider” includes but is not limited to the Issuer, any associate, subsidiary or affiliate thereof and/or The Royal Bank of Scotland plc and/or any other party(ies) and/or any special purpose vehicle(s) holding or entering into a Hedge Position in connection with the Issuer’s hedging arrangements in respect of the Securities.

- (c) Consequences. The Issuer, in the event of a Hedging Disruption Event, may determine to:
 - (i) terminate the Securities. In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date (as defined in the relevant Product Conditions, or otherwise, the date that is the Settlement Date) as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date (if applicable), any such amount to be paid under this General Condition shall not be less than the present value of such minimum assured return of principal and/or interest or coupons having regard to prevailing market rates, credit spreads and market liquidity, such present value being determined by the Calculation Agent. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4;

- (ii) make an adjustment in good faith to the relevant reference asset by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may: (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or (B) notionally reinvest such proceeds in other reference asset(s) if so permitted under the Conditions (including the reference asset(s) to which the Securities relate);
 - (iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such adjustment will in no way affect the Issuer's obligations to make payment to the Holders not less than the minimum assured return of principal and/or interest or coupons on the relevant Settlement Date or Maturity Date, or Interest Payment Date, as applicable.
- (d) The Issuer may also make adjustments to the Conditions if it determines that an event has occurred which, whilst not a Hedging Disruption Event or other disruption event as specified in Product Condition 4, is likely to have a material adverse effect on the Issuer's Hedge Position. Where the Issuer makes adjustments to the Conditions pursuant to this General Condition 5(d), the Issuer shall notify the Holders thereof and shall offer to purchase from Holders for a period of not less than 10 days any Securities held by them at their fair market value (as determined by the Calculation Agent acting in good faith and in a commercially reasonable manner and taking into account the proposed adjustment) less the cost to the Issuer of unwinding any Relevant Hedging Transaction.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer or any affiliate may purchase Securities at any price in the open market or by tender or private treaty. Any Securities so purchased may be held, surrendered for cancellation or reissued or resold, and Securities so reissued or resold shall for all purposes be deemed to form part of the original series of Securities.
- (b) Further Issues. The Issuer shall be at liberty from time to time without the consent of the Holders or any of them to create and issue further securities so as to be consolidated with and form a single series with the Securities.

- (c) Prescription. Any Security or Coupon which is capable of presentation and is not so presented by its due date for presentation shall be void, and its value reduced to zero, if not so presented within five years of such due date. For the avoidance of doubt, any Securities which are subject to provisions relating to their exercise shall be void, and their value shall be zero, if not exercised in accordance with their provisions.

7. DETERMINATIONS AND MODIFICATIONS

(a) Determinations.

- (i) In making any determinations and calculations under these Conditions, the Issuer and the Calculation Agent shall act at all times in good faith and in a commercially reasonable manner. All such determinations and calculations by the Issuer and the Calculation Agent shall, in the absence of manifest error, be final and binding.
- (ii) Whilst it is intended that the Issuer and the Calculation Agent will employ the methodology described in the Conditions to make determinations in respect of the Securities, no assurance can be given that market, regulatory, judicial or fiscal circumstances or, without limitation, any other circumstances will not arise that would necessitate a modification or change in such methodology in order that the Securities replicate as closely as possible investments in the assets underlying the Securities and its components. The Issuer and the Calculation Agent may make any such modification or change to such methodology that it considers necessary to reflect such circumstances.
- (iii) Calculations made by the Issuer or the Calculation Agent in respect of the Securities shall be made on the days specified herein; however, notwithstanding the foregoing or anything else contained in these Conditions, should the Issuer or the Calculation Agent determine that in order to give effect to the methodology described in these Conditions it is necessary to make calculations on a day or days other than that specified, then each of the Issuer and the Calculation Agent is permitted to make such calculations on such calendar day or days as it shall determine.
- (iv) Due to timing considerations, process requirements and other matters that would, in the opinion of the Issuer or the Calculation Agent, be relevant in relation to the implementation of asset allocation models, the Issuer or the Calculation Agent may need to make appropriate adjustments to the methodology set out in the Conditions as it considers necessary in order to reflect the timing and amounts that would be applicable were the Issuer or the

Calculation Agent physically implementing the methodology set out in the Securities.

- (b) **Modifications.** The Issuer may, without the consent of the Holders or any of them, modify any provision of the Conditions which is: (i) of a formal, minor or technical nature; (ii) made to correct a manifest error; or (iii) in its absolute discretion, not materially prejudicial to the interests of the Holders. Notice of any such modification will be given to the Holders in accordance with General Condition 4 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

8. SUBSTITUTION

- (a) **Substitution of Issuer.** The Issuer may at any time without the consent of the Holders substitute for itself as issuer of the Securities with regard to any and all rights, obligations and liabilities under and in connection with the Securities:
 - (i) The Royal Bank of Scotland plc, registered in Scotland under No.90312, with its registered office at 36 St Andrew Square, Edinburgh EH2 2YB, (“**RBS**” or the “**Substitute**”) subject to the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4; or
 - (ii) any entity which (i) acquires all or substantially all of the undertaking and/or assets of the Issuer or (ii) acquires the beneficial ownership of the whole of the issued voting stock and/or share capital of the Issuer or (iii) into which the Issuer is amalgamated, merged or reconstructed and where the Issuer is not the continuing company (such entity, a “**Successor in Business**” or the “**Substitute**”) subject to the Issuer having given at least 30 days prior notice of the date of such substitution to the Holders in accordance with General Condition 4; or
 - (iii) the holding company of the Issuer (the holding company currently being The Royal Bank of Scotland Group plc, company number SC045551) (the “**Holding Company**” or the “**Substitute**”) subject to the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4; or
 - (iv) any entity other than RBS, a Successor in Business or the Holding Company (also, the “**Substitute**”), subject to the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with

General Condition 4; and the Issuer or RBS having issued a legal, valid and binding guarantee of the obligations and liabilities of the Substitute under the Securities for the benefit of each and any of the Holders,

and in each case subject to all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Securities represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and being in full force and effect.

In the event of any substitution of the Issuer, any reference in the Conditions to the Issuer shall from such time be construed as a reference to the Substitute.

- (b) Substitution of Office. The Issuer shall have the right upon notice to the Holders in accordance with General Condition 4 to change the office through which it is acting and shall specify the date of such change in such notice.

9. TAXATION

The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other similar payment which may arise as a result of the ownership, transfer or exercise of any Securities. In relation to each Security the relevant Holder shall pay all Expenses as provided in the Product Conditions. All payments or, as the case may be, deliveries in respect of the Securities will be subject in all cases to all applicable fiscal and other laws and regulations (including, where applicable, laws requiring the deduction or withholding for, or on account of, any tax duty or other charge whatsoever). The Holder shall be liable for and/or pay any tax, duty or charge in connection with the ownership of and/or any transfer, payment or delivery in respect of the Securities held by such Holder. The Issuer shall have the right, but shall not be obliged, to withhold or deduct from any amount payable such amount, as shall be necessary to account for or to pay any such tax, duty, charge, withholding or other payment.

10. REPLACEMENT OF SECURITIES AND COUPONS

If any Security or Coupon is lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Principal Agent (or such other place of which notice shall have been given to Holders in accordance with General Condition 4) upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Securities and Coupons must be surrendered before replacements will be issued. This General Condition will not apply to Securities issued in dematerialised form.

11. ADJUSTMENTS FOR EUROPEAN MONETARY UNION

- (a) Redenomination. The Issuer may, without the consent of any Holder, on giving notice to the Holders in accordance with General Condition 4 elect that, with effect from the Adjustment Date specified in such notice, certain terms of the Securities shall be redenominated in euro. The election will have effect as follows:
- (i) where the Settlement Currency is the National Currency Unit of a country which is participating in the third stage of European Economic and Monetary Union pursuant to the Treaty, such Settlement Currency shall be deemed to be an amount of euro converted from the original Settlement Currency into euro at the Established Rate, subject to such provisions (if any) as to rounding as the Issuer may decide and as may be specified in the notice, and after the Adjustment Date, all payments in respect of the Securities will be made solely in euro as though references in the Securities to the Settlement Currency were to euro;
 - (ii) where the Conditions contain a rate of exchange or any of the Conditions are expressed in a National Currency Unit (the “**Original Currency**”) of a country which is participating in the third stage of European Economic and Monetary Union pursuant to the Treaty, such rate of exchange and/or any other terms of the Conditions shall be deemed to be expressed in or, in the case of a rate of exchange, converted for or, as the case may be into, euro at the Established Rate; and
 - (iii) such other changes shall be made to the Conditions as the Issuer may decide to conform them to conventions then applicable to instruments expressed in euro.
- (b) Adjustment to Conditions. The Issuer may, without the consent of the Holders, on giving notice to the Holders in accordance with General Condition 4 make such adjustments to the Conditions as the Issuer may determine to be appropriate to account for the effect of the third stage of European Economic and Monetary Union pursuant to the Treaty on the Conditions.
- (c) Euro Conversion Costs. Notwithstanding General Condition 11(a) and/or General Condition 11(b), none of the Issuer, the Calculation Agent nor any Agent shall be liable to any Holder or other person for any commissions, costs, losses or expenses in relation to or resulting from the transfer of euro or any currency conversion or rounding effected in connection therewith.

- (d) Definitions Relating to European Economic and Monetary Union. In this General Condition, the following expressions have the meanings set out below.

“**Adjustment Date**” means a date specified by the Issuer in the notice given to the Holders pursuant to this Condition which falls on or after the date on which the country of the Original Currency or, as the case may be, the Settlement Currency first participates in the third stage of European Economic and Monetary Union pursuant to the Treaty;

“**Established Rate**” means the rate for the conversion of the Original Currency or, as the case may be, the Settlement Currency (including compliance with rules relating to rounding in accordance with applicable European community regulations) into euro established by the Council of the European Union pursuant to Article 123 of the Treaty;

“**National Currency Unit**” means the unit of the currency of a country as those units are defined on the day before the country first participates in the third stage of European Economic and Monetary Union pursuant to the Treaty; and

“**Treaty**” means the treaty establishing the European Community, as amended.

12. AGENTS

- (a) Principal Agent and Agents. The Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint further or additional Agents, provided that no termination of appointment of the principal agent (the “**Principal Agent**”) shall become effective until a replacement Principal Agent shall have been appointed and provided that, if and to the extent that any of the Securities are listed on any stock exchange or publicly offered in any jurisdiction, there shall be an Agent having a specified office in each country required by the rules and regulation of each such stock exchange and each such jurisdiction and provided further that, if and to the extent that any of the Securities are in registered form, there shall be a Registrar and a Transfer Agent (which may be the Registrar), if so specified in the relevant Product Conditions. Notice of any appointment, or termination of appointment, or any change in the specified office, of any Agent will be given to Holders in accordance with General Condition 4. Each Agent acts solely as agent of the Issuer and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders or any of them. Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed, at the sole option of the Issuer, either, in respect of each Nominal Amount:

(1) at the Cash Amount; or

(2) by delivery of the Share Amount,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day. The Issuer will give Notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to settle the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the fraction of Share (if any) has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

(b) Interest Amount. If “Interest” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, in respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.

(c) Interest Accrual. If “Interest” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Share is postponed due to a Settlement Disruption Event or a Market Disruption Event.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro or Renminbi, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by

credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque; where any amount paid in connection with the Securities is in Renminbi, payment of such amount will be made by an Agent on behalf of the Issuer solely by credit to a Renminbi bank account maintained at a bank in Hong Kong in accordance with applicable laws and regulations. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount (if any), the Share Amount, the Disruption Cash Settlement Price, or the Realised Share Amount. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.
- (h) **Notice.** If the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent, Principal

Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro or Renminbi, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque or if such amount is payable in Reminbi, payments will be made solely by credit to a Renminbi bank account maintained at a bank in Hong Kong in accordance with applicable laws and regulations; and
- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;

- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission’s regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;
 - (7) specify the Delivery Details; and
 - (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, delivered to the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the “**Delivery Date**”) in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not,

in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the “**Realised Share Amount**”) for the account of the relevant Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.

- (j) Verification. In respect of any Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it

shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any other such person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any other such persons being the legal owner of such Shares during such Intervening Period.
- (n) **Dividends.** Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any

Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or

- (B) in any options contracts or futures contracts or other derivatives contracts relating to the Share on any Related Exchange, if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Potential Adjustment Events. Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:
 - (1) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
 - (2) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or, a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such

payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

- (c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:
- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
 - (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be

made in such manner as shall be notified to the Holders in accordance with General Condition 4; or

- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and action proposed to be taken in relation thereto.

“De-listing” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“Merger Event” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change

to all the outstanding Shares); or (3) take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Determination Date.

“**Nationalisation**” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

In addition, if a CNY Currency Event exists on a date for payment of any amount in respect of any Security, the Calculation Agent may determine, one or more the following, in its sole and absolute discretion:

(1) the relevant payment of the Issuer be postponed to the Relevant Number of CNY Business Days after the later of (i) the Determination Date or (ii) the date on which the CNY Currency Event ceases to exist or, if that would not be possible (as determined by the Issuer acting in good faith), as soon as reasonably practicable thereafter;

(2) that the Issuer’s obligation to make a payment in CNY under the terms of the Securities be replaced by an obligation to pay an amount in the Alternate Currency (converted at the Alternate Settlement Rate determined as of a time selected in good faith by the Calculation Agent); and

(3) by giving notice to the relevant Holders in accordance with General Condition 4, the Issuer, in its sole and absolute discretion, may redeem all, but not some only, of the Securities, each Security being redeemed at its CNY Early Redemption Amount.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

CONDITIONS: PRODUCT CONDITIONS

2. FORM

- (a) **Global Form.** Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.
- (b) **Dematerialised Form.** Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating

securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i)

dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Settlement Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed, at the sole option of the Issuer, either, in respect of each Nominal Amount:

(1) at the Cash Amount, if the Final Reference Price is equal to or greater than the Strike Price; or

(2) by delivery of the Share Amount, if the Final Reference Price is less than the Strike Price,

such redemption to occur, subject as provided below, on the Settlement Date

- (b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Share is postponed due to a Settlement Disruption Event or a Market Disruption Event.
- (d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) Presentation and Surrender. Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the

Share Amount, the Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.

- (h) Notice. If the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent, Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account

and other relevant information or, as the case may be, the address for delivery of the cheque;

- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
 - (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission’s regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;
 - (7) specify the Delivery Details; and
 - (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, delivered to the Registrar after the close of

business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the “**Delivery Date**”) in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the “**Realised Share Amount**”) for the account of the relevant Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.

- (j) Verification. In respect of any Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal

Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) Intervening Period. If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any other such person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any other such persons being the legal owner of such Shares during such Intervening Period.
- (n) Dividends. Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity

Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.

- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.
- (p) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related

Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):

- (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Share on any Related Exchange, if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Potential Adjustment Events. Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:
- (1) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
 - (2) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or, a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

- (c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:
- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
 - (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and

absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or

- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and action proposed to be taken in relation thereto.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for

- (7) specify the Delivery Details; and
 - (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) **Late Delivery of Notice.** If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Settlement Date (the date of delivery in relation to a Share Amount whether on or after the Settlement Date being the "**Delivery Date**") in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Settlement Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above prior to the date that is 30 calendar days after the Settlement Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the "**Realised Share Amount**") for the account of the Holder until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.
- (j) **Verification.** In respect of each Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the

Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.

- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of the Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Valuation Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Valuation Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Shares during such Intervening Period.
- (n) **Dividends.** Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole and absolute discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount

relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in

price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

(b) **Potential Adjustment Events.** Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

(1) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and

(2) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

(c) **De-listing, Merger Event, Nationalisation and Insolvency.** If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the

Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:

- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
- (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and

absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“**De-listing**” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“**Merger Date**” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“**Merger Event**” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (3) take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Valuation Date.

“**Nationalisation**” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or

other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for

the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed by the Issuer, provided that no Knock-in Event has occurred in respect of each Nominal Amount, at the Cash Amount. Where a Knock-in Event has occurred, each Security will be redeemed at the sole option of the Issuer, in respect of each Nominal Amount:

- (1) at the Cash Amount; or
- (2) by delivery of the Share Amount,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to settle the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the fraction of Share (if any) has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Share is postponed due to a Settlement Disruption Event or a Market Disruption Event.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such

amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.
- (h) **Notice.** If the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent or Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;
- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States

federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission's regulations by virtue of its participants being non-U.S. persons; or (G) any other "U.S. person" as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;

- (7) specify the Delivery Details; and
- (8) authorise the production of such Notice in any applicable administrative or legal proceedings.

- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the "**Delivery Date**") in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the "**Realised Share Amount**") for the account of the Holder, until presentation of the relevant Notice.

Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.

- (j) Verification. In respect of each Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful

misconduct on its part, none of the Issuer nor the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Shares during such Intervening Period.
- (n) **Dividends.** Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4

that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

- (p) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced

change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Potential Adjustment Events. Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:
- (i) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
 - (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

- (c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:
- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
 - (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
 - (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related

Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“De-listing” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“Merger Event” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (3) other take-over offer for the Shares of a Share Company that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Determination Date.

“Nationalisation” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“Insolvency” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or

other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

CONDITIONS: PRODUCT CONDITIONS
RELATING TO SINGLE STOCK KNOCK-IN REVERSE EXCHANGEABLE SECURITIES II

The Product Conditions which follow relate to the Securities and must be read in conjunction with, and are subject to, the applicable Final Terms and the General Conditions (whether or not attached to this document). The applicable Final Terms, the Product Conditions and the General Conditions together constitute the Conditions of the Securities and will be printed on any Definitive Securities and attached to any Global Security representing the Securities.

1. DEFINITIONS

“**Agent**” means each of the Principal Agent and Agent(s), each as specified in the applicable Final Terms, and/or The Royal Bank of Scotland N.V., Amsterdam, Zurich Branch, Lerchenstrasse 24, P.O. In that case (i) the last day of the Relevant Number of Trading Days shall be deemed to be the Determination Date (regardless of the Market Disruption Event) and (ii) the Calculation Agent shall determine the Final Reference Price having regard to the then prevailing market conditions, the last reported trading price of the Shares on the Exchange and such other factors as the Calculation Agent determines to be relevant;

2. FORM

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the

denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian,

crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed by the Issuer, provided that no Knock-in Event has occurred in respect of each Nominal Amount, at Cash Amount 1. Where a Knock-in Event has occurred, each Security will be redeemed in respect of each Nominal Amount:

(1) at Cash Amount 1 if the Final Reference Price is equal to or greater than the Initial Reference Price; and otherwise

(2) at Cash Amount 2,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, on the next succeeding Business Day.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption.

- (d) **Method of Payment.** Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount or the Interest Amount. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.
- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any

circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) **Potential Adjustment Events.** Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

- (i) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
- (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

- (c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:
 - (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that

adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or

- (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“De-listing” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the date upon which all holders of the Shares of a Share Company (other than, in the case of a take-over offer, Shares owned or controlled by the offeror) have agreed or have irrevocably become obliged to transfer their Shares.

“Merger Event” means any (1) reclassification or change to the Shares of a Share Company that results in a transfer of or an irrevocable commitment to transfer all outstanding Shares of such Share Company; (2) consolidation, amalgamation or merger of a Share Company with or into another entity (other than a consolidation, amalgamation or merger in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares of a Share Company); or (3) other take-over offer for the Shares of a Share Company that results in a transfer of, or an irrevocable commitment to transfer, the Shares of a Share Company (other than any such Shares owned or controlled by the offeror), in each case if the Merger Date is on or before the Determination Date.

“Nationalisation” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“Insolvency” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such

determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

2. FORM

(a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

(b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities

(the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

(2) at Cash Amount 2 or, if Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, by delivery of the Share Amount,

such redemption to occur, subject as provided below, on the Settlement Date.

- (b) **Interest Amount.** In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (c) **Interest Accrual.** Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Share is postponed due to a Settlement Disruption Event or a Market Disruption Event.
- (d) **Method of Payment.** Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any

errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.

- (h) Notice. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, if the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent, Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be

made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;

- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission’s regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;
- (7) specify the Delivery Details; and
- (8) authorise the production of such Notice in any applicable administrative or legal proceedings.

- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the “**Delivery Date**”) in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the “**Realised Share Amount**”) for the account of the Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer’s obligations in respect of such Security shall be discharged.
- (j) Verification. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, in respect of each Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, if Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been

delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

- (l) **Determinations.** If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.
- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares

or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Shares during such Intervening Period.

- (n) Dividends. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) Settlement Disruption. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, if the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.
- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Potential Adjustment Events. Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

- (i) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
- (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

- (c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:
 - (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that

adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or

- (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“**De-listing**” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“**Merger Date**” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“**Merger Event**” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (3) other take-over offer for the Shares of a Share Company that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Determination Date.

“**Nationalisation**” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such

determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute “significant new factors” and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by

the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, the Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.
- (h) **Notice.** If the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent or Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;

- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;
- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque; and
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision

over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission's regulations by virtue of its participants being non-U.S. persons; or (G) any other "U.S. person" as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;

- (7) specify the Delivery Details; and
- (8) authorise the production of such Notice in any applicable administrative or legal proceedings.

- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the "**Delivery Date**") in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the "**Realised Share Amount**") for the account of the Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.

- (j) Verification. In respect of each Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action

taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Shares during such Intervening Period.
- (n) **Dividends.** Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a

Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in

price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

(b) Potential Adjustment Events. Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

(1) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and

(2) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

(c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the

Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:

- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
- (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and

absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“**De-listing**” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“**Merger Date**” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“**Merger Event**” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (3) other take-over offer for the Shares of a Share Company that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Determination Date.

“**Nationalisation**” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

(d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

2. FORM

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.
- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without

any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

- (a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed by the Issuer, provided that no Knock-in Event has occurred in respect of each Nominal Amount, at the Cash Amount. Where a Knock-in Event has occurred, each

Security will be redeemed at the sole option of the Issuer, in respect of each Nominal Amount:

- (1) at the Cash Amount; or
- (2) by delivery of the Share Amount,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to settle the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the fraction of Share (if any) has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

- (b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Share is postponed due to a Settlement Disruption Event or a Market Disruption Event.
- (d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) Presentation and Surrender. Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, the Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.
- (h) Notice. If the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security), in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent or Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the

Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;

- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;
- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised

principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission's regulations by virtue of its participants being non-U.S. persons; or (G) any other "U.S. person" as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;

- (7) specify the Delivery Details; and
 - (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) **Late Delivery of Notice.** If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the "**Delivery Date**") in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the "**Realised Share Amount**") for the account of the Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.
- (j) **Verification.** In respect of each Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the

Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.

- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Shares during such Intervening Period.
- (n) **Dividends.** Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating

thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Share on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in

price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

(b) **Potential Adjustment Events.** Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

(1) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and

(2) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

(c) **De-listing, Merger Event, Nationalisation and Insolvency.** If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the

Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:

- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
- (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and

absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“De-listing” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“Merger Event” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (3) take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Determination Date.

“Nationalisation” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“Insolvency” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or

other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

2. FORM

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.
- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a

Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in

the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

- (a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions and provided that no Knock-out Event has occurred, each Security will be redeemed, at the sole option of the Issuer, in respect of each Nominal Amount:

- (1) at the Cash Amount; or
- (2) by delivery of the Share Amount.

If a Knock-out Event has occurred, each Security will be redeemed by the Issuer at the Cash Amount, such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to settle the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the fraction of Share (if any) has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

- (b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Share is postponed due to a Settlement Disruption Event or a Market Disruption Event.
- (d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) Presentation and Surrender. Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, the Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.
- (h) Notice. If the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security), in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent or Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the

Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;

- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;
- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised

principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission's regulations by virtue of its participants being non-U.S. persons; or (G) any other "U.S. person" as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;

- (7) specify the Delivery Details; and
 - (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the "**Delivery Date**") in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Shares comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Shares, and shall hold the proceeds (the "**Realised Share Amount**") for the account of the Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.
- (j) Verification. In respect of each Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the

Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.

- (k) Delivery of the Share Amount. Subject as provided in the Conditions, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Shares or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. The Issuer shall be under no obligation to register or procure the registration of any Holder or any other person as the registered shareholder in respect of the Shares comprised in any Share Amount in the register of members of the Share Company. Where an amount equal to the value of the outstanding undelivered fraction of the Shares is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Shares comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Shares (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Shares or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Shares during such Intervening Period.
- (n) **Dividends.** Any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Shares executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) **Settlement Disruption.** If the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating

thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Share on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in

price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

(b) **Potential Adjustment Events.** Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

(1) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and

(2) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders of the relevant Shares by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

(c) **De-listing, Merger Event, Nationalisation and Insolvency.** If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the

Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:

- (1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or
- (2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and

absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“**De-listing**” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“**Merger Date**” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“**Merger Event**” means any (1) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (2) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (3) take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares that results in a transfer of, or an irrevocable commitment to transfer, a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Determination Date.

“**Nationalisation**” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or

other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for

the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed, at the sole option of the Issuer, either, in respect of each Nominal Amount:

(1) at the Cash Amount; or

(2) at the Index Amount,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to redeem the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the Index Amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Valuation Date used for the purposes of calculating such amount.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that payment of any Index Amount is postponed due to the occurrence of a Market Disruption Event.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via

the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) Presentation and Surrender. Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Index Amount or the Interest Amount.

None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means (i) a general moratorium is declared in respect of banking activities in the country in which the Exchange or Related Exchange is located or (ii) the occurrence or existence on any Trading Day during the one hour

period that ends at the official close of trading on an Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise), (A) on any Exchange(s) in securities that comprise 20 per cent or more of the level of the relevant Index, if in the determination of the Calculation Agent, such suspension or limitation is material. For the purpose of determining whether such suspension or limitation is material, if trading in a security included in the Index is suspended or materially limited at that time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that security relative to (y) the overall level of the Index, in each case immediately before that suspension or limitation; or (B) on any Related Exchange in any options contracts or futures contracts or other derivatives contracts relating to the relevant Index. In any event, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Adjustments to Index. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (1), (2), (3) or (4) below:
- (1) If the Index is: (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Index Sponsor (the “**Successor Sponsor**”) acceptable to the Calculation Agent; or (B) replaced by a successor index using in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the Index, then (in either case) the Index will be deemed to be the index so calculated and announced by such Successor Sponsor or that successor index, as the case may be.
 - (2) If: (A) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor makes a material change in the formula for or the method of calculating the Index or in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other

routine events); or (B) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor fails to calculate and/or publish the Index, then (in either case) the Calculation Agent shall determine the Final Reference Price using, in lieu of a published level for the Index on the Valuation Date, the level for the Index as determined by the Calculation Agent in accordance with the formula for and method of calculating the Index last in effect prior to the change or failure, but using only those securities that comprised the Index immediately prior to the change or failure (other than those securities that have since ceased to be listed on the Exchange or any other exchange on which the Shares are listed) or, in the case of a material modification of the Index only, shall deem such modified Index to be the Index so calculated and announced or shall terminate the Securities by giving notice in accordance with General Condition 4.

- (3) If, at any time, any of the events specified in (A) to (H) below occurs and the Index Sponsor or, if applicable, the Successor Sponsor has not in the opinion of the Calculation Agent made an appropriate adjustment to the level of the Index in order to account fully for such event, notwithstanding that the rules published or applied by the Index Sponsor or, if applicable, the Successor Sponsor pertaining to the Index have been applied, the Calculation Agent shall make such adjustment to the level of the Index as it considers appropriate in order so as to account: (A) a distribution or dividend to existing holders of the Shares of: (i) Shares; or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the issuer of the Shares equally or proportionately with such payments to holders of Shares or (iii) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or dividend of any Shares to existing holders of the Shares by way of bonus, capitalisation or similar issue; (C) an extraordinary dividend; (D) any cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (E) any non-cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (F) any other extraordinary cash or non-cash dividend on, or distribution with respect to, the Shares which is, by its terms or declared intent, declared and paid

outside the normal operations or normal dividend procedures of the relevant issuer of the Shares, provided that, in all cases, the related ex-dividend date occurs during the period from but including the Issue Date up to and excluding the Valuation Date; (G) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; or (H) any other similar event having a dilutive or concentrative effect on the theoretical value of the Shares.

- (4) The Issuer reserves the right to issue further notes, to make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should, in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent either to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or to be required to take account of provisions of the laws of the relevant jurisdiction or the practices of the Exchange.
- (c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

(b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating

securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i)

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means (i) a general moratorium is declared in respect of banking activities in the country in which the Exchange or Related Exchange is located or (ii) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on an Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise), (A) on any Exchange(s) in securities that comprise 20 per cent or more of the level of the relevant Index, if in the determination of the Calculation Agent, such suspension or limitation is material. For the purpose of determining whether such suspension or limitation is material, if trading in a security included in the Index is suspended or materially limited at that time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that security relative to (y) the overall level of the Index, in each case immediately before that suspension or limitation; or (B) on any Related Exchange in any options contracts or futures contracts or other derivatives contracts relating to the relevant Index. In any event, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Adjustments to Index. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (1), (2), (3) or (4) below:
- (1) If the Index is: (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Index Sponsor (the “**Successor Sponsor**”) acceptable to the Calculation Agent; or (B) replaced by a successor index using in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the Index, then (in either case) the Index will be deemed to be the index so calculated and announced by such Successor Sponsor or that successor index, as the case may be.
 - (2) If: (A) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor makes a material change in the formula for or the method of calculating the Index or in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other routine events); or (B) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor fails to calculate and/or publish the Index, then (in either case) the Calculation Agent shall determine the Final Reference Price using, in lieu of a published level for the Index on the Valuation Date, the level for the Index as determined by the Calculation Agent in accordance with the formula for and method of calculating the Index last in effect prior to the change or failure, but using only those securities that comprised the Index immediately prior to the change or failure (other than those securities that have since ceased to be listed on the Exchange or any other exchange on which the Shares are listed) or, in the case of a material modification of the Index only, shall deem such modified Index to be the Index so calculated and announced or shall terminate the Securities by giving notice in accordance with General Condition 4.
 - (3) If, at any time, any of the events specified in (A) to (H) below occurs and the Index Sponsor or, if applicable, the Successor Sponsor has not in the opinion of the Calculation Agent made an appropriate adjustment to the level of the Index in order to account fully for such event, notwithstanding that the rules published or applied by the Index Sponsor or, if applicable, the Successor Sponsor pertaining to the Index have been applied, the Calculation Agent shall make such adjustment to the level of the Index as it considers

appropriate in order so to account for: (A) a distribution or dividend to existing holders of the Shares of: (i) Shares; or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the issuer of the Shares equally or proportionately with such payments to holders of Shares or (iii) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or dividend of any Shares to existing holders of the Shares by way of bonus, capitalisation or similar issue; (C) an extraordinary dividend; (D) any cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (E) any non-cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (F) any other extraordinary cash or non-cash dividend on, or distribution with respect to, the Shares which is, by its terms or declared intent, declared and paid outside the normal operations or normal dividend procedures of the relevant issuer of the Shares, provided that, in all cases, the related ex-dividend date occurs during the period from but including the Issue Date up to and excluding the Valuation Date; (G) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; or (H) any other similar event having a dilutive or concentrative effect on the theoretical value of the Shares.

- (4) The Issuer reserves the right to issue further notes, to make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should, in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent either to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or to be required to take account of provisions of the laws of the relevant jurisdiction or the practices of the Exchange.

(c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. 2. FORM

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of

the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of

the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions and provided that no Knock-in Event has occurred, each Security will be redeemed at the Cash Amount. Where a Knock-in Event has occurred, each Security will be redeemed, at the sole option of the Issuer, either, in respect of each Nominal Amount:

- (1) at the Cash Amount; or
- (2) at the Index Amount,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to redeem the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the Index Amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Valuation Date used for the purposes of calculating such amount.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event

that payment of any Index Amount is postponed due to the occurrence of a Market Disruption Event.

- (d) **Method of Payment.** Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Index Amount or the Interest Amount.
- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor,

where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

“**Market Disruption Event**” means (i) a general moratorium is declared in respect of banking activities in the country in which the Exchange or Related Exchange is located or (ii) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on an Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise), (A) on any Exchange(s) in securities that comprise 20 per cent or more of the level of the relevant Index, if in the determination of the Calculation Agent, such suspension or limitation is material. For the purpose of determining whether such suspension or limitation is material, if trading in a security included in the Index is suspended or materially limited at that time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that security relative to (y) the overall level of the Index, in each case immediately before that suspension or limitation; or (B) on any Related Exchange in any options contracts or futures contracts or other derivatives contracts relating to the relevant Index. In any event, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Adjustments to Index. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (1), (2), (3) or (4) below:

- (1) If the Index is: (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Index Sponsor (the “**Successor**”

Sponsor”) acceptable to the Calculation Agent; or (B) replaced by a successor index using in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the Index, then (in either case) the Index will be deemed to be the index so calculated and announced by such Successor Sponsor or that successor index, as the case may be.

- (2) If: (A) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor makes a material change in the formula for or the method of calculating the Index or in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other routine events); or (B) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor fails to calculate and/or publish the Index, then (in either case) the Calculation Agent shall determine the Final Reference Price using, in lieu of a published level for the Index on the Valuation Date, the level for the Index as determined by the Calculation Agent in accordance with the formula for and method of calculating the Index last in effect prior to the change or failure, but using only those securities that comprised the Index immediately prior to the change or failure (other than those securities that have since ceased to be listed on the Exchange or any other exchange on which the Shares are listed) or, in the case of a material modification of the Index only, shall deem such modified Index to be the Index so calculated and announced or shall terminate the Securities by giving notice in accordance with General Condition 4.
- (3) If, at any time, any of the events specified in (A) to (H) below occurs and the Index Sponsor or, if applicable, the Successor Sponsor has not in the opinion of the Calculation Agent made an appropriate adjustment to the level of the Index in order to account fully for such event, notwithstanding that the rules published or applied by the Index Sponsor or, if applicable, the Successor Sponsor pertaining to the Index have been applied, the Calculation Agent shall make such adjustment to the level of the Index as it considers appropriate in order so as to account for: (A) a distribution or dividend to existing holders of the Shares of: (i) Shares; or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the issuer of the Shares equally or proportionately with such payments to holders of Shares or (iii) any other type of securities, rights or

warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or dividend of any Shares to existing holders of the Shares by way of bonus, capitalisation or similar issue; (C) an extraordinary dividend; (D) any cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (E) any non-cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (F) any other extraordinary cash or non-cash dividend on, or distribution with respect to, the Shares which is, by its terms or declared intent, declared and paid outside the normal operations or normal dividend procedures of the relevant issuer of the Shares, provided that, in all cases, the related ex-dividend date occurs during the period from but including the Issue Date up to and excluding the Valuation Date; (G) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; or (H) any other similar event having a dilutive or concentrative effect on the theoretical value of the Shares.

- (4) The Issuer reserves the right to issue further notes, to make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should, in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent either to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or to be required to take account of provisions of the laws of the relevant jurisdiction or the practices of the Exchange.
- (c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such

determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

2. FORM

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depositary for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed

accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance

with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Settlement Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions and provided that no Knock-in Event has occurred, each Security will be redeemed at Cash Amount 1. Where a Knock-in Event has occurred, each Security will be redeemed by the Issuer, in respect of each Nominal Amount:

(1) at Cash Amount 1 if the Final Reference Price is equal to or greater than the Strike Price; or otherwise

(2) at Cash Amount 2,

such redemption to occur, subject as provided below, on the Settlement Date.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that payment of any amount is postponed due to the occurrence of a Market Disruption Event.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable).

All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount or the Interest Amount.
- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means (i) a general moratorium is declared in respect of banking activities in the country in which the Exchange or Related Exchange is located or (ii) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on an Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or

impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise), (A) on any Exchange(s) in securities that comprise 20 per cent or more of the level of the relevant Index, if in the determination of the Calculation Agent, such suspension or limitation is material. For the purpose of determining whether such suspension or limitation is material, if trading in a security included in the Index is suspended or materially limited at that time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that security relative to (y) the overall level of the Index, in each case immediately before that suspension or limitation; or (B) on any Related Exchange in any options contracts or futures contracts or other derivatives contracts relating to the relevant Index. In any event, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Adjustments to Index. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (1), (2), (3) or (4) below:
- (1) If the Index is: (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Index Sponsor (the “**Successor Sponsor**”) acceptable to the Calculation Agent; or (B) replaced by a successor index using in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the Index, then (in either case) the Index will be deemed to be the index so calculated and announced by such Successor Sponsor or that successor index, as the case may be.
 - (2) If: (A) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor makes a material change in the formula for or the method of calculating the Index or in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other routine events); or (B) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor fails to calculate and/or publish the

Index, then (in either case) the Calculation Agent shall determine the Final Reference Price using, in lieu of a published level for the Index on the Valuation Date, the level for the Index as determined by the Calculation Agent in accordance with the formula for and method of calculating the Index last in effect prior to the change or failure, but using only those securities that comprised the Index immediately prior to the change or failure (other than those securities that have since ceased to be listed on the Exchange or any other exchange on which the Shares are listed) or, in the case of a material modification of the Index only, shall deem such modified Index to be the Index so calculated and announced or shall terminate the Securities by giving notice in accordance with General Condition 4.

- (3) If, at any time, any of the events specified in (A) to (H) below occurs and the Index Sponsor or, if applicable, the Successor Sponsor has not in the opinion of the Calculation Agent made an appropriate adjustment to the level of the Index in order to account fully for such event, notwithstanding that the rules published or applied by the Index Sponsor or, if applicable, the Successor Sponsor pertaining to the Index have been applied, the Calculation Agent shall make such adjustment to the level of the Index as it considers appropriate in order so to account for: (A) a distribution or dividend to existing holders of the Shares of: (i) Shares; or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the issuer of the Shares equally or proportionately with such payments to holders of Shares or (iii) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or dividend of any Shares to existing holders of the Shares by way of bonus, capitalisation or similar issue; (C) an extraordinary dividend; (D) any cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (E) any non-cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (F) any other extraordinary cash or non-cash dividend on, or distribution with respect to, the Shares which is, by its terms or declared intent, declared and paid outside the normal operations or normal dividend procedures of the relevant issuer of the Shares, provided that, in all cases, the related ex-dividend date

occurs during the period from but including the Issue Date up to and excluding the Valuation Date; (G) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; or (H) any other similar event having a dilutive or concentrative effect on the theoretical value of the Shares.

- (4) The Issuer reserves the right to issue further notes, to make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should, in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent either to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or to be required to take account of provisions of the laws of the relevant jurisdiction or the practices of the Exchange.
- (c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

2. FORM

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of

the relevant Clearing Agent as the owner of a particular nominal amount (as the case may be) of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of

the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions and provided that no Knock-out Event has occurred, each Security will be redeemed, at the sole option of the Issuer, either, in respect of each Nominal Amount:

- (1) at the Cash Amount; or
- (2) at the Index Amount.

If a Knock-out Event has occurred, each Security will be redeemed by the Issuer at the Cash Amount, such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to redeem the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the Index Amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Valuation Date used for the purposes of calculating such amount.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction and is payable on each Interest Payment Date.

- (c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that payment of any Index Amount is postponed due to the occurrence of a Market Disruption Event.
- (d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) Presentation and Surrender. Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Index Amount or the Interest Amount.
- (h) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur

any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means (i) a general moratorium is declared in respect of banking activities in the country in which the Exchange or Related Exchange is located or (ii) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on an Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise), (A) on any Exchange(s) in securities that comprise 20 per cent or more of the level of the relevant Index, if in the determination of the Calculation Agent, such suspension or limitation is material. For the purpose of determining whether such suspension or limitation is material, if trading in a security included in the Index is suspended or materially limited at that time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that security relative to (y) the overall level of the Index, in each case immediately before that suspension or limitation; or (B) on any Related Exchange in any options contracts or futures contracts or other derivatives contracts relating to the relevant Index. In any event, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) **Adjustments to Index.** The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (1), (2), (3) or (4) below:

- (1) If the Index is: (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Index Sponsor (the “**Successor Sponsor**”) acceptable to the Calculation Agent; or (B) replaced by a successor index using in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the Index, then (in either case) the Index will be deemed to be the index so calculated and announced by such Successor Sponsor or that successor index, as the case may be.
- (2) If: (A) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor makes a material change in the formula for or the method of calculating the Index or in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other routine events); or (B) on or prior to the Valuation Date the Index Sponsor or, if applicable, the Successor Sponsor fails to calculate and/or publish the Index, then (in either case) the Calculation Agent shall determine the Final Reference Price using, in lieu of a published level for the Index on the Valuation Date, the level for the Index as determined by the Calculation Agent in accordance with the formula for and method of calculating the Index last in effect prior to the change or failure, but using only those securities that comprised the Index immediately prior to the change or failure (other than those securities that have since ceased to be listed on the Exchange or any other exchange on which the Shares are listed) or, in the case of a material modification of the Index only, shall deem such modified Index to be the Index so calculated and announced or shall terminate the Securities by giving notice in accordance with General Condition 4.
- (3) If, at any time, any of the events specified in (A) to (H) below occurs and the Index Sponsor or, if applicable, the Successor Sponsor has not in the opinion of the Calculation Agent made an appropriate adjustment to the level of the Index in order to account fully for such event, notwithstanding that the rules published or applied by the Index Sponsor or, if applicable, the Successor Sponsor pertaining to the Index have been applied, the Calculation Agent shall make such adjustment to the level of the Index as it considers appropriate in order so to account for: (A) a distribution or dividend to existing holders of the Shares of: (i) Shares; or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of

liquidation of the issuer of the Shares equally or proportionately with such payments to holders of Shares or (iii) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or dividend of any Shares to existing holders of the Shares by way of bonus, capitalisation or similar issue; (C) an extraordinary dividend; (D) any cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (E) any non-cash dividends declared on the Shares at a time when the relevant issuer of the Shares has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (F) any other extraordinary cash or non-cash dividend on, or distribution with respect to, the Shares which is, by its terms or declared intent, declared and paid outside the normal operations or normal dividend procedures of the relevant issuer of the Shares, provided that, in all cases, the related ex-dividend date occurs during the period from but including the Issue Date up to and excluding the Valuation Date; (G) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; or (H) any other similar event having a dilutive or concentrative effect on the theoretical value of the Shares.

- (4) The Issuer reserves the right to issue further notes, to make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should, in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent either to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or to be required to take account of provisions of the laws of the relevant jurisdiction or the practices of the Exchange.
- (c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the

date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

2. FORM

- (a) **Global Form.** Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.
- (b) **Dematerialised Form.** Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in

accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in

accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, then on the succeeding Business Day.

The Issuer will give notice to the Holders in accordance with General Condition 4 stating whether it will redeem the Securities in accordance with Product Condition 3(a)(1) or 3(a)(2) above. Where the Issuer has opted to redeem the Securities in accordance with Product Condition 3(a)(2) above and the calculation of the Commodity Amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Valuation Date used for the purposes of calculating such amount.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that payment of any Commodity Amount is postponed due to the occurrence of a Market Disruption Event.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable).

All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Commodity Amount or the Interest Amount.
- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

A “**Market Disruption Event**” means:

 - (vii) Tax Disruption. The imposition of, change in, or removal of an excise, severance, sales, use, value-added, transfer, stamp, documentary, recording or similar tax on, or measured by reference to, the Commodity (other than a tax on, or measured by reference to, overall gross or net income) by any government or taxation authority after the Issue Date, if the direct effect of such imposition, change or removal is to raise or lower the price of the Commodity on the Valuation Date and/or on each of the three Trading Days following the Valuation Date from what it would have been without that imposition, change or removal; or
 - (viii) Trading Limitation. The material limitation imposed on trading in the Commodity with respect to it or any contract with respect thereto on any exchange or principal trading market; or

as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for

Where the Securities are cleared through CREST, General Condition 20 shall apply.

- (a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations).

The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance

of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

Where a Knock-in Event has occurred, each Security will be redeemed by the Issuer either, in respect of each Nominal Amount:

- (1) at the Cash Amount, if the Final Reference Price is equal to or greater than the Strike Price; or
- (2) at the Commodity Amount, if the Final Reference Price is less than the Strike Price,

such redemption to occur, subject as provided below, on the Settlement Date.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction and is payable on each Interest Payment Date.

Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Commodity Amount or the Interest Amount.
- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any

circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of

corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which

is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Commodity Amount or the Interest Amount.
- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

2. FORM

(a) Global Form. Except in the case of Securities issued in the form described in either Product Condition 2(b) or 2(c), the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

(b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as

defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

If the Securities are redeemed in accordance with Product Condition 3(a)(2) above, and the calculation of the fraction of Certificate (if any) has been delayed due to a

Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

- (b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.

Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.

- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Certificate Amount, the Realised Certificate Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Certificates.
- (h) Notice. If the Securities are to be redeemed by delivery of the Certificate Amount then, in order to obtain delivery of the Certificate Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. - (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such

Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;

- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission’s regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;
- (7) specify the Delivery Details; and

- (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) Late Delivery of Notice. If the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Certificate Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Certificate Amount whether on or after the Maturity Date being the “**Delivery Date**”) in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Certificate Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Certificates comprised in the Certificate Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Certificates, and shall hold the proceeds (the “**Realised Certificate Amount**”) for the account of the relevant Holder, until presentation of the relevant Notice. Upon payment of the Realised Certificate Amount as aforesaid, the Issuer's obligations in respect of such Security shall be discharged.
- (j) Verification. In respect of any Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Certificate Amount. Subject as provided in the Conditions, the delivery of the Certificate Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Certificates or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. Where an amount equal to the value of the outstanding undelivered fraction of the Certificates is payable but the Determination Date for calculating such amount has been delayed due to a Market Disruption Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.
- (m) Intervening Period. If redemption of a Security is to be by delivery of the Certificate Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Certificates comprising the relevant Certificate Amount (the “**Intervening Period**”), neither the Issuer nor any other such person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Certificates (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Certificates during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Certificates or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any

other such persons being the legal owner of such Certificates during such Intervening Period.

- (n) Dividends. Any dividend in respect of any Certificate Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Certificates executed on the Maturity Date and to be delivered in the same manner as such Certificate Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) Settlement Disruption. If the Securities are to settle by delivery of the Certificate Amount and prior to delivery of the Certificate Amount in respect thereof in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Certificate Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Certificate Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.
- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Certificates on the Exchange or any other exchange on which the Certificates are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Certificate on any Related Exchange, if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) **Potential Adjustment Events.** Following a declaration by the issuer of the Certificates of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Certificates and, if so, will:
- (i) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and

- (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Certificates traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any event that may have a diluting or concentrative effect on the theoretical value of the Certificates.

- (c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depository for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the

Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is

for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Settlement Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed by the Issuer, in respect of each Nominal Amount:

- (1) at Cash Amount 1 if the Final Reference Price is equal to or greater than the Strike Price; or otherwise
- (2) at Cash Amount 2 or, if Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, by delivery of the Share Amount,

such redemption to occur, subject as provided below, on the Settlement Date.

(b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.

(c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Reference Asset is postponed due to a Settlement Disruption Event or a Fund Event.

(d) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency;

where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) Presentation and Surrender. Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, the Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Reference Assets.
- (h) Notice. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be

withdrawn after receipt of it by a Clearing Agent, Agent, Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;
- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the

United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission’s regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;

- (7) specify the Delivery Details; and
 - (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) Late Delivery of Notice. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the “**Delivery Date**”) in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of

the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Reference Assets comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Reference Assets, and shall hold the proceeds (the “**Realised Share Amount**”) for the account of the Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer’s obligations in respect of such Security shall be discharged.

- (j) Verification. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, in respect of any Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, if Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Reference Assets or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. Where an amount equal to the value of the outstanding undelivered fraction of the Reference Assets is payable but the Determination Date for calculating such amount has been delayed due to a Fund Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.
- (l) Determinations. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently

corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or willful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) **Intervening Period.** If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Reference Assets comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Reference Assets (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Reference Assets during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Reference Assets or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Reference Assets during such Intervening Period.
- (n) **Dividends.** If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Reference Assets executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.

- (o) **Settlement Disruption.** If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.
- (p) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

In order to constitute a Fund Event, the Issuer or the Calculation Agent on its behalf must conclude that the event in question either has resulted or is reasonably likely to result in an adverse effect on the value of the Reference Assets or

 - (D) any suspension or limitation on the trading of the relevant currencies in which the Reference Assets are denominated or any amendment to the currency of denomination of the Reference Assets so that their price is no longer calculated in the same currency as at the Inclusion Date of the Fund; or
- (iv) Trading and Fees:
- (A) In respect of the Reference Assets, the Fund or any Fund Service Provider increases the level of any redemption fee, subscription fee, management fee, performance fee or a bid/offer spread (or other charge however described) above the level that would have been applicable to any Reference Assets held by any of the Issuer, any affiliate of the Issuer or any Hedge Provider on the Inclusion Date (regardless of whether any such person actually holds any Reference Assets as of such date).
 - (B) Any suspension of or limitation imposed on trading of the Fund or on trading in the Reference Assets (for any reason, including, without limitation, by reason of liquidity restrictions) or any dealing request made by any investor or prospective investor in the Fund or the Reference Assets is deferred in whole or in part or is made at a value other than the related NAV or price, as applicable.

- (C) The frequency at which Reference Assets can be traded is amended or the timing for subscription or redemption of Reference Assets is amended, in each case so that it is no longer that specified in the Fund Documents and/or Fund Prospectus as they prevailed on the Inclusion Date, including, without limitation, an amendment to the timetable for payment of redemption proceeds upon redemption.

If any of the Issuer, any of its affiliates or any Hedge Provider redeems Reference Assets or is entitled to any other amount and:

- (I) does not receive the full proceeds of such redemption or amount in cash in accordance with the timing set out in the Fund Documents or the Fund Prospectus; or
- (II) receives any in-kind distribution in full or part satisfaction of the redemption proceeds or such other amount paid or payable to it,

or the Issuer or the Calculation Agent on its behalf determines that either (I) or (II) above would be applicable were the Issuer, any of its affiliates or any Hedge Provider to redeem Reference Assets or be entitled to actual payment of any such other amount.

- (v) Fund Adviser and Fund Service Provider Failures:

- (A) The Fund Adviser indicates or acknowledges that in its opinion the strategy/investment objective of the Fund will not be, or is no longer able to be, met.
- (B) Any representations, covenants or agreements of the Fund Adviser under the investment management agreement or investment advisory agreement (howsoever described) relating to the Fund have been breached and not cured.
- (C) Any of: (a) the resignation, termination of appointment or replacement of the Fund Adviser from its role as such occurs or the resignation, termination of appointment or replacement of any other Fund Service Provider from its role as such occurs with respect to the Fund or (b) any change in the personnel of any Fund Service Provider occurs which the Issuer or the Calculation Agent on its behalf considers materially adversely affects the ability of such Fund Service Provider to carry out its duties with respect to the Fund.

- (D) The Issuer or the Calculation Agent on its behalf becomes aware of any failure by the Fund or any person on its behalf to disclose to the Issuer or the Calculation Agent on its behalf, on or before the Inclusion Date, any information, event or circumstance that was in existence on such date and that would have been necessary to enable the Issuer or the Calculation Agent to make an informed assessment of the assets and liabilities, financial position and prospects of the Fund and of the rights attaching to the Reference Assets.
- (vi) General: Any other event occurs which the Issuer or the Calculation Agent on its behalf determines is analogous to any of the events specified in subparagraphs (i) to (v) above.
- (b) Consequences of a Fund Event. In respect of each Fund Event, following the occurrence of such an event (and regardless of whether or not such event is then continuing) the Issuer or the Calculation Agent on its behalf may take any of following actions (each, a “**Permitted Action**”):
 - (i) (A) make such adjustments to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions of the Securities as the Issuer or the Calculation Agent on its behalf determines appropriate to account for the economic effect on the Securities of such Fund Event and (B) determine the effective date of the relevant adjustments; or
 - (ii) select a Replacement Fund and a Substitution Date. Following any such selection (A) the Replacement Fund shall replace the affected Fund on the Substitution Date, (B) references herein to the name of the affected Fund shall be deemed to be references to the name of the Replacement Fund with effect from the Substitution Date and (C) the Issuer or the Calculation Agent on its behalf may make such adjustment as it determines to be appropriate, if any, to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions in relation to the Securities to reflect such substitution; or
 - (iii) accelerate all, but not some only, of the Securities, on the date notified to Holders in accordance with General Condition 4; or
 - (iv) make such adjustments to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions of the Securities as the Issuer or the Calculation Agent on its behalf determines are necessary to reflect a notional liquidation of all of the Reference Assets (with

the timing of such notional liquidations being the same timing as would be the case on an actual liquidation of Reference Assets at the relevant time) and a notional investment of the liquidation proceeds in either (A) a zero coupon bond, or equivalent, such that the amount payable at redemption of such zero coupon bond is at least an amount per Security equal to the Issue Price of the Security or, where this is not possible or practicable (as determined by the Issuer or the Calculation Agent on its behalf) or (B) an interest bearing deposit bearing interest at prevailing rates that would be offered by the Issuer in respect of such a deposit as determined by the Issuer or the Calculation Agent on its behalf or, if it is not possible or practicable to comply with subclauses (A) or (B) of this Product Condition 4(b)(iv) (as determined by the Issuer or the Calculation Agent on its behalf), (C) commercial paper rated at least A1/P1 or above by Moody's Investors Service, Inc. (any transaction costs that would be incurred in respect of an actual such investment may be notionally charged to the Securities) (any of (A), (B) or (C), a "**Suspension Asset**").

Notwithstanding that the Issuer or the Calculation Agent on its behalf may have previously determined not to take a Permitted Action, or to take one Permitted Action, it shall not be prevented from subsequently or concurrently deciding to adopt an additional or different Permitted Action in respect of the same Fund Event (whether on one or any number of occasions). In such respect, the Issuer or the Calculation Agent on its behalf may make such adjustments to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions of the Securities as it determines appropriate to account for the decision subsequently or concurrently made.

Notwithstanding anything in this sub-paragraph4(b), neither the Issuer nor the Calculation Agent is under any obligation to determine that a Fund Event has occurred or to take any or all of the Permitted Actions. Any determinations made by the Issuer or the Calculation Agent on its behalf in respect of any of the Permitted Actions shall, in the absence of manifest error, be binding.

- (c) Fund Event Methodology and Determinations:
 - (i) If, in respect of any determination or calculation hereunder which is made by reference to an official or estimated NAV of a Fund provided or published by or on behalf of the Fund or, where the Fund is an exchange traded fund, the last reported trading price of the Reference Asset on the Exchange in respect

of a particular date, the Issuer or the Calculation Agent on its behalf determines that such value does not fairly represent the value of the Fund or Reference Asset as of such date, or that no such value is provided or published, then the Issuer or the Calculation Agent on its behalf may use such other value as it determines as representing a fair NAV or price, as applicable, as of such date or, alternatively, may use a preceding official or estimated value where it believes that such preceding official or estimated value gives a fairer representation than the more recent figure.

- (ii) Should the Fund operate equalisation procedures in respect of performance or incentive based fees, the Issuer or the Calculation Agent on its behalf may make such adjustments to these Product Conditions as the Issuer or the Calculation Agent on its behalf determines appropriate to account for such equalisation in an equitable manner and, where such equalisation procedures operate by the issuance of different classes of shares in the Fund, then each of the Issuer and the Calculation Agent is permitted to deem any notional subscription or redemption on behalf of the Securities to be in such order and in respect of such classes as appear to it to be equitable and reasonable or to deem the return of such shares to be based on a benchmark or average of the different classes.
- (iii) For the avoidance of doubt and notwithstanding any other Condition, the Issuer and the Calculation Agent on its behalf shall be entitled to make any determination, waiver, declaration or decision with regard to a Fund Event and, without limitation, may make such determination, waiver, declaration or decision by reference to the establishment, operation and/or efficacy (whether actual or anticipated) of any Relevant Hedging Transaction. Neither the Issuer nor the Calculation Agent is under any obligation to monitor or determine whether or not a Fund Event has occurred and will not be required to, and will not be responsible for any failure to, make any determination, waiver, declaration or decision whatsoever in relation to a Fund Event. In making or omitting to make any such determination, waiver, declaration or decision, neither the Issuer nor the Calculation Agent shall be under any fiduciary duty towards the Holders and, for the avoidance of doubt, neither the Issuer nor the Calculation Agent shall be responsible for any loss, underperformance or opportunity cost suffered or incurred by Holders in connection with the Securities as a result thereof, howsoever arising.

(d) The Issuer shall give notice in accordance with General Condition 4 of any calculation or determination made by it or the Calculation Agent pursuant to this Product Condition 4 as soon as practicable after it has been made. The Issuer shall make available for inspection by Holders copies of any such calculations and determinations.

5. EFFECT OF FINAL TERMS

Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute “significant new factors” and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.

Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

If CREST is specified as the Clearing Agent in the relevant Final Terms, the Securities will be cleared through CREST. Such Securities will be registered securities in dematerialised and uncertificated form, and will be (i) participating securities and (ii) uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI. No. 3755) as amended, supplemented or replaced from time to time (the “**Regulations**”).

Securities cleared through CREST may be transferred in accordance with the Regulations and the rules, procedures and practices of the relevant Operator (as defined below). No transfer of such Securities will be valid unless and until entered on the relevant Operator register of corporate securities (as defined in and in accordance with, the Regulations).

In the case of Securities cleared through CREST, title to the Securities is recorded on the relevant Operator register of corporate securities (as defined in the Regulations). The Registrar on behalf of the Issuer will maintain a register of such Securities recorded on the relevant Operator register of corporate securities (the “**Register**”) and shall procure that the Register is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator and the Regulations. Subject to this requirement, (i) each person who is for the time being shown in the Register as the holder of such Securities shall be treated by the Issuer and the Registrar as the holder of such Securities for all purposes and (ii) neither the Issuer nor the Registrar shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Register which the Registrar maintains are in accordance with particulars entered in the Operator register of corporate securities relating to such Securities (and the expression “**Holder**” and related expressions shall be construed accordingly).

Any reference to the “**Operator**” (as such term is used in the Regulations) shall be to CREST and shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator approved by the Issuer from time to time in accordance with the Regulations and notified to the relevant Holders in accordance with General Condition 4.

Any indication herein that the Operator “shall do”, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in the Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the relevant Registrar or the Calculation Agent of responsibility or liability for the performance of the Operator.

- (c) SIX SIS Ltd as Clearing Agent. If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities

(the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

(a) Redemption on the Settlement Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed by the Issuer, provided that no Knock-in Event has occurred in respect of each Nominal Amount, at Cash Amount 1. Where a Knock-in Event has occurred, each Security will be redeemed, in respect of each Nominal Amount:

- (1) at Cash Amount 1 if the Final Reference Price is equal to or greater than the Strike Price; or otherwise
- (2) at Cash Amount 2 or, if Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, by delivery of the Share Amount,

such redemption to occur, subject as provided below, on the Settlement Date.

- (b) **Interest Amount.** In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (c) **Interest Accrual.** Each Security shall cease to accrue interest from and including the due date for redemption. No interest shall accrue after the Maturity Date in the event that delivery of any Share Amount or payment of any fraction of Reference Asset is postponed due to a Settlement Disruption Event or a Fund Event.
- (d) **Method of Payment.** Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (e) **Presentation and Surrender.** Unless the Securities are cleared through CREST, the Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. Where the Securities are cleared through CREST, General Condition 20 shall apply.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any

errors or omissions in the calculation of the Cash Amount, the Interest Amount, the Share Amount, the Realised Share Amount, or the Disruption Cash Settlement Price. The purchase of Securities does not confer on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Reference Assets.

- (h) Notice. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and the Securities are to be redeemed by delivery of the Share Amount then, in order to obtain delivery of the Share Amount the relevant Holder must deliver to the Agent (if the Securities are in definitive form) or the Clearing Agent, (if the Securities are represented by the Global Security) in each case with a copy to the Principal Agent or the Swiss Agent or deliver to the Registrar with a copy to the Issuer (where the Securities are cleared through CREST), a duly completed notice (the “**Notice**”) not later than close of business in the place of reception thereof on the Cut-Off Date. No Notice may be withdrawn after receipt of it by a Clearing Agent, Agent or Principal Agent, Registrar or the Issuer. After delivery of a Notice, Securities which are the subject of such Notice may not be transferred.

The Notice shall:

- (1) specify the aggregate Nominal Amount of the Securities which are the subject of such Notice;
- (2) attach the relevant Securities (if in definitive form) or specify the number of the account with the Clearing Agent (if the Securities are represented by the Global Security) or the Operator and the Registrar (where the Securities are cleared through CREST), to be debited with such Securities and instruct the Clearing Agent or the Operator and the Registrar, as applicable, to debit such account on the Cut-off Date;
- (3) where the Securities are cleared through CREST, specify the account of the Holder and any such other details as may be required to enable receipt or delivery of any settlement in respect of any Securities other than in cash;
- (4) specify whether, if a Disruption Cash Settlement Price or any dividend is payable in a currency other than euro, it should be paid by or on behalf of the Issuer in the Settlement Currency (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) to an account maintained by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such

Settlement Currency; or if such amount is payable in euro, payments will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque and in any case specify the number of the account and other relevant information or, as the case may be, the address for delivery of the cheque;

- (5) include an undertaking to pay all Expenses and an authority to debit the account with the Clearing Agent or, where the Securities are cleared through CREST, the Operator and the Registrar, in respect thereof or, as the case may be, to debit the account referred to in paragraph (3) above or make a deduction from any cheque;
- (6) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission’s regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act;
- (7) specify the Delivery Details; and

- (8) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (i) Late Delivery of Notice. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and the Notice is delivered to the relevant Clearing Agent or the copy is delivered to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, the Registrar after the close of business in the place of receipt on the Cut-off Date, then the Share Amount will be delivered as soon as practicable after the Maturity Date (the date of delivery in relation to a Share Amount whether on or after the Maturity Date being the “**Delivery Date**”) in the manner provided below. For the avoidance of doubt, no holder of Securities or any other person shall be entitled to any payment, whether of interest or otherwise, by reason of the Delivery Date for such Securities occurring after the Maturity Date due to such Notice (or the copy thereof) being delivered after close of business on the Cut-off Date as provided above. In the event that a Holder does not, in respect of a Security which is to be redeemed by delivery of the Share Amount, deliver or procure delivery of a Notice as set out above, prior to the date that is 30 calendar days after the Maturity Date, the Issuer shall have the right but not the obligation to sell the Reference Assets comprised in the Share Amount in respect of such Security in the open market or otherwise at a price determined by the Issuer, in its sole discretion, to be the fair market value of the Reference Assets, and shall hold the proceeds (the “**Realised Share Amount**”) for the account of the Holder, until presentation of the relevant Notice. Upon payment of the Realised Share Amount as aforesaid, the Issuer’s obligations in respect of such Security shall be discharged.
- (j) Verification. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, in respect of any Notice, the relevant Holder must provide evidence to the Principal Agent or the Swiss Agent, in either case reasonably satisfactory to the Principal Agent or, where the Securities are cleared through CREST, the Registrar of its holding of such Securities.
- (k) Delivery of the Share Amount. Subject as provided in the Conditions, if Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, the delivery of the Share Amount shall be made at the risk of the relevant Holder and shall be delivered and evidenced in such manner as the Issuer determines to be customary for the Reference Assets or in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery. Where an amount equal to the value of the outstanding undelivered

fraction of the Reference Assets is payable but the Determination Date for calculating such amount has been delayed due to a Fund Event, then such amount will be payable three Business Days after the Determination Date used for the purposes of calculating such amount.

- (l) Determinations. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether any such Notice has been properly completed and delivered shall be made by the Principal Agent or, where the Securities are cleared through CREST, the Registrar and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or where applicable, which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent or, where the Securities are cleared through CREST, which is not delivered to the Registrar, in each case as provided in the Conditions shall be void. If such Notice is subsequently corrected to the satisfaction of the Principal Agent or, where the Securities are cleared through CREST, the Registrar, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent or the Swiss Agent or, where the Securities are cleared through CREST, at the time such correction is delivered to the Registrar as provided in the Conditions. The Principal Agent or, where the Securities are cleared through CREST, the Registrar shall use its best efforts promptly to notify the Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or willful misconduct on its part, none of the Issuer, the Principal Agent nor, where the Securities are cleared through CREST, the Registrar shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.
- (m) Intervening Period. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and redemption of a Security is to be by delivery of the Share Amount, for such period of time after the Maturity Date as the Issuer or any person on behalf of the Issuer shall continue to be the legal owner of the Reference Assets comprising the relevant Share Amount (the “**Intervening Period**”), neither the Issuer nor any such other person shall (i) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of any document or payment whatsoever received by that person in its capacity as the holder of such Reference Assets (ii) be under any obligation to

exercise or procure exercise of any or all rights (including voting rights) attaching to such Reference Assets during the Intervening Period or (iii) be under any liability to the relevant Holder or any subsequent beneficial owner of such Reference Assets or any other person in respect of any loss or damage which the relevant Holder or subsequent beneficial owner or any other person may sustain or suffers as a result, whether directly or indirectly, of the Issuer or any such other persons being the legal owner of such Reference Assets during such Intervening Period.

- (n) Dividends. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, any dividend in respect of any Share Amount to be delivered will be payable to the party, as determined by the Issuer, that would receive such dividend in accordance with market practice for a sale of the Reference Assets executed on the Maturity Date and to be delivered in the same manner as such Share Amount. Any such dividend to be paid to a Holder shall be paid to the account specified in the relevant Notice.
- (o) Settlement Disruption. If Physical Settlement is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms and the Securities are to settle by delivery of the Share Amount and prior to delivery of the Share Amount in respect thereof, in the opinion of the Calculation Agent, a Settlement Disruption Event is subsisting, then the Delivery Date for such Security shall be postponed to the first following Business Day on which no Settlement Disruption Event is subsisting. For so long as delivery of any Share Amount is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election is given to the Holders in accordance with General Condition 4. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 that a Settlement Disruption Event has occurred. No Holder or any other person shall be entitled to any payment (including but not limited to interest) in respect of a Security in the event of any delay in the delivery of any Share Amount relating thereto due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.
- (p) Settlement Risk. Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and none of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall incur

any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. None of the Issuer, any Agent nor, where the Securities are cleared through CREST, the Registrar shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

In order to constitute a Fund Event, the Issuer or the Calculation Agent on its behalf must conclude that the event in question either has resulted or is reasonably likely to result in an adverse effect on the value of the Reference Assets or the NAV of the Fund or on the rights of any investor therein with respect to the Reference Assets or the Fund or otherwise has materially adversely affected its Hedge Position.

- (C) The frequency at which Reference Assets can be traded is amended or the timing for subscription or redemption of Reference Assets is amended, in each case so that it is no longer that specified in the Fund Documents and/or Fund Prospectus as they prevailed on the Inclusion Date, including, without limitation, an amendment to the timetable for payment of redemption proceeds upon redemption.

If any of the Issuer, any of its affiliates or any Hedge Provider redeems Reference Assets or is entitled to any other amount and:

- (I) does not receive the full proceeds of such redemption or amount in cash in accordance with the timing set out in the Fund Documents or the Fund Prospectus; or
- (II) receives any in-kind distribution in full or part satisfaction of the redemption proceeds or such other amount paid or payable to it,

or the Issuer or the Calculation Agent on its behalf determines that either (I) or (II) above would be applicable were the Issuer, any of its affiliates or any Hedge Provider to redeem Reference Assets or be entitled to actual payment of any such other amount.

(v) Fund Adviser and Fund Service Provider Failures:

- (A) The Fund Adviser indicates or acknowledges that in its opinion the strategy/investment objective of the Fund will not be, or is no longer able to be, met.
 - (B) Any representations, covenants or agreements of the Fund Adviser under the investment management agreement or investment advisory agreement (howsoever described) relating to the Fund have been breached and not cured.
 - (C) Any of: (a) the resignation, termination of appointment or replacement of the Fund Adviser from its role as such occurs or the resignation, termination of appointment or replacement of any other Fund Service Provider from its role as such occurs with respect to the Fund or (b) any change in the personnel of any Fund Service Provider occurs which the Issuer or the Calculation Agent on its behalf considers materially adversely affects the ability of such Fund Service Provider to carry out its duties with respect to the Fund.
 - (D) The Issuer or the Calculation Agent on its behalf becomes aware of any failure by the Fund or any person on its behalf to disclose to the Issuer or the Calculation Agent on its behalf, on or before the Inclusion Date, any information, event or circumstance that was in existence on such date and that would have been necessary to enable the Issuer or the Calculation Agent to make an informed assessment of the assets and liabilities, financial position and prospects of the Fund and of the rights attaching to the Reference Assets.
- (vi) General: Any other event occurs which the Issuer or the Calculation Agent on its behalf determines is analogous to any of the events specified in subparagraphs (i) to (vi) above.
- (b) Consequences of a Fund Event. In respect of each Fund Event, following the occurrence of such an event (and regardless of whether or not such event is then continuing) the Issuer or the Calculation Agent on its behalf may take any of following actions (each, a “**Permitted Action**”):
- (i) (A) make such adjustments to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions of the Securities as the Issuer or the Calculation Agent on its behalf determines appropriate to account for the economic effect on the Securities of such Fund Event and (B) determine the effective date of the relevant adjustments; or

- (ii) select a Replacement Fund and a Substitution Date. Following any such selection (A) the Replacement Fund shall replace the affected Fund on the Substitution Date, (B) references herein to the name of the affected Fund shall be deemed to be references to the name of the Replacement Fund with effect from the Substitution Date and (C) the Issuer or the Calculation Agent on its behalf may make such adjustment as it determines to be appropriate, if any, to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions in relation to the Securities to reflect such substitution; or
- (iii) accelerate all, but not some only, of the Securities, on the date notified to Holders in accordance with General Condition 4; or
- (iv) make such adjustments to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions of the Securities as the Issuer or the Calculation Agent on its behalf determines are necessary to reflect a notional liquidation of all of the Reference Assets (with the timing of such notional liquidations being the same timing as would be the case on an actual liquidation of Reference Assets at the relevant time) and a notional investment of the liquidation proceeds in either (A) a zero coupon bond, or equivalent, such that the amount payable at redemption of such zero coupon bond is at least an amount per Security equal to the Issue Price of the Security or, where this is not possible or practicable (as determined by the Issuer or the Calculation Agent on its behalf) or (B) an interest bearing deposit bearing interest at prevailing rates that would be offered by the Issuer in respect of such a deposit as determined by the Issuer or the Calculation Agent on its behalf or, if it is not possible or practicable to comply with subclauses (A) or (B) of this Product Condition 4(b)(iv) (as determined by the Issuer or the Calculation Agent on its behalf), (C) commercial paper rated at least A1/P1 or above by Moody's Investors Service, Inc. (any transaction costs that would be incurred in respect of an actual such investment may be notionally charged to the Securities) (any of (A), (B) or (C), a "**Suspension Asset**").

Notwithstanding that the Issuer or the Calculation Agent on its behalf may have previously determined not to take a Permitted Action, or to take one Permitted Action, it shall not be prevented from subsequently or concurrently deciding to adopt an additional or different Permitted Action in respect of the same Fund Event (whether on one or any number of occasions). In such respect, the Issuer or the

Calculation Agent on its behalf may make such adjustments to any variable, calculation methodology, valuation, settlement or payment terms or any other terms and conditions of the Securities as it determines appropriate to account for the decision subsequently or concurrently made.

Notwithstanding anything in this sub-paragraph 4(b), neither the Issuer nor the Calculation Agent is under any obligation to determine that a Fund Event has occurred or to take any or all of the Permitted Actions. Any determinations made by the Issuer or the Calculation Agent on its behalf in respect of any of the Permitted Actions shall, in the absence of manifest error, be binding.

(c) Fund Event Methodology and Determinations:

- (i) If, in respect of any determination or calculation hereunder which is made by reference to an official or estimated NAV of a Fund provided or published by or on behalf of the Fund or, where the Fund is an exchange traded fund, the last reported trading price of the Reference Asset on the Exchange in respect of a particular date, the Issuer or the Calculation Agent on its behalf determines that such value does not fairly represent the value of the Fund or Reference Asset as of such date, or that no such value is provided or published, then the Issuer or the Calculation Agent on its behalf may use such other value as it determines as representing a fair NAV or price, as applicable, as of such date or, alternatively, may use a preceding official or estimated value where it believes that such preceding official or estimated value gives a fairer representation than the more recent figure.
- (ii) Should the Fund operate equalisation procedures in respect of performance or incentive based fees, the Issuer or the Calculation Agent on its behalf may make such adjustments to these Product Conditions as the Issuer or the Calculation Agent on its behalf determines appropriate to account for such equalisation in an equitable manner and, where such equalisation procedures operate by the issuance of different classes of shares in the Fund, then each of the Issuer and the Calculation Agent is permitted to deem any notional subscription or redemption on behalf of the Securities to be in such order and in respect of such classes as appear to it to be equitable and reasonable or to deem the return of such shares to be based on a benchmark or average of the different classes.
- (iii) For the avoidance of doubt and notwithstanding any other Condition, the Issuer and the Calculation Agent on its behalf shall be entitled to make any

determination, waiver, declaration or decision with regard to a Fund Event and, without limitation, may make such determination, waiver, declaration or decision by reference to the establishment, operation and/or efficacy (whether actual or anticipated) of any Relevant Hedging Transaction. Neither the Issuer nor the Calculation Agent is under any obligation to monitor or determine whether or not a Fund Event has occurred and will not be required to, and will not be responsible for any failure to, make any determination, waiver, declaration or decision whatsoever in relation to a Fund Event. In making or omitting to make any such determination, waiver, declaration or decision, neither the Issuer nor the Calculation Agent shall be under any fiduciary duty towards the Holders and, for the avoidance of doubt, neither the Issuer nor the Calculation Agent shall be responsible for any loss, underperformance or opportunity cost suffered or incurred by Holders in connection with the Securities as a result thereof, howsoever arising.

- (d) The Issuer shall give notice in accordance with General Condition 4 of any calculation or determination made by it or the Calculation Agent pursuant to this Product Condition 4 as soon as practicable after it has been made. The Issuer shall make available for inspection by Holders copies of any such calculations and determinations.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute “significant new factors” and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.
